

How to Register for CodeRED Alerts Online

Select Managed Account Preference

Creating a managed account will allow you access to modify your existing notification settings and contact information, below is a list of your options:

1. SINGLE SIGN-ON ACCOUNT

To create a single sign-on account, click the button next to “Yes” and click the corresponding logo to the credentials you would like to use, either Google, Facebook or Twitter. You will be prompted to log into your account to permit access.

2. MANAGED ACCOUNT

To create a managed account, click the button next to “Yes” and create a username and password. Please be sure to record this information for later use. (username: 6 characters or more, password: 8)

3. NON-MANAGED ACCOUNT

You will not have another option to create an account later in the form, or have the ability to log back in and update your contact information at a later date.

Contact Information

Contact Address and Communication Methods

Fill out your information and identify whether it is a business or home address. You will have the option further down to add more locations.

It's simple and quick to enroll! Just visit the url below and follow the steps.
<https://ap-police.com/ea>

You can also text
apAlerts

to 99411 to receive a direct link to the enrollment form on your mobile device.

The screenshot shows the CodeRED enrollment page. At the top, it says "CodeRED Keeping citizens informed." Below that, it says "COMMUNITY NOTIFICATION ENROLLMENT" and "CNE Collection Org". The main heading is "Would you like to create a managed account?". There are two radio button options: "YES, I would like to create a managed account" (selected) and "NO, I would like to review and submit my information". Under the "YES" option, there are three buttons: "Login with Google", "Login with Facebook", and "Login with Twitter". Below these are fields for "Or Create An Account" with "Username", "Password", and "Confirm password" inputs. A "Continue" button is at the bottom right.

The screenshot shows the second part of the CodeRED enrollment form. It has the same header as the previous screenshot. The main heading is "Contact Information". There are input fields for "First name" and "Last name". Below that is the heading "Contact Addresses and Communication Methods". There are radio buttons for "Residential" (selected) and "Business". There is a dropdown menu for "Address name" with "Home" selected. Below that are input fields for "Address to be notified (please no P.O. boxes)", "City", "State" (with a "Choose State" dropdown), and "Zip". To the right of these fields is a map of the United States with "Chicago" highlighted.

Phones

Be sure to include area code and full telephone number. To receive text messages, you must click the “Send text messages” box below and select your mobile provider.

Via dropdown, select your provider. If your provider is not listed, select “Other.”

- Check the box for “General Notifications” if you wish to receive community alerts. Please note: **Emergency Notifications cannot be opted out—your public safety agency will determine what constitutes an emergency and issue notifications accordingly.**
- Check the box(es) to receive optional weather notifications (Please note this component is not available on every account, if you do not see it skip this step).
- You may register more than one phone number by clicking “+Add phone”.

Emails (Optional)

To receive emails, click “+ Add email” and enter your email address. You will be asked to select the types of alerts and optional weather warnings you wish to receive via email.

Terms and Conditions

You must check the box to continue.

Data Privacy

You must check the box if you would like to keep your information private.

Verify Information

Press button to verify your information.

Confirmation Screen

Once completed, you will receive a confirmation email (only if you created a managed account). It contains your account details, along with information regarding the CodeRED Mobile Alert app.

- **Caller ID** – Add the numbers listed to your phone's contact list.
- **CodeRED Mobile Alert app** – Download the FREE app to receive safety notifications as you travel to stay informed.
