Coastal Bend Community and Neighbors;

We are proud to announce our **25th annual** "Shop with a Cop" event, happening winter 2022. Shop with a Cop works with area school districts: CCISD, CISD, RISD, FBISD, TMISD, KISD, West Oso ISD, GPISD, APISD, BISD and other area agencies to select kids for this program. Through fundraising and generous donations from businesses and individuals, we are able to assist preselected children.

At this time of year many children may fall through the cracks if this program did not exist. Selected children could come from a family that just recently fell upon financial hard times, family death, divorce, or other unexpected situations. These situations sometimes involve law enforcement. For some children, this negative contact with law enforcement may be the only contact they have. "Shop with a Cop" gives these children the opportunity to spend time with law enforcement in a positive way.

Even though 2021 was a challenging year with Covid, SWC was able to assist over 620 children with food, clothing, hygiene and other needs. This year we hope to fulfill Christmas wishes for at least 800 kids at "in person" shopping events.

We are asking you to help make our program a success, for the youth of our community this holiday season.

For more information please direct all email to shopwithacopccfop@aol.com
or contact **Tara Mylett at 361-442-4787.**

Donations in any amounts may be mailed to "Shop with a Cop" at
P.O. Box 10128 - Corpus Christi, Texas 78460.

MEDICAL ALLIANCE, NOLANS, CHRIS'S MARINE, NUSTAR

CCFOP SWC, Inc.

MISSION STATEMENT COMMITTED TO THE FUTURE!

To establish a positive and trusting relationship between law enforcement and the youth of our community by providing needy children in the Coastal Bend area of Texas with a shopping spree accompanied by a law enforcement officer during the Holiday Season. SWC members will raise funds to support the annual event in which eligible children will be able to personally purchase items of necessity (such as; clothes, shoes, coats, jackets, and under garments) and at least one item of luxury (such as: toy or game)
to fulfill their Christmas Wishes.

CHILDREN ELIGIBLE FOR PROGRAM

The SWC will work with local school district's counselors and administration to select children for this program. Children will also be selected by recommendation of local law enforcement. The recommendations may come from an encounter with the family or child while officer is working on duty. Over 85% of children that participate in this program are members of families with an annual income at poverty level. Most of the children have 2-8 siblings.

Many of them are being raised by extended family members.
