Coastal Bend Community and Neighbors;

We are proud to announce our 20th annual "Shop with a Cop" event, happening the month of December 2017. The Fraternal Order of Police works with area school districts: CCISD, CISD, RISD, FBISD, TMISD, KISD, West Oso ISD, GPISD and other area agencies to select kids for this program. Through fundraising and generous donations from businesses and individuals, we are able to take preselected area children holiday shopping.

At this time of year many children may fall through the cracks if this program did not exist. Selected children could come from a family that just recently fell upon financial hard times, family death, divorce, or other unexpected situations. These situations sometimes involve law enforcement. For some children, this negative contact with law enforcement may be the only contact they have. "Shop with a Cop" gives these children the opportunity to spend time with law enforcement in a positive way.

On the designated shopping days members of our local law enforcement, who have volunteered, arrive at several shopping locations to meet up with their shopping buddy. With great enthusiasm and anticipation they take on one of their most important tasks, make a child happy and make a new friend. Last year, over 589 children's Christmas wishes were filled. This year we hope to fulfill Christmas wishes for at least 500 kids.

The children are encouraged to fill their basic needs: school and play clothes, under clothes, shoes, and coats. When that has been met, they move to the *fun stuff* like toys and electronics. The children truly remember the meaning of the holidays: they always want to buy for their family members and/or that someone important to them. This is such a touching and unselfish gesture on their part.

When the shopping is done, the numbers tallied, the goodies bagged up for home, law enforcement and their shopping buddy move on to lunch. Here they will finish off their day of fun with talk and laughter. Many times the children share stories, giving hugs, and saying "Thank you".

We are asking you to help make our program a success, for the youth of our community this year.

For more information please direct all email to shopwithacopccfop@aol.com
or contact Tara Mylett at 361-442-4787.

Donations in any amounts may be mailed to "Shop with a Cop" at
P.O. Box 10128 - Corpus Christi, Texas 78460.

Hope we can count on you this year!

CCFOP SWC, Inc.

MISSION STATEMENT

To establish a positive and trusting relationship between law enforcement and the youth of our community by providing needy children in the Coastal Bend area of Texas with a shopping spree accompanied by a law enforcement officer during the Holiday Season. SWC members will raise funds to support the annual event in which eligible children will be able to personally purchase items of necessity (such as; clothes, shoes, coats, jackets, and under garments) and at least one item of luxury (such as: toy or game) to fulfill their Christmas Wishes.

CHILDREN ELIGIBLE FOR PROGRAM

The SWC will work with local school district's counselors and administration to select children for this program. Children will also be selected by recommendation of local law enforcement. The recommendations may come from an encounter with the family or child while officer is working on duty. Over 85% of children that participate in this program are members of families with an annual income at poverty level.

Most of the children have 2-8 siblings.

Many of them are being raised by extended family members.

SPONSOR LEVELS

Angel-\$3000.00 & up

Sponsor will receive company logo and name in CC Caller Times ½ page thank-you ad (x-large print, top of ad in sponsor section), recognition at annual lodge meeting, recognition on SWC Facebook page and name on SWC event shirt with logo.
