The officers helped her. They listened to her, explained what they could and could not do and were professional and courteous

I love the police department here. You guys are always fair. The men and women do their job to a T, where justice is blind. They're civilized human beings. It's a good team you have there.

Officers that showed up were awesome, dispatcher was wonderful and polite.

Dispatcher was good, officers responded quickly and helped him out with the situation.

I had about 60 calls to them and they have been exceptional. They have been great. Given you guys about 40 cats. The girl that picks them up is very conscientious. Keep up the good work.

It was a weekend and animal control was actually going to help me with a raccoon issue because they were at Tractor Supply off duty but I decided to release the animal myself but I will give them kudos for being willing to help while off duty. The caller believes both Aransas Pass and Ingleside has a raccoon problem and would like to see more of them put down because they are a nuisance and he said that was just his opinion.

Detective Stacey did a really good job. Impressed as he is a resident of Houston, and is used to never having a positive resolution to theft cases.

Detective Luna was very professional.
