You all went above and beyond to help me. The officers who came out helped document the situation because she didn't have a camera to take pictures of all the damage that was caused to her residence. The officer went way above and beyond to assist her in providing information and helping her with an issue she had at her house with the electrical breaker.

Acted appropriately and quick, very happy with the response.

Officers arrived quickly and they didn't leave til they figured out what was going on.

Officers were very polite, listened and was willing to look around. She doesn't know what else the officer could have done.

They came by and took care of it very fast and efficient.

She came right over and took 2 skunks. They were in a trap and she returned the trap right away.

Det. Luna helped victim a lot. Det. Luna was very responsive in taking the time to return her calls or explain matters to her.

Det. Luna acted immediately on information provided. Luna has kept us well informed, followed up and overall has been excellent to work with.
