Great experience, took my case right away and they took care of everything that they could. There was really nothing they could do about it because someone stole it. She was referring to her medication.

She was real professional, stuck to the point and in his opinion she did her job.

The animal control officer was very understanding and showed compassion with the situation. She made me very comfortable.

The animal control officer came in, was friendly and did what she need to do and got the job done.

The animal She was very prompt and kind with the animal and very thorough. She explained things very well and gave good information.

The animal control officer called ahead and made an appointment. She was very courteous and nice.

Dispatcher was polite and officer listened to what happened and was very nice.

Officers came out right away and dispatcher was absolutely cooperative.
