**CHIEF'S GOLDEN RULE OF DECISION MAKING**  
**POLICY MANUAL**

# **THE RULE**

- 1. It's right for the team & mission, and what I'd expect for a family member.**
- 2. It's morally and ethically sound.**
- 3. It's logical and reasonable.**
- 4. I will defend it publicly even in the face of distrust or extreme opposition.**

**LAW ENFORCEMENT CODE OF ETHICS**

**LAW ENFORCEMENT CODE OF ETHICS**

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or abuse and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the email system is prohibited and may result in discipline.

Email messages addressed to the entire Department are only to be used for official business-related items that are of particular interest to all users. In the event that a member has questions about sending a particular email communication, the member should seek prior approval from a supervisor in his/her chain of command.

It is a violation of this policy to transmit a message under another member's name or email address or to use the password of another to log into the system unless directed to do so by a supervisor. Members are required to log off the network or secure the workstation when the computer is unattended. This added security measure will minimize the potential misuse of a member's email, name or password. Any member who believes his/her password has become known to another person shall change their password immediately.

### **204.5 EMAIL RECORD MANAGEMENT**

Email may, depending upon the individual content, be a public record under the Texas Public Information Act and must be managed in accordance with the established records retention schedule and in compliance with state law.

## **Chapter 3 - General Operations**

## Use of Force

### 300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner.

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Conducted Energy Device policies.

#### 300.1.1 DEFINITIONS

Definitions related to this policy include:

**Deadly force** - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

**Feasible** - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person.

**Force** - The application of physical techniques or tactics, chemical agents, or weapons to another person. Force includes threatening the use of deadly force by pointing one's firearm at another. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

**Imminent** - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

**Totality of the circumstances** - All facts and circumstances known to the officer at the time, taken as a whole, including the conduct of the officer and the subject leading up to the use of force.

### 300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Aransas Pass Police Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

Aransas Pass Police Policy Manual (new)

### *Use of Force*

---

#### 300.2.1 DUTY TO INTERCEDE AND REPORT

Any officer present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force.

Any officer who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances shall report these observations to a supervisor as soon as feasible (Tex. Code of Crim. Pro. art. 2.1387).

#### 300.2.2 PERSPECTIVE

When observing or reporting force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

#### 300.2.3 ADDITIONAL REQUIREMENTS FOR INTERCEDING AND REPORTING

Force may be clearly beyond that which is objectively reasonable under the circumstances if it falls into one of the categories of Tex. Code of Crim. Pro. art. 2.1387 (e.g., when an officer has a reasonable belief that another law enforcement officer is violating state or federal law).

Under these circumstances, the report shall be in writing and delivered to the witnessing officer's supervisor as soon as practicable.

### **300.3 USE OF FORCE**

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

### *Use of Force*

---

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

#### 300.3.1 USE OF FORCE TO EFFECT AN ARREST

Officers may use reasonable force to effect an arrest, search, prevent escape or overcome resistance. If it is not reasonably apparent to the person to be arrested, or it is not reasonably impracticable to do so, officers should make clear their intent to arrest or search, and identify themselves as peace officers, before using force (Tex. Penal Code § 9.51).

#### 300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with officer commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness.
- (j) Seriousness of the suspected offense or reason for contact with the individual.
- (k) Training and experience of the officer.
- (l) Potential for injury to officers, suspects, and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (n) The risk and reasonably foreseeable consequences of escape.
- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.

- (r) Any other exigent circumstances.

#### 300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

#### 300.3.4 CAROTID CONTROL HOLD

A carotid control hold is a technique designed to control an individual by temporarily restricting blood flow through the application of pressure to the side of the neck and, unlike a chokehold, does not restrict the airway. The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is limited to those circumstances where deadly force is authorized and is subject to the following (Tex. Code of Crim. Pro. art. 2.34):

- (a) At all times during the application of the carotid control hold, the response of the individual should be monitored. The carotid control hold should be discontinued when circumstances indicate that the application no longer reasonably appears necessary.
- (b) Any individual who has had the carotid control hold applied, regardless of whether the individual was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until such examination occurs.
- (c) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the individual lost consciousness as a result.
- (d) Any officer attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.
- (e) The use or attempted use of the carotid control hold shall be thoroughly documented by the officer in any related reports.

#### 300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration

---

or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Aransas Pass Police Department for this specific purpose.

#### **300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION**

When circumstances reasonably permit, officers should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

#### **300.3.7 RESPIRATORY RESTRAINTS**

The use of a respiratory restraint, also known as a chokehold, is limited to circumstances where deadly force is authorized and if applied, is subject to the same guidelines and requirements as a carotid control hold (Tex. Code of Crim. Pro. art. 2.34).

### **300.4 DEADLY FORCE APPLICATIONS**

When reasonable, the officer shall, prior to the use of deadly force, make efforts to identify him/herself as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

Use of deadly force is justified in the following circumstances involving imminent threat or imminent risk:

- (a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes is an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the individual has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the individual is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes that the individual has a weapon or is attempting to access one and intends to use it against the officer or another person. An imminent danger may also exist if the individual is capable of causing serious bodily injury or death without a weapon, and the officer believes the individual intends to do so.

#### **300.4.1 MOVING VEHICLES**

Shots fired at or from a moving vehicle involve additional considerations and risks, and are rarely effective.

When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

Aransas Pass Police Policy Manual (new)

### *Use of Force*

---

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

#### **300.5 REPORTING THE USE OF FORCE**

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances.

To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

##### **300.5.1 NOTIFICATIONS TO SUPERVISORS**

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, the WRAP, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

#### **300.6 MEDICAL CONSIDERATIONS**

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

Aransas Pass Police Policy Manual (new)

### *Use of Force*

---

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit signs of excited delirium (extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control) may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

### **300.7 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to a reported application of force resulting in visible injury, if reasonably available. When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived his/her *Miranda* rights, the following shall apply:
  1. The content of the interview should not be summarized or included in any related criminal charges.
  2. The fact that a recorded interview was conducted should be documented in a property or other report.
  3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.

### *Use of Force*

---

- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
  - 1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
  - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

#### **300.7.1 SHIFT SUPERVISOR RESPONSIBILITY**

The Shift Supervisor shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

#### **300.8 TRAINING**

Officers will receive periodic training on this policy and demonstrate their knowledge and understanding.

Subject to available resources, officers should receive periodic training on:

- (a) Guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.
- (b) De-escalation tactics, including alternatives to force.

#### **300.9 USE OF FORCE ANALYSIS**

At least annually, the Patrol Division Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

#### **300.10 USE OF FORCE BY DRONE**

No employee may use a drone to deploy force unless authorized and directed by the Chief of Police or his designee. Once authorized, the force must be determined and deployed by the drone operator, and artificial intelligence may not be used in that determination process in accordance with Texas law. The force used must be in compliance with this policy section.

This policy must be reported to TCOLE each even-numbered year before January 1st of that year.

# Handcuffing and Restraints

## 301.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

## 301.2 POLICY

The Aransas Pass Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

## 301.3 USE OF RESTRAINTS

Only members who have successfully completed Aransas Pass Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

### 301.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

### 301.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

Aransas Pass Police Policy Manual (new)

### *Handcuffing and Restraints*

---

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others (Tex. Local Gov't. Code § 361.082).

#### **301.3.3 RESTRAINT OF JUVENILES**

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

#### **301.3.4 NOTIFICATIONS**

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

#### **301.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS**

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

#### **301.5 APPLICATION OF SPIT HOODS**

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

### Aransas Pass Police Policy Manual (new)

#### *Handcuffing and Restraints*

---

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid commingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

#### **301.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES**

Auxiliary restraint devices include The Wrap®, transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

#### **301.7 APPLICATION OF LEG RESTRAINT DEVICES**

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

##### **301.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS**

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

# Aransas Pass Police Department

### *Handcuffing and Restraints*

---

- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

#### **301.8 REQUIRED DOCUMENTATION**

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

# Control Devices

## 302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

## 302.2 POLICY

In order to control individuals who are violent or who demonstrate the intent to be violent, the Aransas Pass Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy. The Chief of Police may also authorize other positions or individual department members to use specific control devices.

## 302.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only those members who have successfully completed department-approved training on this policy and the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a person who is violent or who demonstrates the intent to be violent and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

A "bite stick" may be used by the Code Enforcement official to fend off vicious or dangerous dogs.

## 302.4 RESPONSIBILITIES

### 302.4.1 SHIFT SUPERVISOR RESPONSIBILITIES

The Shift Supervisor may authorize the use of a control device by selected department members who may not currently be issued or carrying the control device or those in specialized assignments who have successfully completed the required training.

### 302.4.2 FIREARMS INSTRUCTOR RESPONSIBILITIES

The Firearms Instructor shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Firearms Instructor or the designated instructor for a particular control device. The inspection shall be documented.

### 302.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

### *Control Devices*

---

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Firearms Instructor for disposition. Documentation shall also be forwarded through the chain of command, when appropriate, explaining the cause of damage.

#### **302.5 BATON GUIDELINES**

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to him/herself or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignments or at the direction of their supervisors.

#### **302.6 TEAR GAS GUIDELINES**

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects, based on the circumstances. Only the Shift Supervisor, Incident Commander or Special Weapons and Tactics Team Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire and emergency medical services personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation, if needed.

#### **302.7 OLEORESIN CAPSICUM (OC) GUIDELINES**

As with other control devices, OC spray and pepper projectiles may be considered for use to bring under control an individual or group of individuals who are engaging in, or are about to engage in, violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of department members or the public.

##### **302.7.1 OC SPRAY**

Uniformed members carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field members may carry OC spray as authorized, in accordance with the needs of their assignments or at the direction of their supervisors.

##### **302.7.2 PEPPER PROJECTILE SYSTEMS**

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should

---

not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where an individual has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward an individual, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training or a product demonstration, is exempt from the reporting requirement.

#### **302.7.3 TREATMENT FOR OC EXPOSURE**

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those who complain of further severe effects shall be examined by appropriate medical personnel.

#### **302.8 POST-APPLICATION NOTICE**

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, the owners or available occupants should be provided with notice of the possible presence of residue which could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding how and when the notice was delivered and the individuals notified should be included in related reports.

#### **302.9 KINETIC ENERGY PROJECTILE GUIDELINES**

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

##### **302.9.1 DEPLOYMENT AND USE**

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of individuals engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.

### *Control Devices*

---

- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at officers, other department members and/or other people.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

#### 302.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the suspect must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

#### 302.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect shotguns and projectiles at the beginning of each shift to ensure that the shotguns are in proper working order and the projectiles are of the approved type and appear to be free from defects.

When they are not deployed, shotguns will be unloaded and properly and securely stored in police department vehicles. When deploying a kinetic energy projectile shotgun, officers shall visually

inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

#### **302.10 TRAINING FOR CONTROL DEVICES**

The Training Coordinator shall ensure that those members who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the member's training file.
- (c) Members who fail to demonstrate proficiency with the control device or knowledge of the Use of Force Policy will be provided remedial training. If a member cannot demonstrate proficiency with a control device or knowledge of the Use of Force Policy after remedial training, the member will be restricted from carrying the control device and may be subject to discipline.

#### **302.11 REPORTING USE OF CONTROL DEVICES**

Any application of a control device shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

## Conducted Energy Device

### 303.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

### 303.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

### 303.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed department-approved training may be issued and may carry the CED.

The Firearms Instructor should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon.

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

#### 303.3.1 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Firearms Instructor for disposition. Officers shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

#### **303.4 VERBAL AND VISUAL WARNINGS**

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

#### **303.5 USE OF THE CED**

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

##### **303.5.1 APPLICATION OF THE CED**

The CED may be used when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

##### **303.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS**

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject, or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

Aransas Pass Police Policy Manual (new)

### *Conducted Energy Device*

---

- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

#### 303.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

#### 303.5.4 MULTIPLE APPLICATIONS OF THE CED

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

#### 303.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should

be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

##### **303.5.6 DANGEROUS ANIMALS**

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

##### **303.5.7 OFF-DUTY CONSIDERATIONS**

Officers are not authorized to carry department CEDs while off-duty.

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

#### **303.6 DOCUMENTATION**

Officers shall document all CED discharges in the related arrest/crime reports and the CED report forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the CED report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges and pointing the device at a person will be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a department-approved process to preserve the data.

##### **303.6.1 REPORTS**

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

#### **303.7 MEDICAL TREATMENT**

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes, who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.

#### *Conducted Energy Device*

- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

#### **303.8 SUPERVISOR RESPONSIBILITIES**

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or Firearms Instructor and saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

#### **303.9 TRAINING**

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Training Coordinator. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Coordinator is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Coordinator should include the following training:

- (a) A review of this policy
- (b) A review of the Use of Force Policy
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin
- (e) Scenario-based training, including virtual reality training when available
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options
- (g) De-escalation techniques
- (h) Restraint techniques that do not impair respiration following the application of the CED
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety
- (j) Proper tactics and techniques related to multiple applications of CEDs

# Officer-Involved Shootings and Deaths

## 304.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

## 304.2 POLICY

The policy of the Aransas Pass Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

## 304.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

## 304.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

### 304.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Aransas Pass Police Department would control the investigation if the suspect's crime occurred in Aransas Pass.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

### *Officer-Involved Shootings and Deaths*

---

#### **304.4.2 CRIMINAL INVESTIGATIONS OF OFFICER ACTIONS**

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

#### **304.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION**

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

### **304.5 INVESTIGATION PROCESS**

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

#### **304.5.1 UNINVOLVED OFFICER RESPONSIBILITIES**

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved APPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

#### **304.5.2 SUPERVISOR RESPONSIBILITIES**

Upon arrival at the scene, the first uninvolved APPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
  1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any APPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
  1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident

scene, identity of known or potential witnesses and any other pertinent information.

2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Supervisor and Dispatch. If feasible, sensitive information should be communicated over secure networks.
  - (d) Take command of and secure the incident scene with additional APPD members until properly relieved by another supervisor or other assigned personnel or investigator.
  - (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
    1. Each involved APPD officer should be given an administrative order not to discuss the incident with other involved officers or APPD members pending further direction from a supervisor.
    2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

#### 304.5.3 SHIFT SUPERVISOR RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Shift Supervisor shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or a Division Commander.

All outside inquiries about the incident shall be directed to the Shift Supervisor.

#### 304.5.4 NOTIFICATIONS

The following persons shall be notified as soon as practicable:

- Chief of Police
- Criminal Investigations Division Commander
- Officer-Involved Shootings rollout team
- Outside agency investigators (if appropriate)
- Administration Division supervisor
- Civil liability response team
- Psychological/peer support personnel
- Chaplain
- Medical Examiner (if necessary)
- Involved officer's agency representative (if requested)
- Public Information Officer

#### **304.5.5 INVOLVED OFFICERS**

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
  - 1. Involved APPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
  - 2. Requests from involved non-APPD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with employee groups/agency representatives will be privileged only as to the discussion of non-criminal information.
- (d) A licensed psychotherapist shall be provided by the Department to each involved APPD officer. A licensed psychotherapist may also be provided to any other affected APPD members, upon request.
  - 1. Interviews with a licensed psychotherapist will be considered privileged.
  - 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, the involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
  - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications between the involved officer and an emergency response team member or a peer support member are addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved APPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Supervisor to make schedule adjustments to accommodate such leave.

#### **304.6 CRIMINAL INVESTIGATION**

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) APPD supervisors and Administration Division personnel should not participate directly in any voluntary interview of APPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.

# Aransas Pass Police Department

### *Officer-Involved Shootings and Deaths*

- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, he/she shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

#### 304.6.1 REPORTS BY INVOLVED APPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved APPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved APPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved APPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

#### 304.6.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.

### *Officer-Involved Shootings and Deaths*

1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
  2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

#### **304.6.3 INVESTIGATIVE PERSONNEL**

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Criminal Investigations Division supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the Prosecuting Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the Prosecuting Attorney's Office.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Criminal Investigations Division supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

#### **304.7 ADMINISTRATIVE INVESTIGATION**

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved APPD officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Administration Division and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws.

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from

the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
  - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
  - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
  - 2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed.
  - 3. Administrative interviews should be recorded by the investigator. The officer may also record the interview.
  - 4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her *Garrity rights* and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
  - 5. The Administration Division shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
  - 6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings to whether there was compliance with the Use of Force Policy.
  - 7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

#### **304.8 CIVIL LIABILITY RESPONSE**

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

#### **304.9 AUDIO AND VIDEO RECORDINGS**

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with the approval of assigned investigators or a supervisor.

Any MAV, body-worn video, and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney's Office, as appropriate. The Chief of Police may, in the interest of public safety or transparency, release the video contrary to the direction of this policy.

#### **304.10 DEBRIEFING**

Following an officer-involved shooting or death, the Aransas Pass Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

##### **304.10.1 TACTICAL DEBRIEFING**

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to the criminal and/or administrative investigators.

#### **304.11 MEDIA RELATIONS**

Any media release shall be prepared with input and concurrence from the supervisor and the department representative responsible for each phase of the investigation. Releases will be available to the Shift Supervisor, Criminal Investigations Division Commander and Public Information Officer in the event of inquiries from the media.

No involved APPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Division Commander.

Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

#### **304.12 REPORTING**

If the death of an individual occurs in the Aransas Pass Police Department jurisdiction and qualifies to be reported to the state as an in-custody death, or when an officer discharges a firearm causing

injury or death to another person, the Patrol Division Commander will ensure that the Records Manager is provided with enough information to meet the reporting requirements of Tex. Code of Crim. Pro. art. 49.18 and Tex. Code of Crim. Pro. art. 2.139, as applicable.

## Firearms

### 305.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

### 305.2 POLICY

The Aransas Pass Police Department will equip its members with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

### 305.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Firearms Instructor. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with a like firearm at an authorized department range.

All other weapons not provided by the Department, including, but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Division Commander. This exclusion does not apply to the carrying of a single folding pocketknife or a fixed blade knife that is not otherwise prohibited by law.

#### 305.3.1 HANDGUNS

The authorized department-issued handgun is the Smith & Wesson MP40. Additional handguns may be approved for on-duty use after review and recommendation of the department armorer and approval from the Chief of Police.

- (b) The firearm shall be inspected by the Firearms Instructor prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.

- (h) Members shall provide written notice of the make, model, color, serial number and caliber of a secondary handgun to the Firearms Instructor, who will maintain a list of the information.

#### 305.3.6 AUTHORIZED OFF-DUTY FIREARMS

The carrying of firearms by members while off-duty is permitted by the Chief of Police but may be rescinded should circumstances dictate (e.g., administrative leave). Members who choose to carry a firearm while off-duty, based on their authority as peace officers, will be required to meet the following guidelines:

- (b) The firearm shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge or loss of physical control.
- (c) It will be the responsibility of the member to submit the firearm to the Firearms Instructor for inspection prior to being personally carried. Thereafter the firearm shall be subject to periodic inspection by the Firearms Instructor.
- (d) Prior to carrying any off-duty firearm, the member shall demonstrate to the Firearms Instructor that he/she is proficient in handling and firing the firearm and that it will be carried in a safe manner.
- (e) The member will successfully qualify with the firearm or a like firearm prior to it being carried.

- (h) Members shall only carry department-authorized ammunition.
- (i) When armed, officers shall carry their badges and Aransas Pass Police Department identification cards under circumstances requiring possession of such identification.

#### **305.3.7 AMMUNITION**

Members shall carry only department-authorized ammunition. Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Firearms Instructor when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from department-issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense.

#### **305.4 EQUIPMENT**

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

##### **305.4.1 REPAIRS OR MODIFICATIONS**

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Firearms Instructor.

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Firearms Instructor.

Any repairs or modifications to the member's personally owned firearm shall be done at his/her expense and must be approved by the Firearms Instructor.

##### **305.4.2 HOLSTERS**

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

##### **305.4.3 TACTICAL LIGHTS**

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Firearms Instructor. Once the approved tactical lights have been

properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

#### **305.4.4 OPTICS OR LASER SIGHTS**

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Firearms Instructor. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

#### **305.5 SAFE HANDLING, INSPECTION AND STORAGE**

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Firearms Instructor. Members shall not dry fire or practice quick draws except as instructed by the Firearms Instructor or other firearms training staff.
- (c) Members shall not clean, repair, load or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into the jail section or any part thereof when securing or processing an arrestee, but shall place all firearms in a secured location. Members providing access to the jail section to persons from outside agencies are responsible for ensuring firearms are not brought into the jail section.
- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.
- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Firearms Instructor approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Firearms Instructor will be immediately removed from service. If

the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

#### **305.5.1 INSPECTION AND STORAGE**

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

#### **305.5.2 STORAGE AT HOME**

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Tex. Penal Code § 46.13).

#### **305.5.3 ALCOHOL AND DRUGS**

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or taken any combination thereof that would tend to adversely affect the member's senses or judgment.

#### **305.6 FIREARMS TRAINING AND QUALIFICATIONS**

All members who carry a firearm while on-duty are required to complete training annually with their duty firearms successfully. Additionally, all members will qualify at least annually with their duty firearms (Tex. Occ. Code § 1701.355). Members will qualify with off-duty and secondary firearms at least once a year if they differ significantly from their duty firearms. Training and qualifications must be on an approved range course that meets the requirements of 37 Admin. Code § 218.9.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations.

In the event that the above requirements present a hardship, the Department may request in writing that the Texas Commission on Law Enforcement (TCOLE) waive an officer's annual demonstration of weapons proficiency requirement (Tex. Occ. Code § 1701.355(b); 37 Tex. Admin. Code § 218.9).

Each firearms instructor shall meet the proficiency requirements in 37 Tex. Admin. Code § 221.19.

#### **305.6.1 NON-CERTIFICATION OR NON-QUALIFICATION**

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for:
  - 1. Unauthorized range make-up.
  - 2. Failure to meet minimum standards or qualify after remedial training.

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

#### **305.7 FIREARM DISCHARGE**

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Division Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

#### **305.7.1 DESTRUCTION OF ANIMALS**

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for

dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

#### **305.7.2 INJURED ANIMALS**

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

#### **305.7.3 WARNING AND OTHER SHOTS**

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective and reasonably safe.

### **305.8 FIREARMS INSTRUCTOR DUTIES**

The Chief of Police will designate a firearms proficiency officer, known as the Firearms Instructor, who will be responsible for maintaining department records of firearms proficiency for each officer (37 Tex. Admin. Code § 218.9).

The range will be under the exclusive control of the Firearms Instructor. All members attending will follow the directions of the Firearms Instructor. The Firearms Instructor will maintain a roster of all members attending the range and will submit the roster to the Training Coordinator after each range date. Failure of any member to sign in and out with the Firearms Instructor may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Firearms Instructor has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation (37 Tex. Admin. Code § 218.9).

The Firearms Instructor has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm; it will not be returned to service until it has been inspected and approved by the Firearms Instructor.

The Firearms Instructor has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry (37 Tex. Admin. Code § 218.9).

The Firearms Instructor shall complete and submit to the Training Coordinator documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been

approved by the Department, a list of each member who completes the training. The Firearms Instructor should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Coordinator.

#### **305.9 FLYING WHILE ARMED**

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Aransas Pass Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).
- (c) The Aransas Pass Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Aransas Pass Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.

- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

#### **305.10 CARRYING FIREARMS OUT OF STATE**

Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry his/her Aransas Pass Police Department identification card whenever carrying such firearm.
- (b) The officer may not be the subject of any current disciplinary action.
- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

## Vehicle Pursuits

### 306.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved officers, the public and fleeing suspects.

#### 306.1.1 DEFINITIONS

Definitions related to this policy include:

**Blocking or vehicle intercept** - A slow-speed coordinated maneuver where two or more pursuing vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop. The goal is containment and preventing a pursuit. Blocking is not a moving or stationary road block.

**Boxing-in** - A tactic designed to stop a suspect's vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

**Pursuit Intervention Technique (PIT)** - A low-speed maneuver designed to cause the suspect vehicle to spin out, stall and come to a stop.

**Ramming** - The deliberate act of contacting a suspect's vehicle with another law enforcement vehicle to functionally damage or otherwise force the suspect's vehicle to stop.

**Roadblocks** - A tactic designed to stop a suspect's vehicle by intentionally placing a law enforcement vehicle or other immovable object in the path of the suspect's vehicle.

**Terminate** - To discontinue a pursuit or stop chasing fleeing vehicles.

**Tire deflation device** - A device designed to puncture the tires of the pursued vehicle.

**Trail** - Following the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit.

**Vehicle pursuit** - An event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly or driving in a legal manner but willfully failing to yield to an officer's emergency signal to stop.

### 306.2 POLICY

It is the policy of this department to weigh the importance of apprehending suspects who unlawfully flee from law enforcement against the risks associated with vehicle pursuits.

### 306.3 OFFICER RESPONSIBILITIES

Vehicle pursuits shall only be conducted using authorized police department emergency vehicles that are equipped with and displaying emergency lighting and sirens as required by law unless exempt under Tex. Transp. Code § 546.004 (Tex. Transp. Code § 546.003).

### *Vehicle Pursuits*

---

Officers shall drive with due regard for the safety of all persons and property. However, officers may, when in pursuit of a suspect and provided there is no unreasonable risk to persons and property (Tex. Transp. Code § 546.001; Tex. Transp. Code § 546.005):

- (a) Proceed past a red or stop signal or stop sign but only after slowing down as may be necessary for safe operation.
- (b) Exceed the speed limit.
- (c) Disregard regulations governing direction of movement or turning in specified directions.

#### 306.3.1 WHEN TO INITIATE A PURSUIT

Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect, who has been given an appropriate signal to stop by a law enforcement officer, is attempting to evade arrest or detention by fleeing in a vehicle.

Factors that shall be considered, both individually and collectively, when deciding to initiate or continue a pursuit include, but are not limited to:

- (a) The seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists and others.
- (c) The safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones) and the speed of the pursuit relative to these factors.
- (d) The pursuing officers' familiarity with the area of the pursuit, the quality of radio communications between the pursuing vehicles and telecommunications operator/supervisor, and the driving capabilities of the pursuing officers under the conditions of the pursuit.
- (e) Whether weather, traffic and road conditions unreasonably increase the danger of the pursuit when weighed against the risks resulting from the suspect's escape.
- (f) Whether the identity of the suspect has been verified and whether there is comparatively minimal risk in allowing the suspect to be apprehended at a later time.
- (g) The performance capabilities of the vehicles used in the pursuit in relation to the speed and other conditions of the pursuit.
- (h) Emergency lighting and siren limitations on unmarked police department vehicles that may reduce visibility of the vehicle, such as visor or dash-mounted lights, concealable or temporary emergency lighting equipment and concealed or obstructed siren positioning.

- (i) Vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).
- (k) The availability of other resources, such as air support assistance.
- (l) Whether the pursuing vehicle is carrying passengers other than on-duty police officers. Pursuits should not be undertaken with an arrestee in the pursuit vehicle unless exigent circumstances exist, and then only after the need to apprehend the suspect is weighed against the safety of the arrestee in transport. A vehicle containing more than a single arrestee should not be involved in a pursuit.

#### 306.3.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

When a supervisor directs the pursuit to be terminated, officers will immediately terminate the pursuit.

The factors listed in this policy on when to initiate a pursuit will apply equally to the decision to terminate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves and the public when electing to continue a pursuit.

In addition to the factors that govern when to initiate a pursuit, other factors should be considered in deciding whether to terminate a pursuit, including:

- (a) The distance between the pursuing vehicle and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time or distance.
- (b) The pursued vehicle's location is no longer definitely known.
- (c) The pursuing vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuing vehicle's emergency lighting equipment or siren becomes partially or completely inoperable.
- (e) Hazards posed to uninvolved bystanders or motorists.
- (f) The danger that the continued pursuit poses to the public, the officers or the suspect, balanced against the risk of allowing the suspect to remain at large.
- (g) The identity of the suspect is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit.

### *Vehicle Pursuits*

---

- (h) Extended pursuits of violators for misdemeanors not involving violence or weapons (independent of the pursuit) are generally discouraged.

#### **306.4 PURSUIT VEHICLES**

When involved in a pursuit, unmarked police department emergency vehicles should be replaced by marked emergency vehicles whenever practicable.

Vehicle pursuits should be limited to three police department emergency vehicles (two pursuit vehicles and the supervisor vehicle). However, the number of vehicles involved will vary with the circumstances.

An officer or supervisor may request that additional vehicles join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the number of suspects. All other officers shall stay out of the pursuit but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the pursuit termination point at legal speeds, following the appropriate rules of the road.

##### **306.4.1 MOTORCYCLES**

When involved in a pursuit, police department motorcycles should be replaced by marked emergency vehicles as soon as practicable.

##### **306.4.2 VEHICLES WITHOUT EMERGENCY EQUIPMENT**

Officers operating vehicles not equipped with emergency lights and siren are prohibited from initiating or joining in any pursuit. Officers in such vehicles may provide support to pursuing vehicles as long as the vehicle is operated in compliance with all traffic laws. Those officers should discontinue such support immediately upon arrival of a sufficient number of authorized emergency police department vehicles or any air support.

##### **306.4.3 PRIMARY PURSUIT VEHICLE RESPONSIBILITIES**

The initial pursuing officer will be designated as the primary pursuit vehicle and will be responsible for the conduct of the pursuit unless he/she is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspect without unreasonable danger to him/herself or others.

The primary pursuing officer should notify the telecommunications operator, commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including, but not limited to:

- (a) The location, direction of travel and estimated speed of the suspect's vehicle.
- (b) The description of the suspect's vehicle including the license plate number, if known.
- (c) The reason for the pursuit.
- (d) The use of firearms, threat of force, violence, injuries, hostages or other unusual hazards.
- (e) The number of occupants and identity or description.

- (f) The weather, road and traffic conditions.
- (g) The need for any additional resources or equipment.
- (h) The identity of other law enforcement agencies involved in the pursuit.

Until relieved by a supervisor or a secondary pursuing officer, the officer in the primary pursuit vehicle shall be responsible for broadcasting the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary pursuing officer should, as soon as practicable, relinquish the responsibility of broadcasting the progress of the pursuit to an officer in a secondary pursuit vehicle or to air support joining the pursuit to minimize distractions and allow the primary pursuing officer to concentrate foremost on safe pursuit tactics.

#### **306.4.4 SECONDARY PURSUIT VEHICLE RESPONSIBILITIES**

The second officer in the pursuit will be designated as the secondary pursuit vehicle and is responsible for:

- (a) Immediately notifying the telecommunications operator of his/her entry into the pursuit.
- (b) Remaining a safe distance behind the primary pursuit vehicle unless directed to assume the role of primary pursuit vehicle or if the primary pursuit vehicle is unable to continue the pursuit.
- (c) Broadcasting information that the primary pursuing officer is unable to provide.
- (d) Broadcasting the progress of the pursuit, updating known or critical information and providing changes in the pursuit, unless the situation indicates otherwise.
- (e) Identifying the need for additional resources or equipment as appropriate.
- (f) Serving as backup to the primary pursuing officer once the suspect has been stopped.

#### **306.5 PURSUIT DRIVING**

The decision to use specific driving tactics requires the same assessment of the factors the officer considered when determining whether to initiate and/or terminate a pursuit. The following are tactics for officers who are involved in the pursuit:

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to unusual maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
  - 1. Available officers not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
  - 2. Pursuing officers should exercise due caution and slow down as may be necessary when proceeding through controlled intersections.

### *Vehicle Pursuits*

---

- (c) As a general rule, officers should not pursue a vehicle driving the wrong direction on a roadway, highway or freeway. In the event the pursued vehicle does so, the following tactics should be considered:
  - 1. Request assistance from available air support.
  - 2. Maintain visual contact with the pursued vehicle by paralleling the vehicle while driving on the correct side of the roadway.
  - 3. Request other officers to observe exits available to the suspect.
- (d) Notify the Texas Department of Public Safety or other law enforcement agency if it appears that the pursuit may enter its jurisdiction.
- (e) Officers involved in a pursuit should not attempt to pass other pursuing vehicles unless the situation indicates otherwise or they are requested to do so by the pursuing officer and with a clear understanding of the maneuver process between the involved officers.

#### 306.5.1 PURSUIT TRAILING

In the event that initial pursuing officers relinquish control of the pursuit to another agency, the initial officers may, with the permission of a supervisor, trail the pursuit to the termination point in order to provide information and assistance for the arrest of the suspect and reporting the incident.

#### 306.5.2 AIR SUPPORT ASSISTANCE

When available, air support assistance should be requested. Once the air support crew has established visual contact with the pursued vehicle, they should assume communication control over the pursuit. The primary and secondary ground pursuit vehicles, or involved supervisor, will maintain operational control but should consider whether the participation of air support warrants their continued close proximity and/or involvement in the pursuit.

The air support crew should coordinate the activities of resources on the ground, report progress of the pursuit, and provide officers and supervisors with details of upcoming traffic congestion, road hazards or other pertinent information to evaluate whether to continue the pursuit. If officers on the ground are not within visual contact of the pursued vehicle and the air support crew determines that it is unsafe to continue the pursuit, the air support crew should recommend terminating the pursuit.

#### 306.5.3 OFFICERS NOT INVOLVED IN THE PURSUIT

Officers who are not involved in the pursuit should remain in their assigned areas, should not parallel the pursuit route and should not become involved with the pursuit unless directed otherwise by a supervisor. Uninvolved officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Those officers should attempt to place their vehicles in locations that provide some safety or an escape route in the event of an unintended collision or if the suspect intentionally tries to ram the police department vehicle.

Non-pursuing members needed at the pursuit termination point should respond in a non-emergency manner, observing the rules of the road.

The primary pursuit vehicle, secondary pursuit vehicle and supervisor vehicle should be the only vehicles operating under emergency conditions (emergency lights and siren) unless other officers are assigned to the pursuit.

#### **306.6 SUPERVISORY CONTROL AND RESPONSIBILITIES**

Available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor, will be responsible for:

- (a) Immediately notifying involved officers and the telecommunications operator of supervisory presence and ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit. This is to ensure that the pursuit is conducted within established department guidelines.
- (b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.
- (c) Exercising management and control of the pursuit even if not engaged in it.
- (d) Ensuring that no more than the required law enforcement vehicles are involved in the pursuit under the guidelines set forth in this policy.
- (e) Directing that the pursuit be terminated if, in his/her judgment, it is not justified to continue the pursuit under the guidelines of this policy.
- (f) Ensuring that assistance from air support, canines or additional resources is requested, if available and appropriate.
- (g) Ensuring that the proper radio channel is being used.
- (h) Ensuring that the Shift Supervisor is notified of the pursuit, as soon as practicable.
- (i) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this department.
- (j) Controlling and managing Aransas Pass Police Department officers when a pursuit enters another jurisdiction.
- (k) Preparing a post-pursuit review and documentation of the pursuit as required.

##### **306.6.1 SHIFT SUPERVISOR RESPONSIBILITIES**

Upon becoming aware that a pursuit has been initiated, the Shift Supervisor should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Supervisor has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.

---

The Shift Supervisor shall review all pertinent reports for content and forward them to the Division Commander.

### **306.7 DISPATCH**

If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or telecommunications operator. If the pursuit leaves the jurisdiction of this department or such is imminent, involved officers should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies.

#### **306.7.1 RESPONSIBILITIES**

Upon notification or becoming aware that a pursuit has been initiated, the telecommunications operator is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Supervisor as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

### **306.8 LOSS OF PURSUED VEHICLE**

When the pursued vehicle is lost, the involved officers should broadcast pertinent information to assist other officers in locating the vehicle. The primary pursuing officer or supervisor will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

### **306.9 INTERJURISDICTIONAL CONSIDERATIONS**

When a pursuit enters another agency's jurisdiction, the primary pursuing officer or supervisor, taking into consideration the distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit.

Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary pursuing officer or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether the jurisdiction is expected to assist.

#### **306.9.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY**

Officers will relinquish control of the pursuit when another agency has assumed the pursuit, unless the continued assistance of the Aransas Pass Police Department is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved officers may proceed,

with supervisory approval, to the termination point of the pursuit to assist in the investigation. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for any reports.

The roles and responsibilities of officers at the termination point of a pursuit initiated by this department shall be coordinated with appropriate consideration of the needs of the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local law enforcement agencies, a request for another agency's assistance will mean that its personnel will assume responsibility for the pursuit. For the same reasons, when a pursuit leaves another jurisdiction and a request for assistance is made to this department, the other agency should relinquish control.

#### 306.9.2 PURSUITS EXTENDING INTO THIS JURISDICTION

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Officers from this department should not join a pursuit unless specifically requested to do so by the pursuing agency and with approval from a supervisor. The exception to this is when a single vehicle from the initiating agency is in pursuit. Under this circumstance, an officer from this department may, with supervisor approval, immediately join the pursuit until sufficient vehicles from the initiating agency join the pursuit or until additional information is provided allowing withdrawal from the pursuit.

When a request is made for this department to assist or take over a pursuit that has entered the jurisdiction of the Aransas Pass Police Department, the supervisor should consider:

- (a) The public's safety within this jurisdiction.
- (b) The safety of the pursuing officers.
- (c) Whether the circumstances are serious enough to continue the pursuit.
- (d) Whether there is adequate staffing to continue the pursuit.
- (e) The ability to maintain the pursuit.

As soon as practicable, a supervisor or the Shift Supervisor should review a request for assistance from another agency. The Shift Supervisor or supervisor, after considering the above factors, may decline to assist in or assume the other agency's pursuit.

Assistance to a pursuing agency by officers of this department will conclude at the City limits, provided that the pursuing agency has sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that the termination point of a pursuit from another agency is within this jurisdiction, officers shall provide appropriate assistance including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

### *Vehicle Pursuits*

---

#### **306.10 PURSUIT INTERVENTION**

Pursuit intervention is an attempt to stop the suspect's ability to continue to flee in a vehicle through tactical application of technology, tire deflation devices, blocking or vehicle intercept, boxing-in, the PIT, ramming or roadblock procedures.

##### **306.10.1 WHEN USE IS AUTHORIZED**

Whenever practicable, an officer shall seek approval from a supervisor before employing any intervention to stop the pursued vehicle. In deciding whether to use intervention tactics, officers/supervisors should balance the risk of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers and persons in or on the pursued vehicle. With this in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances apparent to the officer at the time of the decision.

##### **306.10.2 USE OF FIREARMS**

The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Officers should not utilize firearms during an ongoing pursuit unless the conditions and circumstances meet the requirements authorizing the use of deadly force. Nothing in this section shall be construed to prohibit any officer from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

##### **306.10.3 INTERVENTION STANDARDS**

Any intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and are subject to policies guiding such use. Officers shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

- (a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to the public's safety, and when officers reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this intervention tactic should only be employed by properly trained officers and after giving consideration to the following:
  - 1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risk of injury or death to occupants of the suspect vehicle, officers or others.
  - 2. All other reasonable intervention tactics have failed or reasonably appear ineffective.
  - 3. Employing the blocking or vehicle intercept maneuver does not unreasonably increase the risk of danger to those involved or the public.
  - 4. The suspect vehicle is stopped or traveling at a low speed.

### *Vehicle Pursuits*

5. Only law enforcement vehicles should be used in this tactic.
- (b) The PIT is limited to use by properly trained officers with the approval of a supervisor and upon assessment of the circumstances and conditions presented at the time, including the potential for risk of injury to officers, the public and occupants of the pursued vehicle.
- (c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the officer's disposal have been exhausted or would not be effective, and immediate control is necessary. Ramming should be reserved for situations where there does not appear to be another reasonable alternative method. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized. When ramming is used as a means to stop a fleeing vehicle, the following factors should be present:
  1. The suspect is an actual or suspected felon, who reasonably appears to represent a serious threat to the public if not apprehended.
  2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner or using the vehicle as a weapon.
- (d) Boxing-in a suspect vehicle should only be attempted upon approval by a supervisor. The use of such a tactic must be carefully coordinated with all involved vehicles, taking into consideration the circumstances and conditions apparent at the time, as well as the potential risk of injury to officers, the public and occupants of the pursued vehicle. Officers and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.
- (e) Tire deflation devices should be deployed only after notification of pursuing officers and the supervisor of the intent and location of the intended deployment, and in a manner that:
  1. Should reasonably only affect the pursued vehicle.
  2. Provides the deploying officer adequate cover and escape from intentional or unintentional exposure to the approaching vehicle.
  3. Takes into account the limitations of such devices as well as the potential risk to officers, the public and occupants of the pursued vehicle.
  4. Takes into account whether the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials or a school bus transporting children.
- (f) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor. If roadblocks are deployed, it should

only be done under extraordinary conditions when all other reasonable intervention tactics have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, officers or the public.

#### **306.11 CAPTURE OF SUSPECTS**

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

Unless relieved by a supervisor, the primary pursuing officer should coordinate efforts to apprehend the suspect following the pursuit. Officers should consider the safety of the public and the involved officers when formulating plans for setting up perimeters or for containing and capturing the suspect.

#### **306.12 REPORTING REQUIREMENTS**

All appropriate reports shall be completed to comply with appropriate laws and policies or procedures.

- (a) The primary pursuing officer shall complete appropriate crime/arrest reports.
- (b) The primary pursuing officer or supervisor shall complete the appropriate pursuit report.
- (c) After first obtaining the available information, the involved, or if unavailable, on-duty field supervisor shall promptly complete a supervisor's log or interoffice memorandum, briefly summarizing the pursuit to the Chief of Police or the authorized designee. This log or memorandum should include, at a minimum:
  - 1. Date and time of the pursuit.
  - 2. Initial reason and circumstances surrounding the pursuit.
  - 3. Length of pursuit in distance and time, including the starting and termination points.
  - 4. Involved vehicles and officers.
  - 5. Alleged offenses.
  - 6. Whether a suspect was apprehended, as well as the means and methods used.
    - (a) Any use of force shall be reported and documented in compliance with the Use of Force Policy.
  - 7. Arrestee information, if applicable.
  - 8. Any injuries and/or medical treatment.
  - 9. Any property or equipment damage.

10. Name of supervisor at the scene or who handled the incident.
  11. A preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.
- (d) After receiving copies of reports, logs and other pertinent information, the Chief of Police or the authorized designee shall conduct or assign the completion of a post-pursuit review, as appropriate.
  - (e) Annually, the Chief of Police should direct a documented review and analysis of department vehicle pursuits to minimally include policy suitability, policy compliance and training needs.

#### **306.13 REGULAR AND PERIODIC PURSUIT TRAINING**

In addition to initial and supplementary training on pursuits, all officers will participate, no less than annually, in regular and periodic training addressing this policy and the importance of vehicle safety and protecting the public. Training will include recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others.

#### **306.14 POLICY REVIEW**

Officers of this department shall certify in writing that they have received, read and understand this policy initially, upon any amendments and whenever training on the policy is provided.

## Foot Pursuits

### 307.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

### 307.2 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

### 307.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual that the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity alone shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.

- (e) Air support.
- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

#### **307.4 GENERAL GUIDELINES**

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory.
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspects should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the telecommunications operator or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.
- (l) The officer or a third party is injured during the foot pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.

- (m) The suspect's location is no longer known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.
- (o) The officer's ability to safely continue the foot pursuit is impaired by inclement weather, darkness or other environmental conditions.

### **307.5 RESPONSIBILITIES IN FOOT PURSUITS**

#### **307.5.1 INITIATING OFFICER RESPONSIBILITIES**

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit and containment. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the telecommunications operator of his/her location and the status of the foot pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

##### **307.5.2 ASSISTING OFFICER RESPONSIBILITIES**

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize nonessential radio traffic to permit the involved officers maximum access to the radio frequency.

##### **307.5.3 SUPERVISOR RESPONSIBILITIES**

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need to be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

##### **307.5.4 DISPATCH RESPONSIBILITIES**

Upon notification or becoming aware that a foot pursuit is in progress, the telecommunications operator is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Supervisor as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

##### **307.6 REPORTING REQUIREMENTS**

The initiating officer shall complete appropriate crime/arrest reports documenting, at a minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.

  - (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

# Officer Response to Calls

## 308.1 PURPOSE AND SCOPE

This policy provides officers with guidelines for the safe and appropriate vehicular response to emergency and non-emergency incidents or requests for assistance, whether these are dispatched or self-initiated.

## 308.2 POLICY

It is the policy of this department to appropriately respond to emergency and non-emergency calls for service or requests for assistance, whether these are dispatched or self-initiated.

## 308.3 RESPONSE TO CALLS

Officers responding to non-emergency calls shall proceed accordingly, unless they are sent or redirected to a higher priority call, and shall obey all traffic laws.

### 308.3.1 EMERGENCY CALLS

Officers responding to an emergency call shall proceed immediately as appropriate and shall continuously operate the emergency vehicle lighting and siren as required by law (Tex. Transp. Code § 546.003; Tex. Transp. Code § 546.004).

Officers should only respond to a call as an emergency response when so dispatched or when circumstances reasonably indicate an emergency response is required. This includes, but is not limited to:

- (a) When in pursuit or apprehending a violator or suspected violator.
- (b) When responding to a reported emergency involving possible personal injury, death or significant property damage.
- (c) When immediate assistance is requested by an officer or other law enforcement agency.

If an officer believes an emergency response to any call is appropriate, the officer shall immediately notify the telecommunications operator.

Officers not responding to a call as an emergency response shall observe all traffic laws and proceed without the use of emergency lights and siren.

## 308.4 REQUESTING EMERGENCY ASSISTANCE

When requesting emergency assistance, the involved department member should reasonably believe there is an imminent threat to the safety of him/herself or another person, or that assistance is needed to prevent imminent serious harm to the public.

If circumstances permit, the requesting member should provide the following information:

- Identifying call sign
- Location of the emergency situation

### *Officer Response to Calls*

---

- Suspect information, including weapons
- Reason for the request and type of emergency
- The number of officers or resources required
- Hazards and any known or potential dangers for responding officers

In any event where a situation has stabilized and emergency response is not required, the requesting member shall immediately notify the telecommunications operator.

#### **308.5 SAFETY CONSIDERATIONS**

Responding with emergency lights and siren does not relieve the operator of an emergency vehicle of the duty to continue to drive with due regard for the safety of all persons and property, and does not protect the operator from the consequences of reckless disregard for the safety of others. However the officer may, when responding to a call with an emergency response, and provided there is no endangerment or unnecessary risk to persons and property (Tex. Transp. Code § 546.001; Tex. Transp. Code § 546.005):

- Disregard regulations governing parking or standing.
- Proceed past a red or stop signal or stop sign, but only after slowing down as may be necessary for safe operation.
- Exceed the speed limit.
- Disregard regulations governing direction of movement or turning in specified directions.

##### **308.5.1 NUMBER OF OFFICERS ASSIGNED**

The number of officers assigned to respond to an emergency call or request for assistance should be limited to that which is reasonably necessary.

An emergency response involving more than one police vehicle should be coordinated by Dispatch to avoid any unanticipated intersecting of response routes. The telecommunications operator shall notify the Shift Supervisor or field supervisor, who will make a determination regarding the appropriateness of the response and reduce or enhance the response as warranted.

##### **308.5.2 MOTORCYCLES**

An officer operating a police motorcycle should not be assigned to an emergency response. However, an officer operating a police motorcycle in an emergency response should be replaced by an authorized emergency vehicle equipped with emergency lights and siren as soon as practicable.

#### **308.6 EMERGENCY EQUIPMENT**

Vehicles not equipped with emergency lights and siren are prohibited from initiating or joining in an emergency response. Officers in such vehicles may provide support to pursuing vehicles as long as the vehicles are operated in compliance with all traffic laws. Those officers should terminate

their involvement in any emergency response immediately upon arrival of a sufficient number of emergency law enforcement vehicles.

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the emergency response and continue accordingly. The officer shall notify the Shift Supervisor, field supervisor or the telecommunications operator of the equipment failure so that another officer may be assigned to the emergency response.

#### **308.7 OFFICER RESPONSIBILITIES**

The decision to initiate or continue an emergency response is at the discretion of the officer. If, in the officer's judgment, the weather, traffic and road conditions do not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of emergency lights and siren at the legal speed limit. In such an event, the officer should immediately notify the telecommunications operator. An officer shall also discontinue an emergency response when directed by a supervisor or as otherwise appropriate.

Upon receiving authorization or determining that an emergency response is appropriate, whenever practicable, an officer shall immediately give the location from which he/she is responding.

The first officer arriving at the emergency call should determine whether to increase or reduce the level of the response of additional officers and shall notify the telecommunications operator of his/her determination. Any subsequent change in the appropriate response level should be communicated to the telecommunications operator by the officer in charge of the scene unless a supervisor assumes this responsibility.

#### **308.8 DISPATCH**

When information reasonably indicates that the public is threatened with serious injury or death, or an officer requests emergency assistance and immediate law enforcement response is needed, the telecommunications operator shall assign an emergency response and ensure acknowledgement and response of handling and assisting officers. In all other circumstances, the telecommunications operator shall obtain authorization from the Shift Supervisor or a field supervisor prior to assigning an emergency response.

##### **308.8.1 RESPONSIBILITIES**

Upon notification or assignment of an emergency response, the telecommunications operator is responsible for:

- (a) Confirming the location from which the officer is responding or requesting assistance.
- (b) Attempting to assign the closest available assisting officers to the location of the emergency call.
- (c) Continuing to obtain and broadcast information as necessary concerning the response and monitoring the situation until it is stabilized or terminated.
- (d) Notifying and coordinating allied emergency services (e.g., fire, emergency medical services).

---

- (e) Notifying the Shift Supervisor as soon as practicable.
- (f) Controlling all radio communications during the emergency and coordinating assistance under the direction of the Shift Supervisor or field supervisor.

#### **308.9 SUPERVISOR RESPONSIBILITIES**

Upon being notified that an emergency response has been initiated or requested, the Shift Supervisor or the field supervisor shall verify that:

- (a) The proper response has been initiated.
- (b) No more than those officers reasonably necessary under the circumstances are involved in the response.
- (c) Affected outside jurisdictions are being notified as practicable.

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing officers into or out of the response, if necessary. If, in the supervisor's judgment, the circumstances require additional officers to be assigned an emergency response, the supervisor may do so.

It is the supervisor's responsibility to terminate an emergency response that, in his/her judgment, is inappropriate due to the circumstances.

When making the decision to authorize an emergency response, the Shift Supervisor or the field supervisor should consider:

- The type of call or crime involved.
- The type and circumstances of the request.
- The necessity of a timely response.
- Weather, traffic and road conditions.
- The location of the responding officers and the location of the incident.

# Family Violence

## 309.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce family violence through vigorous enforcement and to address family violence as a serious crime against society. Fam. Code § 71.003; Tex. Fam. Code § 71.004; Tex. Fam. Code § 71.005; Tex. Fam. Code § 71.006):

## 309.2 POLICY

The Aransas Pass Police Department's response to incidents of family violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that family violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

## 309.3 OFFICER SAFETY

The investigation of family violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede

---

the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

#### **309.4 INVESTIGATIONS**

The following guidelines should be followed by officers when investigating family violence cases:

- (a) Calls of reported, threatened, imminent, or ongoing family violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Criminal Investigations Division in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Whether the suspect lives on the premises with the victim.
  - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
  - 3. The potential financial or child custody consequences of arrest.

4. The physical or emotional state of either party.
5. Use of drugs or alcohol by either party.
6. Denial that the violence occurred where evidence indicates otherwise.
7. A request by the victim not to arrest the suspect.
8. Location of the incident (public/private).
9. Speculation that the complainant may not follow through with the prosecution.
10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
11. The social status, community status, or professional position of the victim or suspect.

#### **309.4.1 IF A SUSPECT IS ARRESTED**

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

#### **309.4.2 IF NO ARREST IS MADE**

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
  1. Voluntary separation of the parties.
  2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness assistance).
- (b) Document the resolution in a report.

#### **309.5 VICTIM ASSISTANCE**

Because victims may be traumatized or confused, officers should be aware that a victim's behavior and actions may be affected.

- (a) Victims shall be provided with the department family violence information handout developed by the Health and Human Services Commission, even if the incident may not rise to the level of a crime (Tex. Code of Crim. Pro. art. 5.04).
- (b) Victims should also be alerted to any available victim advocates, shelters, and community resources (Tex. Code of Crim. Pro. art. 5.04).

- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, officers should stand by for a reasonable amount of time (Tex. Code of Crim. Pro. art. 5.045).
  - 1. If the person presents a writ issued by a justice court for entry into the person's residence to retrieve personal property, officers shall accompany and assist the person in making entry into the residence and retrieving items specified in the writ (Tex. Prop. Code § 24A.002; Tex. Prop. Code § 24A.0021; Tex. Prop. Code § 24A.003) (see the Civil Disputes Policy).
- (d) If the victim has sustained injury or complains of pain, officers should seek medical assistance for the victim as soon as practicable.
- (e) Officers should ask the victim whether the victim has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for the victim's safety or if the officer determines that a need exists.
- (f) Officers should make reasonable efforts to ensure that any children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (g) If appropriate, officers should seek or assist the victim in obtaining an emergency order.

#### **309.6 DISPATCH ASSISTANCE**

All calls of family violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Telecommunications Operators are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that telecommunications operators check whether any of the involved persons are subject to the terms of a court order.

#### **309.7 FOREIGN COURT ORDERS**

Various types of orders may be issued in family violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

#### **309.8 VERIFICATION OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, knowledge of its terms and efforts to respond to the order.

- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

### **309.9 STANDARDS FOR ARRESTS**

Officers investigating a family violence report should consider the following:

- (a) An arrest is required when an officer has probable cause to believe that a person has violated a court order specified in Tex. Penal Code § 25.07, and the offense has occurred in the presence of the officer (Tex. Penal Code § 25.07).
- (b) An arrest should be made whenever an officer has probable cause to believe that a person has committed any of the following even if the act is committed outside the presence of the officer (Tex. Code of Crim. Pro. art. 14.03):
  - 1. An offense involving family violence
  - 2. Interference with a person's ability to make an emergency telephone call
  - 3. A violation of a court order specified in Tex. Penal Code § 25.07
- (c) The arresting officer should notify a magistrate when an arrest has been made and the offense involved serious bodily injury to the victim or included the use or exhibition of a deadly weapon, so that an emergency protective order may be issued (Tex. Code of Crim. Pro. art. 17.292).
- (d) The arresting officer should evaluate whether a post-bond hold is reasonable and observe the following additional requirements (Tex. Code of Crim. Pro. art. 17.291):
  - 1. A post-bond hold requires approval from the Shift Supervisor.
  - 2. A post-bond hold shall not exceed four hours, unless:
    - (a) The Shift Supervisor determines that the hold should exceed four hours, the Shift Supervisor should then notify a magistrate and receive written approval.

Any decision not to arrest a person, when there is probable cause to do so, must be approved by a supervisor.

#### **309.9.1 NOTIFICATION UPON RELEASE OF ARRESTED PERSON**

Before releasing a person arrested or held without a warrant, the releasing member shall make a reasonable attempt to give personal notice to the victim, or the victim's designee, of the offender's imminent release (Tex. Code of Crim. Pro. art. 17.29).

Code of Crim. Pro. art. 5.05).
- (d) If a suspect is identified as being a member of the military, the officer shall ensure a copy of the report is provided to the staff judge advocate at Joint Force Headquarters (Tex. Code of Crim. Pro. art. 5.05).

# Search and Seizure

## 310.1 PURPOSE AND SCOPE

Both the federal and state constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Aransas Pass Police Department personnel to consider when dealing with search and seizure issues.

## 310.2 POLICY

It is the policy of the Aransas Pass Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

## 310.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions to the rule that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to:

- Valid consent.
- Incident to a lawful arrest.
- Legitimate community caretaking interests.
- Vehicle searches under certain circumstances.
- Exigent circumstances.

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

##### **310.4 SEARCH PROTOCOL**

Although conditions will vary, and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) Whenever practicable, a search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.
- (f) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
  1. Another officer or a supervisor should witness the search.
  2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

##### **310.5 DOCUMENTATION**

Officers are responsible for documenting any search and ensuring that any required reports are sufficient including, at minimum, documentation of:

- Reason for the search.
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys).
- What, if any, injuries or damage occurred.
- All steps taken to secure property.
- The results of the search including a description of any property or contraband seized.
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer.

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

# Child Abuse

## 311.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Aransas Pass Police Department members are required to notify the Department of Family and Protective Services (DFPS) of suspected child abuse.

### 311.1.1 DEFINITIONS

Definitions related to this policy include:

**Child** - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

**Child abuse** - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency.

## 311.2 POLICY

The Aransas Pass Police Department will investigate all reported incidents of alleged criminal child abuse and ensure that DFPS is notified as required by law.

## 311.3 MANDATORY NOTIFICATION

Members of the Aransas Pass Police Department shall notify DFPS when they have reasonable cause to believe that a child has been or may be abused or neglected, or an allegation has been made of abuse or neglect involving a person responsible for a child's care, custody, or welfare (Tex. Fam. Code § 261.101; Tex. Fam. Code § 261.103; Tex. Fam. Code § 261.105).

Members of the Aransas Pass Police Department shall also notify DFPS when a child who was taken or retained without the permission of the child's custodian for a period of 48 hours or more is located and it reasonably appears that the child was the victim of abuse or neglect. The child may be placed into protective custody if necessary pursuant to Chapter 262 of the Texas Family Code (Tex. Code of Crim. Pro. art. 63.00905).

In addition, a member shall notify DFPS when the member has reasonable cause to believe that a person was the victim of abuse or neglect as a child, and the member determines in good faith that disclosure of the information is necessary to protect the health or safety of another child (Tex. Fam. Code § 261.101).

For purposes of notification, abuse and neglect includes but is not limited to acts or omissions related to impairment to the child's growth, development, or psychological functioning; physical injury that results in substantial harm to the child; sexual conduct involving the child; child trafficking or prostitution; use of controlled substances by the child or the use of controlled substances by a person that results in physical, mental, or emotional injury to a child; and any other act or omission as provided by Tex. Fam. Code § 261.001.

#### **311.4 QUALIFIED INVESTIGATORS**

Qualified investigators should be available for child abuse investigations. These investigators should:

- (c) Present all cases of alleged child abuse to the prosecutor for review.

#### **311.5 INVESTIGATIONS AND REPORTING**

In all reported or suspected cases of child abuse, officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom the child made the statements.
- (d) If a child was taken into protective custody, the reasons, the name, and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.

- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

An officer who receives a report of abuse or neglect orally shall make an audio and/or video recording of the report (Tex. Fam. Code § 261.104).

The investigation of an allegation that a child has been or may be the victim of criminal conduct that poses an immediate risk of death or serious harm from either physical or sexual abuse shall be conducted jointly by the investigating officer and DFPS (Tex. Fam. Code § 261.301).

The investigatory steps, as set forth in the existing memorandum of understanding (MOU) with a child advocacy center, should be followed when the terms apply to an allegation of child abuse or neglect (Tex. Fam. Code § 264.405).

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

#### **311.5.1 REPORTS BY PHYSICIANS**

When a physician or physician's agent notifies an officer that a child has claimed he/she has been physically or sexually abused, or the physician has reason to believe such abuse has occurred, the officer shall (Tex. Fam. Code § 33.008):

- (a) Respond and write a report within 24 hours of being notified of the alleged abuse.
  - 1. The report is required even if the officer has knowledge that a report about the abuse may have previously been made.
- (b) If warranted, refer the case to the prosecuting attorney.

#### **311.6 PROTECTIVE CUSTODY**

Before taking any child into protective custody, the officer should make reasonable attempts to contact DFPS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian unless it reasonably appears that the release would endanger the child

or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to DFPS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations:

- (a) When a court order has been issued authorizing removal.
- (b) If there is no time to obtain a court order before taking possession of a child and there is an immediate need to protect the health and safety of that child, an officer may take possession of a child without a court order. Emergency custody may also be taken under the following conditions (Tex. Fam. Code § 262.104):
  - 1. On personal knowledge of facts that lead an officer to believe that the child has been the victim of sexual abuse or trafficking, or that the parent or person who has possession of the child has permitted the child to remain on premises used for the manufacture of methamphetamine.
  - 2. On information furnished by another that has been corroborated by personal knowledge of the facts all of which, taken together, lead an officer to believe that the child has been the victim of sexual abuse or trafficking, or that the parent or person who has possession of the child is currently using a controlled substance or has permitted the child to remain on premises used for the manufacture of methamphetamine.
- (c) Without a court order on the voluntary delivery of the child by the parent, managing conservator, possessory conservator, guardian, caretaker or custodian who is presently entitled to possession of the child (Tex. Fam. Code § 262.004).
- (d) When, during a criminal investigation relating to a child's custody, an officer discovers that the child is a missing child and believes that a person may flee with or conceal the child (Tex. Fam. Code § 262.007).

#### 311.6.1 SAFE HAVEN LAW

Members presented with an infant by a parent seeking to voluntarily surrender the child should immediately notify DFPS. Members should also notify appropriate emergency medical services personnel if it reasonably appears that the infant requires medical attention.

Any report to this department from DFPS of a surrendered child shall be investigated to determine whether the child is reported as missing (Tex. Fam. Code § 262.305).

#### 311.6.2 RELEASE OF CERTAIN CHILDREN TAKEN WITHOUT A COURT ORDER

Officers shall document the placement of the child in an appropriate report. The report should include the name and address of the person to whom the child is released and identifying information about the child.

### **311.7 INTERVIEWS**

#### **311.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

#### **311.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW**

  - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

### **311.8 MEDICAL EXAMINATIONS**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

- (b) Request information from the person and the child regarding the child's well-being and current residence.

The officer should investigate whether it is appropriate to take possession of the child without a court order and in accordance with the laws specified in Tex. Fam. Code § 262.104.

If the officer does not take possession of the child, the officer shall obtain the child's current address and any other relevant information to be forwarded to DFPS (Tex. Code of Crim. Pro. art. 2.272).

The officer should inform a supervisor as soon as practicable when a child on the TCIC Child Safety Check Alert List is located. The circumstances shall be documented in an appropriate report. # Adult Abuse

## 312.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Aransas Pass Police Department members as required by law.

### 312.1.1 DEFINITIONS

Definitions related to this policy include:

**Adult abuse** - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

## 312.2 POLICY

The Aransas Pass Police Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

## 312.3 MANDATORY NOTIFICATION

Members of the Aransas Pass Police Department shall notify Adult Protective Services (APS) when there is cause to believe that an elderly person or person with a disability has been abused. In addition, members shall notify the Texas Department of Health or Texas Health and Human Services Commission, as appropriate, if allegations relate to the abuse of an elderly person or person with a disability in a care facility or under the care of a facility, regardless of whether a crime report is taken (Tex. Hum. Res. Code § 48.051; 25 Tex. Admin. Code § 1.205).

For purposes of such notification (Tex. Hum. Res. Code § 48.002):

- (a) "Abuse" includes the negligent or willful infliction of injury to, unreasonable confinement of, cruel punishment of, or the sexual abuse of an elderly person or a person with a disability, or the exploitation or neglect of such a person as provided in Tex. Hum. Res. Code § 48.002.
- (b) "Elderly person" means someone who is age 65 or older.
- (c) "Person with a disability" means someone age 18 or older who has a mental, physical, intellectual, or developmental disability that substantially impairs the person's ability to provide adequately for the person's own care or protection.

### 312.3.1 NOTIFICATION PROCEDURE

Notification should occur immediately and may be made orally or in writing. The report shall include (Tex. Hum. Res. Code § 48.051):

- (a) The basis of the member's knowledge of the alleged abuse.
- (b) The name, age and address of the adult victim.
- (c) The name and address of the person responsible for the adult victim's care.

- (d) The nature and extent of the adult victim's condition and injuries.

#### **312.3.2 ADDITIONAL NOTIFICATION**

In addition, a member shall notify APS within 48 hours when the member has reasonable cause to believe that a person was the victim of abuse or neglect as a child, and the disclosure of that information is necessary to protect the health or safety of an elderly person or person with a disability (Tex. Fam. Code § 261.101).

#### **312.4 QUALIFIED INVESTIGATORS**

Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult abuse investigations.
- (c) Present all cases of alleged adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

#### **312.5 INVESTIGATIONS AND REPORTING**

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.

### *Adult Abuse*

- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
- (j) Any information that indicates a victim or critical witness may suffer from a health condition that may warrant an expedited investigation/prosecution or the preservation of testimony under Tex. Code of Crim. Pro. art. 39.025.

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

#### **312.6 PROTECTIVE CUSTODY**

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to APS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

#### **312.7 INTERVIEWS**

##### **312.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

  - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

#### **312.8 MEDICAL EXAMINATIONS**

When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. The supervisor should consider other government agencies or services that may obtain a court order for such an examination.

#### **312.9 DRUG-ENDANGERED VICTIMS**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

##### **312.9.1 SUPERVISOR RESPONSIBILITIES**

The Criminal Investigations Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers and local prosecutors to develop community-specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

## **Discriminatory Harassment**

### **313.1 PURPOSE AND SCOPE**

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

### **313.2 POLICY**

The Aransas Pass Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights and privileges it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

### **313.3 DEFINITIONS**

Definitions related to this policy include:

#### **313.3.1 DISCRIMINATION**

Retaliation will not be tolerated.

#### 313.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

### 313.4 RESPONSIBILITIES

This policy applies to all department members, who shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Director of Human Resources, or the City Manager.

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Director of Human Resources, or the City Manager for further information, direction, or clarification.

#### **313.5.1 SUPERVISOR RESOLUTION**

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

#### **313.5.2 FORMAL INVESTIGATION**

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

#### **313.5.3 ALTERNATIVE COMPLAINT PROCESS**

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

### **313.6 DOCUMENTATION OF COMPLAINTS**

All complaints or allegations shall be thoroughly documented on the appropriate forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any question of jurisdiction.

### 317.1.1 DEFINITIONS

Definitions related to this policy include:

**Hate crime** - A crime motivated by prejudice based on actual or perceived race, color, religion, national origin, ethnicity, gender, sexual orientation, age, gender identity or expression, or disability of the victim. This includes status as a peace officer or judge (Tex. Code of Crim. Pro. art. 42.014).

## 317.3 PREVENTION AND PREPARATION

While it is recognized that not all crime can be prevented, this department is committed to taking a proactive approach to preventing and preparing for likely hate crimes by:

- (a) Making an affirmative effort to establish contact with persons and groups within the community who are likely targets of hate crimes, and forming networks that address prevention and response.
- (b) Providing victim assistance and community follow-up or identifying available resources to do so.
- (c) Educating community and civic groups about hate crime laws.

## 317.4 INVESTIGATIONS

Whenever any member of this department receives a report of a suspected hate crime or other activity that reasonably appears to involve a potential hate crime, the following should occur:

- (a) Assigned officers should promptly contact the victim, witness or reporting party to investigate the matter further, as circumstances may dictate.
- (b) A supervisor should be notified of the circumstances as soon as practicable.
- (c) Once the in-progress aspect of any such situation has been stabilized (e.g., treatment of victims or arrest of suspects at the scene), the assigned officers should take reasonable steps to preserve evidence that establishes a possible hate crime.
- (d) Based upon available information, officers should take appropriate action to mitigate further injury or damage to potential victims or the community.

- (h) The assigned officers should include all available evidence indicating the likelihood of a hate crime in the relevant reports. All related reports should be clearly marked "Hate Crime."
- (i) The assigned officers and supervisor should take reasonable steps to ensure that any such situation does not escalate further and should provide information to the victim regarding legal aid (Temporary Protective Order) through the courts or City Attorney.

#### **317.4.1 CRIMINAL INVESTIGATIONS DIVISION RESPONSIBILITIES**

#### **317.5 TRAINING**

All members of this department should receive training on hate crime recognition and investigation.

# Standards of Conduct

## **318.1 PURPOSE AND SCOPE**

This policy establishes standards of conduct that are consistent with the values and mission of the Aransas Pass Police Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member's supervisors.

## **318.2 POLICY**

The continued employment or appointment of every member of this department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

## **318.3 DIRECTIVES AND ORDERS**

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

### **318.3.1 UNLAWFUL OR CONFLICTING ORDERS**

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict will not be held accountable for disobedience of the lawful order or directive that was initially issued.

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

The purpose of this policy is to provide guidance to those members of the Department who complete investigations and reports as a part of their duties.

### 321.2 POLICY

It is the policy of the Aransas Pass Police Department that members shall act with promptness and efficiency in the preparation and processing of all reports. Reports shall document sufficient information to refresh the member's memory and shall provide enough detail for follow-up investigation and successful prosecution.

### 321.3 EXPEDITIOUS REPORTING

Incomplete reports, unorganized reports or reports that are delayed without supervisory approval are not acceptable. Reports shall be processed according to established priorities or to a special priority made necessary under exceptional circumstances.

### 321.4 REPORT PREPARATION

Reports should be sufficiently detailed for their purpose and free from errors prior to submission and approval. All reports shall accurately reflect the identity of the persons involved; all pertinent information seen, heard or assimilated by any other sense; and any actions taken. Members shall not suppress, conceal or distort the facts of any reported incident, nor shall any member make a false report orally or in writing. Generally, the reporting member's opinions should not be included in reports unless specifically identified as such.

#### 321.4.1 HANDWRITTEN OR TYPED REPORTS

Handwritten reports must be prepared legibly. If the report is not legible, the submitting member will be required by the reviewing supervisor to promptly make corrections and resubmit the report.

In general, the narrative portion of reports where an arrest is made or when there is a long narrative should be typed or dictated. Members who dictate reports shall use appropriate grammar, as the content is not the responsibility of the typist.

Members who generate reports on computers are subject to all requirements of this policy.

## Media Relations

### 322.1 PURPOSE AND SCOPE

This policy provides guidelines for the release of official department information to the media. It also addresses coordinating media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

### 322.2 POLICY

### 322.3 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police. In situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, Division Commanders, Shift Supervisors and designated Public Information Officers (PIOs) may prepare and release information to the media in accordance with this policy and applicable laws regarding confidentiality.

### 322.4 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of department members and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at a minimum, whether the release of information or the presence of the media would unreasonably endanger any individual or prejudice the rights of any person or is otherwise prohibited by law.

- (b) Media representatives should be prevented from interfering and may be removed for interfering with emergency operations and criminal investigations.
  - 1. Based upon available resources, reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should be coordinated through the PIO or other designated spokesperson.

# Outside Agency Assistance

## 325.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

## 325.2 POLICY

It is the policy of the Aransas Pass Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

## 325.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Shift Supervisor's office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this department, the Shift Supervisor may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance; however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this department will not ordinarily be booked at this department. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

### 325.3.1 AGREEMENTS

The Shift Supervisor should remain familiar with the existence of any interlocal contracts or agreements entered into between the Aransas Pass Police Department and surrounding agencies when considering requests for assistance (Tex. Local Gov't Code § 362.002; Tex. Gov't Code § 418.109; Tex. Gov't Code § 791.027).

### 325.3.2 INITIATED ACTIVITY

Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Aransas Pass Police Department shall notify his/her supervisor or the Shift Supervisor and Dispatch as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

#### *Outside Agency Assistance*

---

##### **325.4 REQUESTING OUTSIDE ASSISTANCE**

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

##### **325.5 REPORTING REQUIREMENTS**

Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in a general case report or as directed by the Shift Supervisor.

##### **325.6 MANDATORY SHARING**

Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administration Division Commander or the authorized designee.

The documentation should include:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
  - 1. The use of the equipment and supplies.
  - 2. The members trained in the use of the equipment and supplies.
- (c) Any other requirements for use of the equipment and supplies.

Copies of the documentation should be provided to Dispatch and the Shift Supervisor to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Training Coordinator should maintain documentation that the appropriate members have received the required training.

## Registered Offender Information

### 326.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Aransas Pass Police Department will address issues associated with certain offenders who are residing in the jurisdiction, and how the Department will disseminate information and respond to public inquiries for information about registered sex and terrorist offenders.

### 326.2 POLICY

It is the policy of the Aransas Pass Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

### 326.3 REGISTRATION

The Criminal Investigations Division supervisor shall establish a process to reasonably accommodate registration of offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the Department of Public Safety (DPS) in accordance with Chapter 62 and Chapter 65 of the Texas Code of Criminal Procedure.

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

No sex offender shall be registered within the City limits if the offender's registration address violates [Chapter 18, Article VII of the Aransas Pass Code of Ordinances](#).

#### 326.3.1 CONTENTS OF REGISTRATION

Members of the Aransas Pass Police Department who are responsible for registering offenders shall obtain and report the information required by DPS on the applicable form (Tex. Code of Crim. Pro. art. 62.051; Tex. Code of Crim. Pro. art. 65.051). Registration forms provided to an offender should comply with Tex. Code of Crim. Pro. art. 62.058 and Tex. Code of Crim. Pro. 65.056.

#### 326.3.2 PROOF OF IDENTITY

An offender is required to provide proof of the offender's identity and residence before a member of the Aransas Pass Police Department may verify the individual's registration form (Tex. Code of Crim. Pro. art. 62.051; Tex. Code of Crim. Pro. art. 65.051).

#### *Registered Offender Information*

---

##### **326.4 MONITORING OF REGISTERED OFFENDERS**

The Criminal Investigations Division supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an Internet search or drive-by of the declared residence.
- (b) Review of information on the DPS Sex Offender Registration Program website.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to DPS.

The Criminal Investigations Division supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Aransas Pass Police Department members, including timely updates regarding new or relocated registrants.

##### **326.5 DISSEMINATION OF PUBLIC INFORMATION**

Members will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Members who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on sex offender registrants should be directed to the DPS Sex Offender Registration Program website or the Aransas Pass Police Department's website.

The Records Manager shall release local registered sex offender information to residents in accordance with Tex. Code of Crim. Pro. art. 62.005 and in compliance with a Public Information Act request.

Information contained in the terrorist offender registration database is confidential and not subject to disclosure under the Texas Public Information Act (Tex. Code of Crim. Pro. 65.005). Members of the public requesting information on terrorist offender registrants should be directed to contact DPS.

##### **326.5.1 RELEASE NOTIFICATIONS FOR SEX OFFENDER INFORMATION**

Sex Offender registrant information that is released should include notification that:

- (a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.
- (b) The information is provided as a public service and may not be current or accurate.
- (c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.

- (d) The crime for which a person is convicted may not accurately reflect the level of risk.
- (e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.

#### 326.5.2 MANDATORY DISSEMINATION FOR SEX OFFENDER INFORMATION

The Criminal Investigations Division Supervisor shall make the following notifications regarding sex offender registrants:

- (a) Within eight days of receiving notice from a court, penal institution or parole/community supervision department that a person will be required to register as a sex offender with the Aransas Pass Police Department, notice shall be sent to each superintendent of a public school district and each administrator of a private primary or secondary school in the Aransas Pass Police Department's jurisdiction if one of the following conditions apply (Tex. Code of Crim. Pro. art. 62.054).
  - 1. The offense requiring registration of the individual involved a child enrolled in a public or private secondary school or a child less than 17 years of age.
  - 2. The registrant is a student in a public or private secondary school.

  - 1. Notice to each school within the district where the person will work or attend school.
  - 2. Notice to the administrative office of the school the individual is attending of any information obtained pursuant to Tex. Code of Crim. Pro. art. 62.005.

The notice sent to the school officials shall not contain the registrant's Social Security number, driver's license number, telephone number or any information that could identify the victim of the offense.

#### 326.5.3 ADDITIONAL DISSEMINATION OF SEX OFFENDER INFORMATION

If the Aransas Pass Police Department registers an individual who has been assigned a sex offender registration numeric risk level of three, the Chief of Police may authorize notice to the public in any manner determined to be appropriate (Tex. Code of Crim. Pro. art. 62.056). This may include any information that is available to the public under Chapter 62 of the Texas Code of Criminal Procedure through use of any of the following methods:

- (a) Publishing notice in a newspaper, periodical or circular in the area where the registrant intends to reside.
- (b) Holding a neighborhood meeting.
- (c) Posting notices in the area where the registrant intends to reside.

### 327.2 POLICY

The Aransas Pass Police Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

### *Major Incident Notification*

---

- Any other incident that has attracted or is likely to attract significant media attention

#### **327.4 SHIFT SUPERVISOR RESPONSIBILITIES**

The Shift Supervisor is responsible for making the appropriate notifications. The Shift Supervisor shall make reasonable attempts to obtain as much information on the incident as possible before notification, and shall attempt to make the notifications as soon as practicable. Notification should be made by using the call notification protocol posted in Dispatch.

##### **327.4.1 COMMAND STAFF NOTIFICATION**

In the event an incident occurs as identified in the Criteria for Notification section above, the Chief of Police shall be notified along with the affected Division Commander and the Criminal Investigations Division Commander if that division is affected.

##### **327.4.2 INVESTIGATOR NOTIFICATION**

If the incident requires that an investigator respond from home, the on-call detective shall be contacted. If the on-call detective cannot be reached or is unknown, the CID Captain should be contacted. The CID Captain will then contact the appropriate investigator. All matters requiring an investigator shall be cause for notification to all police department command staff.

CID will respond to the following incidents:

- Any incident in which a weapon was used in the commission of the offense and the offense is aggravated or felonious.
- Any felony incident in which there is the potential of recovering evidence of a crime.
- Any incident in which there is a large crime scene or in which scene process would take some time to accomplish.
- Any crime in which time is of the essence such as: Any suspicious, in custody, or felonious death, or sexual assault that occurred recently.

This is not an all-inclusive list. It is intended to be used as a guide. The investigator should use reasonable judgment when responding to a call out request. Likewise, remain familiar with what has been happening in the city. If there is a continuous string of incidents that appear to be linked or related, a response should be made to try and obtain evidence or information that could lead to an arrest and end the crime spree. If you find yourself thinking about it, that is a tell- tell sign that you should respond. It is better to respond and not be needed than to not respond when needed.

##### **327.4.3 PATROL DIVISION NOTIFICATION**

In the event of a major injury or traffic fatality, the Patrol Division supervisor shall be notified, who will then contact the appropriate investigator. The Patrol Division supervisor will notify the Patrol Commander.

##### **327.4.4 PUBLIC INFORMATION OFFICER (PIO)**

The Media Relations Officer for the department is the Chief of Police or his designee. All other employees shall not communicate with the media directly, unless specifically authorized by policy or the Chief of Police.

# Death Investigation

## 328.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers initially respond to and investigate the circumstances of a deceased person.

## 328.2 POLICY

It is the policy of the Aransas Pass Police Department to respond, document and investigate incidents where a person is deceased. Investigations involving the death of a person, including those from natural causes, accidents, workplace incidents, suicide and homicide, shall be initiated, conducted and properly documented.

## 328.3 INVESTIGATION CONSIDERATIONS

Emergency medical services shall be called in all suspected death cases unless death is obvious (e.g., decapitated, decomposed).

A supervisor shall be notified as soon as possible to assist and provide appropriate personnel and resources. The on-scene supervisor should determine whether follow-up investigation is required and notify the Criminal Investigations Division Commander as necessary. The Shift Supervisor will make notification to command staff in accordance with the Major Incident Notification Policy.

### 328.3.1 REPORTING

All incidents involving a death shall be documented on the appropriate form.

### 328.3.2 MEDICAL EXAMINER REQUEST

Officers are not authorized to pronounce death unless they are also Medical Examiners, Deputy Medical Examiners or appointed Medical Examiner investigators. The Medical Examiner shall be called in all sudden or unexpected deaths or deaths due to other than natural causes. The Medical Examiner may also be called anytime officers reasonably believe the Medical Examiner should investigate the death. State law requires that the Medical Examiner be notified when a person dies (Tex. Code of Crim. Pro. art. 49.04; Tex. Code of Crim. Pro. art. 49.05; Tex. Code of Crim. Pro. art. 49.18; Tex. Code of Crim. Pro. art. 49.25):

- (b) An officer may make a reasonable search of an individual who it is reasonable to believe is dead, or near death, for the purpose of identification or for information identifying the individual as an anatomical donor. If a donor document is located, the Medical Examiner or his/her assistant shall be promptly notified.
- (c) The Medical Examiner, with the permission of the Department, may take property, objects or articles found on the deceased or in the immediate vicinity of the deceased that may be necessary for conducting an investigation to determine the identity of the deceased or the cause or manner of death.
- (d) Should exigent circumstances indicate to an officer that any other search of a known dead body is warranted prior to the arrival of the Medical Examiner or his/her assistant, the investigating officer should first obtain verbal consent from the Medical Examiner or his/her assistant when practicable.
- (e) Whenever reasonably possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain nearby the scene and available to the officer pending the arrival of the Medical Examiner or his/her assistant. The name and address of this person shall be included in the narrative of the death report.
- (f) Whenever personal effects are removed from the body of the deceased by the Medical Examiner or his/her assistant, a receipt shall be obtained. This receipt shall be attached to the death report.

#### 328.3.4 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the officer shall take steps to protect the scene. The Criminal Investigations Division shall be notified to determine the possible need for an investigator to respond to the scene.

If the on-scene supervisor, through consultation with the Shift Supervisor or Criminal Investigations Division supervisor, is unable to determine the manner of death, the investigation shall proceed as though it is a homicide.

#### **328.3.5 EMPLOYMENT-RELATED DEATHS OR INJURIES**

Any member of this department who responds to and determines that a death, serious illness or serious injury has occurred as a result of an accident at or in connection with the victim's employment should ensure that the regional Occupational Safety and Health Administration (OSHA) office is notified of all pertinent information.

#### **328.4 UNIDENTIFIED DEAD BODY**

If the identity of a dead body cannot be established, the handling officer will request from the Medical Examiner a unique identifying number for the body. The number shall be included in any report.

##### **328.4.1 UNIDENTIFIED BODIES DATA ENTRY**

No later than 10 working days after the date a death is reported to the Department, all available identifying features of the unidentified body, including dental records, fingerprints, any unusual physical characteristics and a description of clothing or personal belongings found on or with the body shall be entered into the Texas Department of Public Safety's Missing Children and Missing Persons Clearinghouse and the National Crime Information Center file (Tex. Code of Crim. Pro. art. 63.009).

#### **328.5 DEATH NOTIFICATION**

When reasonably practicable, and if not handled by the Medical Examiner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification.

If a deceased person has been identified as a missing person, this department shall attempt to locate family members and inform them of the death and location of the deceased missing person's remains. All efforts to locate and notify family members shall be recorded in appropriate reports.

#### **328.6 RIGHT OF A PARENT OF DECEASED PERSON TO VIEW PERSON'S BODY**

Members investigating a person's death shall permit a parent to view the person before the Medical Examiner assumes control over the body, when practicable. If the Medical Examiner has already assumed control over the body before the parent has requested to see the person's body, the investigating member should facilitate obtaining the Medical Examiner's consent for the parent to view the body (Tex. Code of Crim. Pro. art. 49.52).

If the person's death is subject to an inquest pursuant to Tex. Code of Crim. Pro. art. 49.04 or Tex. Code of Crim. Pro. art. 49.25, the viewing of the person's body is subject to the following conditions (Tex. Code of Crim. Pro. art. 49.52):

# Identity Theft

## 329.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of identity theft.

## 329.2 POLICY

It is the policy of the Aransas Pass Police Department to effectively investigate cases of identity theft.

## 329.3 ACCEPTANCE OF REPORTS

A report should be taken any time a person living within the jurisdiction of the Aransas Pass Police Department reports that he/she has been a victim of identity theft. This includes:

- (a) Taking a report even if the location of the crime is outside the jurisdiction of this department or has not been determined.
- (b) Providing the victim with department information, as set forth in the Victim and Witness Assistance Policy. Encourage the individual to review the material, and assist with any questions.

A report should also be taken if a person living outside the department jurisdiction reports an identity theft that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in Aransas Pass to facilitate the crime).

### 329.3.1 CONTENT OF REPORT

Officers investigating an incident of identity theft shall include in their report (Tex. Code of Crim. Pro. art. 2.29; Tex. Code of Crim. Pro. art 2.295):

- (a) The name of the victim.
- (b) The name of the suspects, if known.
- (c) The type of identifying or financial information obtained, possessed, transferred or used.
- (d) The results of any investigation.

Upon request, a copy of the report shall be provided to the victim (Tex. Code of Crim. Pro. art. 2.29; Tex. Code of Crim. Pro. art 2.295).

### 329.3.2 SPECIFIC VICTIM INFORMATION

Officers should make a notation in the report narrative if the victim is an elderly individual, as defined by Tex. Penal Code § 22.04, since the penalty for offenses committed against an elderly individual is enhanced (Tex. Penal Code § 32.51).

## 329.4 FOLLOW-UP INVESTIGATION

## Private Person's Arrest

### 330.1 PURPOSE AND SCOPE

This policy provides guidance for the handling and acceptance of a private person's arrest.

### 330.2 POLICY

It is the policy of the Aransas Pass Police Department to accept a private person's arrest only when legal and appropriate.

### 330.3 ARRESTS BY PRIVATE PERSON

A private person may arrest another under the following circumstances:

- (a) When an offense is committed in the private person's presence or within their view and if the offense is one classed as a felony or as an offense against the public peace (Tex. Code of Crim. Pro. art. 14.01).
- (b) When the person has reasonable grounds to believe property is stolen (Tex. Code of Crim. Pro. art. 18.16).
  - 1. The person must bring the person suspected of committing the theft and the property before a magistrate or to a police officer for the purpose of examination.
- (c) When the person reasonably believes that another has stolen or is attempting to steal property (Tex. Civ. Prac. & Rem. Code § 124.001).
  - 1. The person may detain that person in a reasonable manner and for a reasonable time to investigate ownership of the property.

### 330.4 OFFICER RESPONSIBILITIES

An officer confronted with a person claiming to have made a private person's arrest should determine whether such an arrest is lawful.

If the officer determines that the private person's arrest is unlawful, the officer should:

- (a) Take no action to further detain or restrain the arrested individual, unless there is independent justification for continuing a detention.
- (b) Advise the parties that the arrest will not be accepted but the circumstances will be documented in a report.
- (c) Document the incident, including the basis for refusing to accept custody of the individual.

Whenever an officer determines that a private person's arrest is justified, the officer may take the individual into custody and proceed in the same manner as with any other arrest.

### 330.5 PRIVATE PERSON'S ARREST FORM

The arresting person should be asked to complete and sign a private person's arrest form or provide a sworn statement. If the person fails or refuses to do so, the arrested individual should

## Limited English Proficiency Services

### 331.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

#### 331.1.1 DEFINITIONS

Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

**Limited English proficiency (LEP) individual** - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still exhibit LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

**Qualified bilingual member** - A member of the Aransas Pass Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

### 331.2 POLICY

It is the policy of the Aransas Pass Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

### 331.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP coordinator. The coordinator shall be appointed by, and directly responsible to, the Patrol Division Commander or the authorized designee.

The responsibilities of the coordinator include, but are not limited to:

---

- (a) Coordinating and implementing all aspects of the Aransas Pass Police Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Supervisor and Communications Manager. The list should include information regarding:
  - 1. Languages spoken.
  - 2. Contact information.
  - 3. Availability.
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and data from community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by this department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of this department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, developing new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **331.4 FOUR-FACTOR ANALYSIS**

Because there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of the following four factors, which are:

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

Aransas Pass Police Policy Manual (new)

### *Limited English Proficiency Services*

---

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of this department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

#### **331.5 TYPES OF LEP ASSISTANCE AVAILABLE**

Aransas Pass Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

#### **331.6 WRITTEN FORMS AND GUIDELINES**

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

#### **331.7 AUDIO RECORDINGS**

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

#### **331.8 QUALIFIED BILINGUAL MEMBERS**

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

### Aransas Pass Police Policy Manual (new)

#### *Limited English Proficiency Services*

---

When a qualified bilingual member from this department is not available, personnel from other City departments who have been identified by the Department as having the requisite skills and competence may be requested.

#### **331.9 AUTHORIZED INTERPRETERS**

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP coordinator that demonstrates their skills and abilities in the following areas:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

##### **331.9.1 SOURCES OF AUTHORIZED INTERPRETERS**

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

##### **331.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE**

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

##### **331.10 CONTACT AND REPORTING**

Although all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation that involves a situation in which interpretation services were provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

##### **331.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE**

The Aransas Pass Police Department will take reasonable steps and will work with the Human Resources Department to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

###### **331.11.1 EMERGENCY CALLS TO 9-1-1**

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in Dispatch, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

---

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

Although 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

#### **331.12 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

#### **331.13 INVESTIGATIVE FIELD INTERVIEWS**

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

##### **331.14 CUSTODIAL INTERROGATIONS**

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

To ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

##### **331.15 BOOKINGS**

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, to protect the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

##### **331.16 COMPLAINTS**

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during a complaint investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

##### **331.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

##### **331.18 TRAINING**

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Coordinator shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Coordinator shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with the established records retention schedule.

#### 331.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Coordinator shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

# Communications with Persons with Disabilities

## 332.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

### 332.1.1 DEFINITIONS

Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

**Disability or impairment** – A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the person with a disability uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

**Qualified interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters. Qualified interpreters should hold a current certification issued by the Board for Evaluation of Interpreters or another current certificate approved by the Department of Assistance and Rehabilitative Services (Tex. Hum. Res. Code § 82.001).

## 332.2 POLICY

It is the policy of the Aransas Pass Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees, have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

## 332.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA coordinator (28 CFR 35.107) or employ a service in lieu of a delegate. The coordinator or service shall be appointed by and directly responsible to the Executive Assistant of the Chief of Police or the authorized designee.

The responsibilities of the coordinator include, but are not limited to:

- (a) Working with the City ADA coordinator regarding the Aransas Pass Police Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports or new procedures or recommending modifications to this policy.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

### *Communications with Persons with Disabilities*

---

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Supervisor and Communications Manager. The list should include information regarding:
  - 1. Contact information.
  - 2. Availability.
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas indicating that auxiliary aids are available free of charge to individuals with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **332.4 FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure persons with disabilities have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate his/her understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

#### **332.5 INITIAL AND IMMEDIATE CONSIDERATIONS**

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

### Aransas Pass Police Policy Manual (new)

#### *Communications with Persons with Disabilities*

---

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, is hard of hearing or has impaired speech must be handcuffed while in the custody of the Aransas Pass Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

#### **332.6 TYPES OF ASSISTANCE AVAILABLE**

Aransas Pass Police Department members shall never refuse an available service to an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall it require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to persons with disabilities through a variety of services.

A person with a disability may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

##### **332.7 AUDIO RECORDINGS AND ENLARGED PRINT**

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form (e.g., a personnel complaint form) or provide forms with enlarged print.

##### **332.8 QUALIFIED INTERPRETERS**

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee) if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who has a disability shall be required to provide his/her own interpreter (28 CFR 35.160).

##### **332.9 TTY AND RELAY SERVICES**

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, are hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

#### **332.10 COMMUNITY VOLUNTEERS**

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

#### **332.11 FAMILY AND FRIENDS**

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

#### **332.12 REPORTING**

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

#### **332.13 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and court orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

## Aransas Pass Police Policy Manual (new)

### Aransas Pass Police Policy Manual (new)

#### *Communications with Persons with Disabilities*

---

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

#### **332.13.1 FIELD RESOURCES**

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, is hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

#### **332.14 CUSTODIAL INTERROGATIONS**

In an effort to ensure that the rights of individuals who are deaf, are hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

#### **332.15 ARRESTS AND BOOKINGS**

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, are hard of hearing, have impaired speech or vision, are blind or have other disabilities. In the interest of the arrestee's health and welfare, to protect the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

#### **332.16 COMPLAINTS**

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the ADA coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this department unless they are the investigator in charge of completing the internal investigation.

#### **332.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

#### **332.18 TRAINING**

To ensure that all members who may have contact with persons with disabilities are properly trained, the Department will provide periodic training that should include:

The Training Coordinator shall maintain records of all training provided and will retain a copy in each member's training file in accordance with the established records retention schedule.

The Training Coordinator shall ensure that the Texas Commission on Law Enforcement (TCOLE) training related to deaf or hard of hearing drivers is provided to officers (Tex. Occ. Code § 1701.253).

#### 332.18.2 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, are hard of hearing or have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls and using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all Dispatch members who may have contact with individuals from the public who are deaf, are hard of hearing or have impaired speech. Refresher training should occur every six months.

# Public Safety Video Surveillance System

## 334.1 PURPOSE AND SCOPE

This policy provides guidance for the placement and monitoring of department public safety video surveillance, as well as the storage and release of the captured images.

This policy only applies to overt, marked public safety video surveillance systems operated by the Department. It does not apply to mobile audio/video systems, covert audio/video systems or any other image-capturing devices used by the Department.

## 334.2 POLICY

The Aransas Pass Police Department operates a public safety video surveillance system to complement its anti-crime strategy, to effectively allocate and deploy personnel, and to enhance public safety and security in public areas. Cameras may be placed in strategic locations throughout the City to detect and deter crime, to help safeguard against potential threats to the public, to help manage emergency response situations during natural and man-made disasters and to assist City officials in providing services to the community.

Video surveillance in public areas will be conducted in a legal and ethical manner while recognizing and protecting constitutional standards of privacy.

## 334.3 OPERATIONAL GUIDELINES

Only department-approved video surveillance equipment shall be utilized. Members authorized to monitor video surveillance equipment should only monitor public areas and public activities where no reasonable expectation of privacy exists. The Chief of Police or the authorized designee shall approve all proposed locations for the use of video surveillance technology and should consult with and be guided by legal counsel as necessary in making such determinations.

### 334.3.1 PLACEMENT AND MONITORING

Camera placement will be guided by the underlying purpose or strategy associated with the overall video surveillance plan. As appropriate, the Chief of Police should confer with other affected City divisions and designated community groups when evaluating camera placement. Environmental factors, including lighting, location of buildings, presence of vegetation or other obstructions, should also be evaluated when determining placement.

Cameras shall only record video images and not sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high-value or high-threat areas. The public safety video surveillance system may be useful for the following purposes:

- (a) To prevent, deter and identify criminal activity.
- (b) To target identified areas of gang and narcotics complaints or activity.
- (c) To respond to critical incidents.
- (d) To assist in identifying, apprehending and prosecuting offenders.

- (e) To document officer and offender conduct during interactions to safeguard the rights of the public and officers.
- (f) To augment resources in a cost-effective manner.
- (g) To monitor pedestrian and vehicle traffic activity.

Images from each camera should be recorded in a manner consistent with the underlying purpose of the particular camera. Images should be transmitted to monitors installed in the Dispatch. When activity warranting further investigation is reported or detected at any camera location, the available information should be provided to responding officers in a timely manner. The Shift Supervisor or trained Dispatch personnel are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose.

The Chief of Police may authorize video feeds from the public safety video surveillance system to be forwarded to a specified location for monitoring by other than police personnel, such as allied government agencies, road or traffic crews, or fire or emergency operations personnel.

Unauthorized recording, viewing, reproduction, dissemination or retention of anything documented by public safety surveillance equipment is prohibited.

#### **334.3.2 INTEGRATION WITH OTHER TECHNOLOGY**

The Department may elect to integrate its public safety video surveillance system with other technology to enhance available information. Systems such as gunshot detection, incident mapping, crime analysis, license plate recognition, facial recognition and other video-based analytical systems may be considered based upon availability and the nature of department strategy.

The Department should evaluate the availability and propriety of networking or otherwise collaborating with appropriate private sector entities and should evaluate whether the use of certain camera systems, such as pan-tilt-zoom systems, video enhancement or other analytical technology, requires additional safeguards.

#### **334.4 VIDEO SUPERVISION**

Supervisors should monitor video surveillance access and usage to ensure members follow department policy and applicable laws. Supervisors should ensure such use and access is appropriately documented.

##### **334.4.1 VIDEO LOG**

A log should be maintained at all locations where video surveillance monitors are located. The log should be used to document all persons not assigned to the monitoring locations who have been given access to view or monitor images provided by the video surveillance cameras. The logs should, at a minimum, record the:

- (a) Date and time access was given.
- (b) Name and agency of the person being given access to the images.

- (d) Identifiable portion of images viewed.

#### **334.4.2 PROHIBITED ACTIVITY**

Public safety video surveillance systems will not intentionally be used to invade the privacy of individuals or observe areas where a reasonable expectation of privacy exists.

Public safety video surveillance equipment shall not be used in an unequal or discriminatory manner and shall not target individuals or groups based solely on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.

Video surveillance equipment shall not be used to harass, intimidate, or discriminate against any individual or group.

#### **334.5 STORAGE AND RETENTION OF MEDIA**

All downloaded media shall be stored in a secure area with access restricted to authorized persons. A recording needed as evidence shall be copied to a suitable medium and booked into evidence in accordance with established evidence procedures. All actions taken with respect to retention of media shall be appropriately documented.

The type of video surveillance technology employed and the manner in which recordings are used and stored will affect retention periods. The recordings should be stored and retained in accordance with the established records retention schedule.

#### **334.5.1 EVIDENTIARY INTEGRITY**

All downloaded and retained media shall be treated in the same manner as other evidence. Media shall be accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, digital masking of innocent or uninvolved individuals to preserve anonymity, authenticity certificates and date and time stamping shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.

#### **334.6 RELEASE OF VIDEO IMAGES**

All recorded video images gathered by the public safety video surveillance equipment are for the official use of the Aransas Pass Police Department.

Requests for recorded video images from the public or the media shall be processed in the same manner as requests for department public records.

Requests for recorded images from other law enforcement agencies shall be referred to the Shift Supervisor for release in accordance with a specific and legitimate law enforcement purpose.

Recorded video images that are the subject of a court order or subpoena shall be processed in accordance with the established department subpoena process.

##### **334.7 VIDEO SURVEILLANCE AUDIT**

The Chief of Police or the authorized designee will conduct an annual review of the public safety video surveillance system. The review should include an analysis of the cost, benefit and effectiveness of the system, including any public safety issues that were effectively addressed or any significant prosecutions that resulted, and any systemic operational or administrative issues that were identified, including those related to training, discipline or policy.

The results of each review shall be appropriately documented and maintained by the Chief of Police or the authorized designee and other applicable advisory bodies. Any recommendations for training or policy should be promptly addressed.

##### **334.8 TRAINING**

All department members authorized to operate or access public safety video surveillance systems shall receive appropriate training. Training should include guidance on the use of cameras, interaction with dispatch and patrol operations and a review regarding relevant policies and procedures, including this policy. Training should also address state and federal law related to the use of video surveillance equipment and privacy.

## Child and Dependent Adult Safety

### 335.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Adult Abuse policies.

### 335.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Aransas Pass Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

### 335.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should consider reasonable alternatives to arresting a parent, guardian or caregiver in the presence of his/her child or dependent adult.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

#### 335.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

### *Child and Dependent Adult Safety*

---

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
  - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence that it would not be in the dependent person's best interest (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
  - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Department of Family and Protective Services (DFPS) or the Department of Aging and Disability Services, if appropriate.
- (e) Notify the field supervisor or Shift Supervisor of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

#### 335.3.2 DURING THE BOOKING PROCESS

During the booking process, the arrestee should be allowed to make telephone calls to arrange for the care of any child or dependent adult in accordance with the Temporary Custody of Adults Policy.

If an arrestee is unable to arrange for the care of any child or dependent adult through this process, or circumstances prevent them from making such arrangements (e.g., their behavior prevents reasonable accommodations for making necessary calls), a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

##### 335.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Special needs (e.g., medical, mental health)
  - 5. How, where and with whom or which agency the child was placed
  - 6. Identities and contact information for other potential caregivers
  - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Whether the person reasonably appears able to care for him/herself
  - 5. Disposition or placement information if he/she is unable to care for him/herself

##### 335.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis response telephone number, the appropriate referral information may be provided.

#### **335.4 DEPENDENT WELFARE SERVICES**

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service agency to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked law enforcement vehicle or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

## Service Animals

### 336.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

#### 336.1.1 DEFINITIONS

Definitions related to this policy include:

**Service animal** - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

### 336.2 POLICY

It is the policy of the Aransas Pass Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

### 336.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.

---

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

#### **336.4 MEMBER RESPONSIBILITIES**

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Aransas Pass Police Department affords to all members of the public (28 CFR 35.136).

##### **336.4.1 INQUIRY**

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

##### **336.4.2 CONTACT**

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

##### **336.4.3 REMOVAL**

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services that are reasonably available to an individual with a disability, with or without a service animal.

#### 336.4.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

# Volunteers

## 337.1 PURPOSE AND SCOPE

This policy establishes the guidelines for Aransas Pass Police Department volunteers to supplement and assist department personnel in their duties. Trained volunteers are members who can augment department personnel and help complete various tasks.

This may include unpaid chaplains, unpaid reserve officers, interns, persons providing administrative support, and youth involved in a law enforcement Explorer Post, among others.

## Off-Duty Law Enforcement Actions

### 339.1 PURPOSE AND SCOPE

This policy is intended to provide guidelines for officers of the Aransas Pass Police Department with respect to taking law enforcement action while off-duty.

### 339.2 POLICY

It is the policy of the Aransas Pass Police Department that officers generally should not initiate law enforcement action while off-duty. Officers are not expected to place themselves in unreasonable peril and should first consider reporting and monitoring the activity. However, any officer who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage or loss, may take reasonable action to minimize or eliminate the threat.

In order to remain prepared to take reasonable action while off-duty in accordance with this policy, full-time officers are encouraged to remain armed and equipped with the basic necessary equipment of their choosing. Additionally, officers are encouraged to seek approval to fly armed while off-duty and flying outside of normal working situations.

### 339.3 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. Officers should consider waiting for on-duty uniformed peace officers to arrive instead of immediately intervening and, while waiting, gather as much accurate intelligence as possible. However, if an officer decides to intervene, he/she must evaluate whether the action is necessary or desirable, and should take into consideration:

- (a) The potential to be misidentified by other peace officers.
- (b) The potential to be misidentified by members of the public, who may be armed or who may take action.
- (c) The tactical disadvantage of being alone and the possibility of multiple or hidden suspects.
- (d) Limited off-duty firearms capabilities and ammunition.
- (e) The inability to communicate with responding peace officers.
- (f) The lack of equipment, such as body armor, handcuffs or control devices.
- (g) Unfamiliarity with the surroundings, including escape routes.
- (h) The potential for increased risk to bystanders by confronting a suspect or taking action.

#### 339.3.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. If possible, the dispatcher receiving the call should obtain

a description of the off-duty officer from the caller and broadcast that information to responding officers.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an officer with the Aransas Pass Police Department until acknowledged. Official identification should also be displayed when possible.

#### **339.4 CONSIDERATIONS**

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she is working in an undercover capacity.

##### **339.4.1 CIVILIAN RESPONSIBILITIES**

Civilian members should not become involved in any law enforcement action while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

##### **339.4.2 INCIDENTS OF PERSONAL INTEREST**

Department members should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances members should call the responsible agency to handle the matter.

#### **339.5 REPORTING**

If prior notification to the appropriate local law enforcement agency is not reasonably possible before taking action, the officer shall notify the agency as soon as reasonably practicable. Officers shall cooperate fully with the agency having jurisdiction by providing statements or reports as requested or as appropriate.

Officers shall notify the Shift Supervisor regarding any law enforcement action taken while off-duty. The Shift Supervisor may send a supervisor to the location. The supervisor may request assistance from the Administration Division, if deemed appropriate.

The Shift Supervisor shall determine whether a crime report or an administrative report should be completed by the involved officer.

## Flash/Noise Distraction Devices (FNDD)

### 341.1 PURPOSE

The purpose of this Standard Operating Procedure is to provide for training requirements, criteria for use, restrictions, transport, required documentation and secure storage of Flash/Noise Distraction Devices (FNDD).

### 341.2 POLICY

It is the policy of the Aransas Pass Police Department to utilize flash/ noise distraction devices whenever a diversion is deemed necessary to help to resolve certain situations. Such situations include, but are not limited to;

- Hostage/ barricade situations;
- Search warrant executions;
- Arrest Warrant Execution
- Other situations where the use of a distraction device would aid in the successful outcome of an approved enforcement action.

Only agency approved devices may be used, and only trained personnel are authorized to deploy the devices. The departments training unit is responsible for training.

Employment of the devices must be approved at the division officer level.

Distraction devices will not normally be deployed when the presence of children or elderly is suspected.

In extreme cases, where the danger associated with the deployment of distraction devices outweighs the possible danger associated with the deployment, a risk analysis will be conducted before use is authorized.

The current, authorized devices for use are the IWA International M11 Thermobaric Multi-Bang and the M13 Thermobaric devices. These devices are not classified as destructive devices and do not generate the same level of noise and flash of a true FNDD.

Deployment of pyrotechnics involves some level of risk. There is a risk of fire and injury from ejecta.

### 341.3 PROCEDURE - CRITERIA FOR USE

Distraction devices are used to temporarily draw attention away from an entry team and do not possess the intensity required to disorient/ disable dangerous individuals.

Generally, distraction devices may be used whenever a diversion is needed to enable an entry or an arrest be made. Situations include:

1. Subject is known or suspected to be armed or has access to a weapon;
2. Subject has made threats to use force or violence against the police, rivals, trespassers, etc.;

#### **341.4 TACTICAL CONSIDERATIONS (DEPLOYMENT)**

Deployment considerations:

1. Deployment location
2. Use of multiple devices;
3. Avoid deployment into know bathrooms (water compression);
4. Avoid areas commonly used by children;
5. Consider type of utilities servicing the structure for interior deploys;
6. Avoid areas commonly occupied be elderly persons who may have oxygen present;

2. Deployment to areas that are known to present a fire or explosion hazard (drug manufacturing locations, hazardous material storage areas).

#### **341.5 TRANSPORT**

Devices are transported in agency vehicles in a deployment kit. The devices are issued to officers prior to an operation.

#### **341.6 SECURE STORAGE & MONTHLY INVENTORY**

The deployment kit will contain 4 distraction devices. The kit itself will be secured with a tamper evident seal and be stored in a secure area available to supervisors for emergency deployment.

The remainder of stock shall be stored in the secure locker. Both will be inventoried monthly.

#### **341.7 TRAINING**

Department staff shall receive training on how to properly deploy the distraction device.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action.

Generally, officers should consider seeking compliance through advisements and warnings for minor violations, and should reserve greater enforcement options for more serious violations or when voluntary compliance with the law is not achieved.

Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety concerns.

In the event that an investigation is initiated against an officer or staff member for a violation of this policy, the Patrol Division Commander should ensure that a copy of any related recording is provided as soon as practicable to the employee upon written request (Tex. Code of Crim. Pro. art. 2.132).

# Crime and Disaster Scene Integrity

## 403.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

## 403.2 POLICY

It is the policy of the Aransas Pass Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

## 403.3 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, it shall be maintained until the officer is properly relieved by a supervisor or other designated person.

## 403.4 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

## 403.5 SEARCHES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat.

#### *Crime and Disaster Scene Integrity*

---

Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

##### **403.5.1 CONSENT**

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

##### **403.6 ENFORCING HEALTH ORDERS**

When the Department of Health or a health authority has ordered a group of five or more individuals who have been exposed to or infected with a communicable disease to implement control measures to prevent the spread of the disease, officers have authority to secure the members of the group and to prevent the members from leaving the group or others from joining the group (Tex. Health & Safety Code § 81.083). In addition, when an area quarantine has been imposed by the Department of Health or a health authority, officers have authority to secure the area and to prevent individuals from entering or leaving the quarantine area (Tex. Health & Safety Code § 81.085).

## Ride-Alongs

### 404.1 PURPOSE AND SCOPE

Ride-along opportunities will be provided to the members of the public, City employees and members of this department to observe and experience, first-hand, various functions of the Aransas Pass Police Department. The term "ride-along" includes riding as a passenger with an officer on patrol or observing the work day of members engaged in other functions within the Department, such as Dispatch.

### 404.3 ELIGIBILITY

A ride-along is available to Aransas Pass residents and business owners, students currently attending class in Aransas Pass and those employed within the City of Aransas Pass. Efforts will be made to accommodate all interested persons. However, any applicant may be disqualified without cause from participating.

Factors that may be considered in disqualifying an applicant include, but are not limited to:

- Being under 15 years of age.
- Prior criminal history.
- Pending criminal action.
- Pending lawsuit against this department or the city.
- Denial by any supervisor.

### 404.4 AVAILABILITY

A ride-along or job observation is available most days of the week, from 0000 hours to 2359 hours. Exceptions to this schedule may be made as approved by the Chief of Police or Shift Supervisor.

### 404.5 REQUESTS TO PARTICIPATE

Generally, ride-along and job observation requests will be maintained and scheduled by the Shift Supervisor. The applicant will complete and sign a ride-along or job observation waiver form. If the applicant is under 18 years of age, a parent or guardian must be present to complete the waiver form. Information requested will include a valid state-issued identification card or driver's license number, birthdate, address and telephone number.

The Shift Supervisor will schedule a date, based on availability, generally one week after the date of application. If approved, a copy of the waiver form will be forwarded to the appropriate division as soon as possible for scheduling considerations.

- Explorers
- Volunteers
- Chaplains
- Reserves
- Aransas Pass Police Department applicants
- Any others with approval of the Shift Supervisor

An effort will be made to ensure that no more than one member of the public will participate in a ride-along or job observation during any given time period. Normally, no more than one ride-along participant will be allowed in department vehicles at a given time.

Ride-along requirements for department Explorers are covered in the Explorers Policy.

##### **404.6.1 OFF-DUTY PARTICIPATION**

Off-duty members of this department or any other law enforcement agency, and employees of the City, will not be permitted to participate in a ride-along with on-duty members of this department without the express consent of the Shift Supervisor.

In the event that such participation is permitted, the off-duty department member, other law enforcement agency personnel or City employee shall not:

- (a) Be considered on-duty.
- (b) Represent him/herself as a member of this department or any other law enforcement agency.
- (c) Participate in any law enforcement activity except as emergency circumstances may require.

##### **404.6.2 CRIMINAL HISTORY CHECK**

##### **404.6.3 SUITABLE ATTIRE**

Any person approved to participate in a ride-along is required to be suitably dressed in a collared shirt, blouse or jacket, slacks and shoes. Sandals, t-shirts, tank tops, shorts and ripped or torn pants are not permitted. Hats and ball caps will not be worn without the express consent of the

Shift Supervisor. The Shift Supervisor or a supervisor may refuse a ride-along to anyone who is not dressed appropriately.

#### **404.7 MEMBER RESPONSIBILITIES**

The assigned department member shall consider the safety of the ride-along or job observation participant at all times. The member shall maintain control over the participant and shall instruct the individual about the conditions that necessarily limit his/her participation. Instructions should include:

- (a) The participant will follow the directions of the department member.
- (b) The participant will not become involved in any investigation, handling of evidence, discussions with victims or suspects, reading an individual's criminal history or other protected information, or handling any police department equipment.
- (c) Participation may be terminated at any time by the member if the participant interferes with the performance of the member's duties.
  - 1. If the ride-along is in progress, the member may return the participant to the point the ride originated.
- (d) Participants may be allowed to continue a ride-along during the transportation and booking process, provided it does not jeopardize their safety.
- (e) Members will not allow participants to be present in any location or situation that would jeopardize the participant's safety or cause undue stress or embarrassment to a victim or any other member of the public.
- (f) Participants who are not law enforcement officers shall not be permitted to accompany the department member into a private residence without the express consent of the resident or other authorized person.

The member assigned to provide a ride-along shall advise the telecommunications operator that a ride-along participant is present in the vehicle before going into service. An officer with a ride-along participant should use sound discretion when encountering a potentially dangerous situation, such as a high-speed pursuit and, if feasible, let the participant out of the vehicle in a well-lit public place. The telecommunications operator will be advised of the situation and as soon as practicable have another department member respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride, or is otherwise inappropriate, should be immediately reported to the Shift Supervisor. The member should enter comments regarding the reasons for terminating the ride-along on the waiver form.

Upon completion of the ride-along, the member shall return the waiver form to the Shift Supervisor.

# Hazardous Material Response

## 405.1 PURPOSE AND SCOPE

Exposure to hazardous materials presents potential harm to department members and the public. This policy outlines the responsibilities of members who respond to these events and the factors that should be considered while on-scene, including the reporting of exposures and supervisor responsibilities.

### 405.1.1 DEFINITIONS

Definitions related to this policy include:

**Hazardous material** - A substance which, by its nature, containment or reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

## 405.2 POLICY

It is the policy of the Aransas Pass Police Department to respond to hazardous material emergencies with due regard for the safety of the public and those members responding to such incidents.

## 405.3 HAZARDOUS MATERIAL RESPONSE

Members may encounter situations involving suspected hazardous materials, such as at the scene of a traffic collision, chemical spill, or fire. When members come into contact with a suspected hazardous material, they should take certain steps to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond to and mitigate most incidents involving hazardous materials and biohazards.

Responders should not perform tasks or use equipment without proper training. A responder entering the area may require decontamination before the responder is allowed to leave the scene, and should be evaluated by appropriate technicians and emergency medical services personnel for signs of exposure.

The Texas Department of Public Safety (DPS) will be responsible for on-site coordination of transportation emergencies for all unincorporated areas and may assume the on-site coordination role within cities when requested to do so by local government (37 Tex. Admin. Code § 4.2).

## 405.4 CONSIDERATIONS

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Make the initial assessment of a potentially hazardous material from a safe distance.
- (b) Notify Dispatch, appropriate supervisors, the appropriate fire department and hazardous response units.

#### *Hazardous Material Response*

---

1. Provide weather conditions, wind direction, a suggested safe approach route and any other information pertinent to responder safety.
- (c) Wear personal protective equipment (PPE), being cognizant that some hazardous material can be inhaled.
- (d) Remain upwind, uphill and at a safe distance, maintaining awareness of weather and environmental conditions, until the material is identified and a process for handling has been determined.
- (e) Attempt to identify the type of hazardous material from a safe distance using optical aids (binoculars or spotting scopes) if they are available. Identification can be determined by:
  1. Placards or use of an emergency response guidebook.
  2. Driver's statements or shipping documents from the person transporting the material.
  3. Information obtained from any involved person with knowledge regarding the hazardous material. Information should include:
    - (a) The type of material.
    - (b) How to secure and contain the material.
    - (c) Any other information to protect the safety of those present, the community and the environment.
- (f) Provide first aid to injured parties if it can be done safely and without contamination.
- (g) Make reasonable efforts to secure the scene to prevent access from unauthorized individuals and to protect and identify any evidence.
- (h) Begin evacuation of the immediate and surrounding areas, dependent on the material. Voluntary evacuation should be considered; mandatory evacuation may be necessary and will depend on the type of material.
- (i) Establish a decontamination area when needed.
- (j) Activate automated community notification systems, if applicable.
- (k) Notify the Texas DPS, as necessary (37 Tex. Admin. Code § 4.2).

#### **405.5 REPORTING EXPOSURE**

Department members who believe they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an incident report that shall be forwarded via chain of command to the Shift Supervisor as soon as practicable. Should the affected member be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

Injury or illness caused or believed to be caused by exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report as applicable.

---

##### 405.5.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that a member has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure or continued exposure.

To ensure the safety of members, PPE is available from supervisors. PPE not maintained by this department may be available through the appropriate fire department or emergency response team.

# Hostage and Barricade Incidents

## 406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

### 406.1.1 DEFINITIONS

Definitions related to this policy include:

**Barricade situation** - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

**Hostage situation** - An incident where it is reasonable to believe a person is:

- Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- Unlawfully held against his/her will under threat or actual use of force.

## 406.2 POLICY

It is the policy of the Aransas Pass Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

## 406.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands, and the available resources.

### 406.3.1 EMERGENCY COMMUNICATIONS

A supervisor may order the telephone company to disconnect or control telephone lines in order to prevent an armed and barricaded suspect or person holding a hostage from communicating

---

with anyone other than designated personnel when the supervisor has probable cause to believe that the suspect is committing a crime (Tex. Utilities Code § 186.021).

#### **406.4 FIRST RESPONDER CONSIDERATIONS**

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

##### **406.4.1 BARRICADE SITUATION**

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. In the interim, the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt to obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.

- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer (PIO).
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

#### 406.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated, if practicable, pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt to obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.

- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

#### **406.5 SUPERVISOR RESPONSIBILITIES**

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting Special Weapons and Tactics Team (SWAT) response if appropriate and apprising the SWAT Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized assignment members, additional department members, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.

- (h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct nonessential personnel away from the scene unless they have been summoned by the supervisor or Dispatch.
- (i) Identify a media staging area outside the outer perimeter and have the department PIO or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

##### **406.6 SWAT RESPONSIBILITIES**

It will be the SWAT Commander's decision, with input from the Incident Commander, whether to deploy the SWAT during a hostage or barricade situation. Once the SWAT Commander authorizes deployment, the SWAT Commander or the authorized designee will be responsible for the tactical response and negotiations. The Incident Commander shall continue to supervise the command post operation, outer perimeter security, evacuation and media access, and will support the SWAT. The Incident Commander and the SWAT Commander or the authorized designees shall maintain direct communications at all times.

##### **406.7 REPORTING**

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

## Response to Bomb Calls

### **407.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide guidelines to assist members of the Aransas Pass Police Department in their initial response to incidents involving explosives or explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

### **407.2 POLICY**

It is the policy of the Aransas Pass Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

### **407.3 RECEIPT OF BOMB THREAT**

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Supervisor is immediately advised and informed of the details. This will enable the Shift Supervisor to ensure that the appropriate personnel are dispatched, and, as appropriate, the threatened location is given an advance warning.

### **407.4 GOVERNMENT FACILITY OR PROPERTY**

A bomb threat targeting a government facility may require a different response based on the government agency.

#### **407.4.1 ARANSAS PASS POLICE DEPARTMENT FACILITY**

If the bomb threat is against the Aransas Pass Police Department facility, the Shift Supervisor will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

#### **407.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY**

If the bomb threat is against a county or municipal facility within the jurisdiction of the Aransas Pass Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Supervisor deems appropriate.

##### **407.4.3 FEDERAL BUILDING OR PROPERTY**

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

##### **407.5 PRIVATE FACILITY OR PROPERTY**

When a member of this department receives notification of a bomb threat at a location in the City of Aransas Pass, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
  - 1. No evacuation of personnel and no search for a device.
  - 2. Search for a device without evacuation of personnel.
  - 3. Evacuation of personnel without a search for a device.
  - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Supervisor is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

##### **407.5.1 ASSISTANCE**

The Shift Supervisor should be notified when police assistance is requested. The Shift Supervisor will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Shift Supervisor determine that the Department will assist or control such an incident, he/she will determine:

- (e) The need for additional resources, including:
  - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

#### **407.6 FOUND DEVICE**

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes:
  - 1. Two-way radios.
  - 2. Cell phones.
  - 3. Other personal communication devices.
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.

- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Supervisor including:
  - 1. The time of discovery.
  - 2. The exact location of the device.
  - 3. A full description of the device (e.g., size, shape, markings, construction).
  - 4. The anticipated danger zone and perimeter.
  - 5. The areas to be evacuated or cleared.

#### **407.7 EXPLOSION/BOMBING INCIDENTS**

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, contamination of the scene by gathering crowds, or any additional damage from fires or unstable structures.

##### **407.7.1 CONSIDERATIONS**

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

##### **407.7.2 NOTIFICATIONS**

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Fire marshal
- Bomb squad

- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)

#### **407.8 CROWD CONTROL**

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

##### **407.8.1 PRESERVATION OF EVIDENCE**

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Supervisor should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be embedded in nearby structures or hanging in trees and bushes.

## Crisis Intervention Incidents

### 408.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

#### 408.1.1 DEFINITIONS

Definitions related to this policy include:

**Person in crisis** - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; noncompliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

### 408.2 POLICY

The Aransas Pass Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

### 408.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation or lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

# Aransas Pass Police Department

### Aransas Pass Police Policy Manual (new)

#### *Crisis Intervention Incidents*

---

Members should be aware that this list is not exhaustive. The presence or absence of any of these signs should not be treated as proof of the presence or absence of a mental health issue or crisis.

#### **408.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS**

The Chief of Police should designate an appropriate Division Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

#### **408.5 FIRST RESPONDERS**

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

#### **408.5.1 TRANSFER TO TREATMENT CENTER**

An officer should transfer a person to an available treatment center, in lieu of making an arrest, when it is reasonable and it appears that a mental health crisis or substance abuse issue led the person to commit the offense. Transfer to a treatment center is not an option when the offense was any of the following (Tex. Code of Crim. Pro. art. 16.23):

- (a) A felony
- (b) A misdemeanor involving violence
- (c) Any of the following:
  - 1. Driving while intoxicated (Tex. Penal Code § 49.04)
  - 2. Driving while intoxicated with a child passenger (Tex. Penal Code § 49.045)
  - 3. Flying while intoxicated (Tex. Penal Code § 49.05)
  - 4. Boating while intoxicated (Tex. Penal Code § 49.06)
  - 5. Boating while intoxicated with a child passenger (Tex. Penal Code § 49.061)
  - 6. Assembling or operating an amusement park ride while intoxicated (Tex. Penal Code § 49.065)

#### **408.5.2 RELEASE OF PERSONS WITH INTELLECTUAL OR DEVELOPMENTAL DISABILITIES**

In lieu of making an arrest, an officer may release a person who has an intellectual or developmental disability at the person's residence when (Tex. Code of Crim. Pro. art. 14.035):

- (a) The person resides at a group home or an intermediate care facility.
- (b) The officer reasonably believes that confinement of the person is unnecessary to protect the person and the other persons who reside at the residence.
- (c) The officer has made reasonable efforts to consult with staff at the person's residence and with the person regarding the decision not to make an arrest.

#### **408.6 DE-ESCALATION**

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm and courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.

### *Crisis Intervention Incidents*

---

- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (i.e., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

#### **408.7 INCIDENT ORIENTATION**

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the telecommunications operator provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents or suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

#### **408.8 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Absent an imminent threat to the public, consider strategic disengagement. This may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Division Commander.

- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

#### **408.9 INCIDENT REPORTING**

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

#### **408.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS**

Civilian or clerical members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

#### **408.11 EVALUATION**

The Division Commander designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

#### **408.12 TRAINING**

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

The Department shall provide crisis intervention training as required by the Texas Commission on Law Enforcement (TCOLE) (Tex. Occ. Code § 1701.253; Tex. Occ. Code § 1701.352; Tex. Occ. Code § 1701.402; Tex. Educ. Code § 96.641).

## Emergency Detentions

### 409.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place a person under an emergency detention.

### 409.2 POLICY

It is the policy of the Aransas Pass Police Department to protect the public and individuals through legal and appropriate use of the emergency detention process.

### 409.3 AUTHORITY

An officer who has reason to believe that an individual has a mental illness and is at a substantial risk of harming him/herself or others may take the individual into custody, regardless of the age of the person, and transport him/her to an inpatient mental health facility or otherwise appropriate facility capable of providing a 48-hour evaluation. Officers may also request that Emergency Medical Services (EMS) personnel transfer the person to an appropriate facility if the Aransas Pass Police Department has a memorandum of understanding with the EMS provider under Tex. Health & Safety Code § 573.005 (Tex. Health & Safety Code § 573.001; Tex. Health & Safety Code § 573.021).

An officer may also transport a person pursuant to a court order issued under Tex. Health & Safety Code § 574.023.

#### 409.3.1 ADVISEMENT

Officers who take an individual into custody for an emergency detention shall immediately inform the individual in simple terms (Tex. Health & Safety Code § 573.001):

- (a) Of the reason for the detention.
- (b) That a member of the mental health facility will inform the individual of his/her rights within 24 hours after admission (Tex. Health & Safety Code § 573.025).

Officers shall also give these notices to the individual when EMS personnel will be transporting the individual for evaluation (Tex. Health & Safety Code § 573.005).

#### 409.3.2 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for emergency detention, he/she may inquire as to whether the person desires to be voluntarily evaluated at an appropriate facility. If the person so desires, the officer should:

- (a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person.
- (b) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

Aransas Pass Police Policy Manual (new)

### *Emergency Detentions*

---

If at any point the person changes his/her mind regarding voluntary evaluation, the officers should proceed with the Peace Officer's Notification of Emergency Detention, if appropriate.

#### **409.3.3 NOTIFICATIONS**

If an officer determines that a person taken into custody for an emergency detention is a person for whom a guardian has been appointed (i.e., ward of the state), the officer shall notify the appropriate probate court with jurisdiction over the person's guardianship of the person's detention or transportation to a facility as soon as practicable but no later than one business day after the detention (Tex. Health & Safety Code § 573.0021).

#### **409.4 CONSIDERATIONS AND RESPONSIBILITIES**

Any officer handling a call involving a person who may qualify for an emergency detention should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the possible cause and nature of the person's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources that may be readily available to assist with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Emergency detentions should be preferred over arrest for people who have mental health issues and are suspected of committing minor crimes or creating other public safety issues.

#### **409.5 TRANSPORTATION**

When transporting any individual for an emergency detention, the transporting officer should have Dispatch notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Officers may transport individuals in the patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Shift Supervisor approval is required before transport commences.

##### **409.5.1 TRANSPORTING PURSUANT TO A COURT ORDER**

When a member transports a person pursuant to a court order, the member shall ensure that the person is transported in the manner prescribed by Tex. Health & Safety Code § 574.045.

#### **409.6 TRANSFER TO APPROPRIATE FACILITY**

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should

provide the staff member with the Notification of Emergency Detention and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

#### **409.7 DOCUMENTATION**

The officer shall complete a Notification of Emergency Detention, provide it to the facility staff member assigned to the individual or to the EMS personnel transporting the individual and retain a copy for inclusion in the case report (Tex. Health & Safety Code § 573.002).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

#### **409.8 CRIMINAL OFFENSES**

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken into custody on an emergency detention should resolve the criminal matter by issuing a warning or a citation, as appropriate.

When an individual who may qualify for an emergency detention has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the detention.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for an emergency detention.

In the supervisor's judgment, the individual may instead be transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

#### **409.9 FIREARMS AND OTHER WEAPONS**

Whenever a person is taken into custody for an emergency detention, the handling officers should seek to determine if the person owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent) (Tex. Health & Safety Code § 573.001).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful warrantless entry has already been made (e.g., exigent circumstances, consent). A warrant may also be needed before searching for or seizing weapons.

The handling officer shall immediately provide the individual a written receipt for the firearm and written notice of the procedure for the return of the firearm (Tex. Health & Safety Code § 573.001; Tex. Code of Crim. Pro. art. 18.191).

#### **409.10 TRAINING**

This department will provide training approved by the Texas Commission on Law Enforcement (TCOLE) on interacting with persons with mental disabilities, emergency detentions and crisis intervention (Tex. Occ. Code § 1701.352).

## Citation Releases

### 410.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of the Aransas Pass Police Department with guidance on when to release adults who are suspected offenders on a citation for a criminal offense, rather than having the person held in custody for a court appearance or released on bail.

Additional release restrictions may apply to those detained for domestic violence, as outlined in the Family Violence Policy.

### 410.2 POLICY

The Aransas Pass Police Department will consider its resources and its mission of protecting the community when exercising any discretion to release suspected offenders on a citation, when authorized to do so.

### 410.3 RELEASE

A suspected offender may be released on issuance of a citation as follows (Tex. Code of Crim. Pro. art. 14.06):

- (a) For class C misdemeanors, other than public intoxication unless approved by a supervisor, by issuing a citation that contains a written notice with the following information:
  - 1. The name and address of the person.
  - 2. The offense with which the person is charged.
  - 3. The time and place the person must appear before a magistrate.
  - 4. The admonishment required by Tex. Code of Crim. Pro. art. 14.06 regarding possession of a firearm.
  - 5. Information regarding alternatives to the full payment of any fine and costs that the person would incur if the person was convicted of the offense and could not pay the amount.
- (b) For certain Class A and B misdemeanors, as specified by Tex. Code of Crim. Pro. art. 14.06(d), by issuing a citation that contains a written notice with the following information consistent with procedures established by the appropriate local prosecutor's office:
  - 1. The name and address of the person.
  - 2. The offense with which the person is charged.
  - 3. The time and place the person must appear before a magistrate.

### 410.4 PROHIBITIONS

The release of a suspected offender on a citation is not permitted for public intoxication unless it is in accordance with Tex. Code of Crim. Pro. art. 14.031 and approved by a supervisor.

See the Family Violence Policy for release restrictions related to those investigations.

##### **410.5 CONSIDERATIONS**

In determining whether to cite and release a person when discretion is permitted, officers should consider:

- (a) The type of offense committed.
- (b) The known criminal history of the suspected offender.
- (c) The ability to identify the suspected offender with reasonable certainty.
- (d) Whether there is any record of the individual failing to appear in previous cases or other articulable indications that the individual may not appear in court for this offense.
- (e) The individual's ties to the area, such as residence, employment or family.
- (f) Whether there is reasonable likelihood that criminal conduct by the individual will continue.

##### **410.6 STATE MILITARY PERSONNEL**

A person en route to or from active state military duty may not be arrested except for treason, a felony or an offense involving a breach of the peace (Tex. Gov't. Code § 437.223). For all other offenses, these persons may be issued a citation as specified within this policy.

# Foreign Diplomatic and Consular Representatives

## 411.1 PURPOSE AND SCOPE

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

## Rapid Response and Deployment

### 412.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

### 412.2 POLICY

The Aransas Pass Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those who are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

### 412.3 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

### 412.4 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to incidents at other locations.

When deciding on a course of action officers should consider:

### *Rapid Response and Deployment*

---

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advancement or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In the case of a barricaded or trapped suspect, with no hostages and no immediate threat to others, officers should consider covering escape routes and evacuating persons as appropriate, while summoning and waiting for additional assistance (e.g., special tactics and/or hostage negotiation team response).

#### **412.5 PLANNING**

The Patrol Division Commander should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment venues and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

##### **412.6 TRAINING**

The Training Coordinator should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment venues and sporting event venues.

- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
- (d) First aid, including gunshot trauma.

# Immigration Violations

## **413.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide guidelines to members of the Aransas Pass Police Department relating to immigration and interacting with federal immigration officials.

## **413.2 POLICY**

It is the policy of the Aransas Pass Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

## **413.3 VICTIMS AND WITNESSES**

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or Texas constitutions.

### **413.3.1 INQUIRY INTO IMMIGRATION STATUS**

Members should not inquire into the nationality or immigration status of a victim or witness unless doing so is relevant to the investigation or to provide the victim or witness with information about visas for individuals providing assistance to law enforcement (i.e., T visa or U visa) (Tex. Code of Crim. Pro. art. 2.13).

## **413.4 DETENTIONS**

An officer should not detain any individual for any length of time for a civil violation of federal immigration laws or a related civil warrant.

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

### *Immigration Violations*

---

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.

An officer should notify a supervisor as soon as practicable whenever an individual is being detained for a criminal immigration violation.

#### **413.4.1 SUPERVISOR RESPONSIBILITIES**

When notified that an officer has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

#### **413.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT**

Generally, an officer will not need to notify federal immigration officials when booking arrestees at the City jail. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

#### **413.6 FEDERAL REQUEST FOR ASSISTANCE**

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The Department may provide available support services, such as traffic control or peacekeeping efforts.

#### **413.7 INFORMATION SHARING**

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373; Tex. Gov't Code § 752.053):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity
- (d) Permitting federal immigration officials to enter a jail and conduct enforcement activities

##### **413.7.1 IMMIGRATION DETAINERS**

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 unless the person has been charged with a federal crime or the detainer is accompanied by a warrant, affidavit of probable cause or removal order. Notification to the federal authority issuing the detainer should be made prior to the release.

##### **413.7.2 COMPLYING WITH IMMIGRATION DETAINERS**

The Aransas Pass Police Department will comply with lawful immigration detainer requests related to a person already in custody unless there is reason to believe the person is a citizen of the United States or has lawful immigration status in the United States based on proof such as a Texas driver's license or similar government-issued identification.

An individual who is being held in custody and who is the subject of a federal immigration detainer shall be informed he/she is being held pursuant to an immigration detainer request issued by federal immigration officials (Tex. Code of Crim. Pro. art. 2.251).

##### **413.8 U VISA AND T VISA NONIMMIGRANT STATUS**

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Criminal Investigations Division supervisor assigned to oversee the handling of any related case. The Criminal Investigations Division supervisor should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
  - 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

##### **413.9 TRAINING**

The Training Coordinator should ensure officers receive immigration training on this policy. Training should include:

- (a) Identifying civil versus criminal immigration violations.
- (b) Factors that may be considered in determining whether a criminal immigration offense has been committed.

**Field photographs** - Posed photographs taken of a person during a contact, temporary detention or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio/Video (MAV) system, body-worn camera or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

**Pat-down search** - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee or others.

**Reasonable suspicion** - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

**Temporary detention** - When an officer intentionally, through words, actions or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

## 418.2 POLICY

The Aransas Pass Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations and constitutional safeguards.

#### **418.3 FIELD INTERVIEWS**

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Aransas Pass Police Department to strengthen community involvement, community awareness and problem identification.

##### **418.3.1 INITIATING A FIELD INTERVIEW**

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

#### **418.4 PAT-DOWN SEARCHES**

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or area where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.

- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

#### **418.5 FIELD PHOTOGRAPHS**

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

##### **418.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT**

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

##### **418.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT**

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

##### **418.5.3 DISPOSITION OF PHOTOGRAPHS**

All detainee photographs must be adequately labeled and submitted to the Shift Supervisor with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Supervisor should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Supervisor will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Division.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

#### **418.5.4 SUPERVISOR RESPONSIBILITIES**

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

#### **418.6 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

# Criminal Organizations

## 419.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Aransas Pass Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

### 419.1.1 DEFINITIONS

Definitions related to this policy include:

**Criminal intelligence system** - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

## 419.2 POLICY

The Aransas Pass Police Department recognizes that certain criminal activities, including, but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

## 419.3 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

### 419.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Division. Any supporting documentation for an entry shall be retained by the Records Division in accordance

with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Division are appropriately marked as intelligence information. The Records Manager may not purge such documents without the approval of the designated supervisor.

#### 419.3.2 INTELLIGENCE DATABASE ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information into a local or regional criminal intelligence system authorized by Tex. Code of Crim. Pro. art. 67.051. Any criminal intelligence system created or maintained under this section should meet or exceed the standards of 28 CFR 23.20. The designated supervisor shall approve entry of information into the local or regional criminal intelligence system only when the information meets the criteria established by Tex. Code of Crim. Pro. art. 67.054.

#### 419.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

##### 419.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Division or Property and Evidence Section, but should be copies of, or references to, retained documents, such as copies of reports, FI forms, Dispatch records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution to a source should be retained with the information.

#### 419.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

#### 419.4.3 TX GANG INDEX

In accordance with the provisions of Texas Code of Criminal Procedure, Chapter 61, the Texas Department of Public Safety operates the TXGANG index. This department shall submit all criminal street gang information maintained in a database to TXGANG.

#### **419.5 INFORMATION RECOGNITION**

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Training Coordinator to train members to identify information that may be particularly relevant for inclusion.

#### **419.6 RELEASE OF INFORMATION**

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy (Tex. Code of Crim. Pro. art. 67.101).

##### 419.6.1 RIGHT TO REQUEST EXISTENCE OR REVIEW OF CRIMINAL INFORMATION

When an inquiry is made by a person or the parent or guardian of a juvenile as to whether information about that person or the juvenile is in a temporary information file created by the Department pursuant to Tex. Code of Crim. Pro. art. 67.051, the supervisor responsible for the temporary information file should respond as required by Tex. Code of Crim. Pro. art. 67.201.

Upon receipt of a written request challenging the information contained in the temporary information file from the person or the parent or guardian of a juvenile, the supervisor responsible for the file should conduct a review and make a determination and proper notification in accordance with Tex. Code of Crim. Pro. art. 67.202.

- (b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

## Shift Supervisors

### **420.1 PURPOSE AND SCOPE**

This policy provides guidelines for the designation of a Shift Supervisor and, as needed, an acting Shift Supervisor for each shift.

### **420.2 POLICY**

Each shift will be directed by a Shift Supervisor capable of making decisions and managing in a manner consistent with the mission of the Aransas Pass Police Department. To accomplish this, a Supervisor shall be designated as the Shift Supervisor for each shift.

### **420.3 DESIGNATION AS ACTING SHIFT SUPERVISOR**

With prior authorization from the Patrol Division Commander, generally when a Supervisor is unavailable for duty as Shift Supervisor, a qualified lower-ranking member shall be designated as acting Shift Supervisor in accordance with the terms of applicable collective bargaining agreements or memorandum of understanding and the Temporary Supervisors subsection of the Supervision Staffing Levels Policy.

# Mobile Audio/Video

## 421.1 PURPOSE AND SCOPE

The Aransas Pass Police Department may equip marked law enforcement vehicles with Mobile Audio/Video (MAV) recording systems to provide records of events and to assist officers in the performance of their duties. This policy provides guidance on the use of these systems.

### 421.1.1 DEFINITIONS

Definitions related to this policy include:

**Activate** - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

**In-car camera system and MAV system** - Synonymous terms that refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at a minimum, a camera, microphone, recorder and monitor.

**MAV technician** - Personnel certified or trained in the operational use and repair of MAVs, duplicating methods and storage and retrieval methods and who have a working knowledge of video forensics and evidentiary procedures.

**Recorded media** - Audio/video signals recorded or digitally stored on a storage device or portable media.

## 421.2 POLICY

It is the policy of the Aransas Pass Police Department to use mobile audio/video recording technology to more effectively fulfill the mission of the Department and to ensure these systems are used securely and efficiently.

## 421.3 OFFICER RESPONSIBILITIES

Prior to going into service, each officer will properly equip him/herself to record audio and video in the field. At the end of the shift, each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically, additional recording media may be issued. Only Aransas Pass Police Department identified and labeled media with tracking numbers is to be used.

At the start of each shift, officers should test the MAV system's operation in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the officer recording his/her name, serial number, badge or personal identification number (PIN) and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

#### **421.4 ACTIVATION OF THE MAV**

The MAV system is designed to turn on whenever the vehicle's emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the officer whenever appropriate. When audio is being recorded, the video will also record.

##### **421.4.1 REQUIRED ACTIVATION OF THE MAV**

This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes it would be appropriate or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MAV. The MAV system should be activated in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct within video or audio range:
  - 1. Traffic stops (including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
  - 2. Priority responses
  - 3. Vehicle pursuits
  - 4. Suspicious vehicles
  - 5. Arrests
  - 6. Vehicle searches
  - 7. Physical or verbal confrontations or use of force
  - 8. Pedestrian checks
  - 9. Driving while intoxicated (DWI) investigations, including field sobriety tests
  - 10. Consensual encounters
  - 11. Crimes in progress
  - 12. Responding to an in-progress call
- (b) All self-initiated activity in which an officer would normally notify Dispatch
- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect, including:
  - 1. Family violence
  - 2. Disturbance of the peace

3. Offenses involving violence or weapons
  - (d) Any other contact that becomes adversarial after the initial contact, in a situation that would not otherwise require recording
  - (e) Any other circumstance where the officer believes that a recording of an incident would be appropriate

Activation of the MAV system is not required when exchanging information with other officers, during breaks or lunch periods, or when not in service or not actively on patrol.

#### 421.4.2 CESSATION OF RECORDING

Once activated, the MAV system should remain on until the incident has concluded. For the purpose of this section, conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

#### 421.4.3 SURREPTITIOUS RECORDING

No member of this department may surreptitiously record a conversation of any other member of this department except with a court order or when lawfully authorized by the Chief of Police or the authorized designee for the purpose of conducting a criminal or administrative investigation.

#### 421.4.4 SUPERVISOR RESPONSIBILITIES

Supervisors should determine if vehicles with non-functioning MAV systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made, including notification of Dispatch and the IT Manager.

At reasonable intervals, supervisors should validate that:

- (a) Beginning and end-of-shift recording procedures are followed.
- (b) Logs reflect the proper chain of custody, including:
  1. The tracking number of the MAV system media.
  2. The date the media was issued.
  3. The name of the department member or the vehicle to which the media was issued.
  4. The date the media was submitted for retention.
  5. The name of the department member submitting the media.
  6. Holds for evidence indication and tagging as required.
- (c) The operation of MAV systems by new members is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved traffic collisions), a supervisor shall

respond to the scene and ensure that the appropriate person properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MAV system remotely to monitor a developing situation, such as a chase, riot, or an event that may threaten public safety, officer safety, or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MAV system for the purpose of monitoring the conversations or actions of an officer.

#### **421.5 REVIEW OF MAV RECORDINGS**

All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the Department is strictly prohibited, except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the Department, MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

- (a) By officers for use when preparing reports or statements
- (b) By a supervisor investigating a specific act of officer conduct
- (c) By a supervisor to assess officer performance
- (d) To assess proper functioning of MAV systems
- (e) By department investigators who are participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By department personnel who request to review recordings
- (g) By an officer who is captured on or referenced in the video or audio data, and reviews and uses such data for any purpose relating to his/her employment
- (h) By court personnel through proper process or with the permission of the Chief of Police or the authorized designee
- (i) By the media through proper process
- (j) To assess possible training value
- (k) For training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the command staff to determine if the training value outweighs the officer's objection
- (l) By a supervisor during periodic reviews for compliance with racial profiling laws (Tex. Code of Crim. Pro. art. 2.132)
- (m) As may be directed by the Chief of Police or the authorized designee

Members desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Shift Supervisor. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any member.

#### **421.6 DOCUMENTING MAV USE**

If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the back of the records copy of the citation indicating that the incident was recorded.

#### **421.7 RECORDING MEDIA STORAGE AND INTEGRITY**

Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained for a minimum of 180 days and disposed of in accordance with the established records retention schedule.

##### **421.7.1 COPIES OF ORIGINAL RECORDING MEDIA**

Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request, a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Chief of Police or the authorized designee. In the event that an original recording is released to a court, a copy shall be made and placed in storage until the original is returned.

##### **421.7.2 MAV RECORDINGS AS EVIDENCE**

Officers who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense or to a potential claim against the officer or against the Aransas Pass Police Department should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

#### **421.8 SYSTEM OPERATIONAL STANDARDS**

- (a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer's recommendations.
- (b) The MAV system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MAV system may not be configured to record audio data occurring prior to activation.
- (d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating officer's transmitter, should be activated at a scene to minimize interference or noise from other MAV transmitters.

- (e) Officers using digital transmitters that are synchronized to their individual MAVs shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.
- (f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MAV equipped law enforcement vehicles to minimize the possibility of causing electronic or noise interference with the MAV system.
- (g) Officers shall not erase, alter, reuse, modify or tamper with MAV recordings. Only a supervisor, MAV technician or other authorized designee may erase and reissue previous recordings and may only do so pursuant to the provisions of this policy.
- (h) To prevent damage, original recordings shall not be viewed or otherwise inserted into any device not approved by the Department MAV technician or forensic media staff.

#### **421.9 MAV TECHNICIAN RESPONSIBILITIES**

The MAV technician is responsible for:

- (a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.
- (b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected, the MAV technician:
  - 1. Ensures it is stored in a secure location with authorized controlled access.
  - 2. Makes the appropriate entries in the chain of custody log.
- (c) Erasing of media:
  - 1. Pursuant to a court order.
  - 2. In accordance with the established records retention schedule, including reissuing all other media deemed to be of no evidentiary value.
- (d) Assigning all media an identification number prior to issuance to the field:
  - 1. Maintaining a record of issued media.
- (e) Ensuring that an adequate supply of recording media is available.
- (f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the established records retention schedule.

#### **421.10 TRAINING**

All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.

## Mobile Data Terminal Use

### 422.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Data Terminal (MDT) system in order to ensure proper access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and Dispatch.

### 422.2 POLICY

Aransas Pass Police Department members using the MDT shall comply with all appropriate federal and state rules and regulations and shall use the MDT in a professional manner, in accordance with this policy.

The MDT is used to streamline communications and cut down on radio traffic managed by the dispatcher. Every effort should be made to leverage the resources of the MDT and limit radio communications.

#### 422.2.1 VIOLATION OF THIS POLICY

Because of the seriousness of the consequences of breaching the security and privacy of Criminal Justice Records, any violation of this policy or procedure will be dealt with accordingly. Disciplinary action for such violations may include immediate termination of employment.

### 422.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

### 422.4 RESTRICTED ACCESS AND USE

MDT use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDT system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDT by another member to their supervisors or Shift Supervisors.

Use of the MDT system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks or communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDT system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDT system unless directed to do so by a supervisor. Members are required to log off the MDT or secure

the MDT when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

#### **422.4.1 USE WHILE DRIVING**

Use of the MDT by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

#### **422.5 DOCUMENTATION OF ACTIVITY**

Except as otherwise directed by the Shift Supervisor or other department-established protocol, all calls for service assigned by a telecommunications operator should be communicated by voice over the police radio and electronically via the MDT unless security or confidentiality prevents such broadcasting.

MDT and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a telecommunications operator.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDT.

#### **422.5.1 STATUS CHANGES**

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDT system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDT when the vehicle is not in motion.

#### **422.5.2 EMERGENCY ACTIVATION**

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Shift Supervisor are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are handling a different emergency.

#### **422.6 EQUIPMENT CONSIDERATIONS**

##### **422.6.1 MALFUNCTIONING MDT**

Whenever possible, members will not use vehicles with malfunctioning MDTs. Whenever members must drive a vehicle in which the MDT is not working, they shall notify Dispatch. It shall be the responsibility of the telecommunications operator to document all information that will then be transmitted verbally over the police radio.

##### **422.6.2 BOMB CALLS**

When investigating reports of possible bombs, members should not communicate on their MDTs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDT could cause some devices to detonate.

## Portable Audio/Video Recorders

### 423.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand-held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Aransas Pass Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

Additional related provisions are in the Records Maintenance and Release and Protected Information policies.

### 423.2 POLICY

The Aransas Pass Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public. The recorder shall be used for both on-duty and off-duty police services.

### 423.3 COORDINATOR

The Chief of Police or the authorized designee should designate a coordinator responsible for:

- (a) Establishing procedures for the security, storage, and maintenance of data and recordings.
- (b) Establishing procedures for accessing data and recordings.
- (c) Establishing procedures for logging or auditing access.
- (d) Establishing procedures for transferring, downloading, tagging, or marking events.
- (e) Preparing the annual report required by Tex. Occ. Code § 1701.653.
- (f) Ensuring that Texas Commission on Law Enforcement (TCOLE) training is provided to members who are assigned to wear body-worn recording devices and any other personnel who may come into contact with data obtained from the devices (Tex. Occ. Code § 1701.656).
- (g) Establishing procedures for making backup copies of recordings (Tex. Occ. Code § 1701.655).
- (h) Establishing procedures for the collection of a body worn camera (Tex. Occ. Code § 1701.655).

### 423.4 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity of this department, regardless of ownership of the device

it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

#### **423.5 MEMBER RESPONSIBILITIES**

Prior to going into service, each uniformed member will be responsible for making sure that the member is equipped with a portable recorder, issued by the Department, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to the member's supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position shall carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Members assigned as TFO's attached to a federal agency must follow federal guidelines related to audio/video recordings of encounters while acting under their federal authority.

When using a recorder, the assigned member shall record the member's name, APPD identification number, and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording (Tex. Occ. Code § 1701.655). Members should include the reason for deactivation. In addition, members should document instances where the member did not activate the device at all and the reason for such decision (Tex. Occ. Code § 1701.657).

#### **423.6 ACTIVATION OF THE AUDIO/VIDEO RECORDER**

This policy is not intended to describe every possible situation in which the recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The recorder shall be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview situations, including during their responses to calls/events
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which an officer would normally notify Dispatch

### *Portable Audio/Video Recorders*

---

- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

#### **423.6.1 CESSATION OF RECORDING**

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

#### **423.6.2 SURREPTITIOUS USE OF THE AUDIO/VIDEO RECORDER**

Texas law permits an individual to surreptitiously record any conversation in which one party to the conversation has given his/her permission (Tex. Penal Code § 16.02).

Members may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation.

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

#### **423.6.3 EXPLOSIVE DEVICE**

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

### **423.7 PROHIBITED USE OF PORTABLE RECORDERS**

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in an official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Shift Supervisor, and then only if allowed under Tex. Occ. Code § 1701.658. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

#### **423.8 RETENTION OF RECORDINGS**

All recordings shall be retained for a period consistent with the requirements of the established records retention schedule but in no event for a period less than 180 days.

##### **423.8.1 RELEASE OF AUDIO/VIDEO RECORDINGS**

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy and State Law.

#### **423.8 IDENTIFICATION AND PRESERVATION OF RECORDINGS**

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.
- (g) The recording or portions of the recording may be protected under Tex. Occ. Code § 1701.660 et seq. or the Texas Public Information Act.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

#### **423.9 REVIEW OF RECORDED MEDIA FILES**

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases.) However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing a member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief of Police or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.
- (e) By a supervisor during periodic reviews for compliance with racial profiling laws (Tex. Code of Crim. Pro. art. 2.132).

All recordings should be reviewed by the Custodian of Records prior to public release (See the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

## Public Recording of Law Enforcement Activity

### 424.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

### 424.2 POLICY

The Aransas Pass Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

### 424.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
  - 1. Tampering with a witness or suspect.
  - 2. Inciting others to violate the law.
  - 3. Being so close to the activity as to present a clear safety hazard to the officers.
  - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officer, him/herself or others.

### 424.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For

example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

#### **424.5 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

#### **424.6 SEIZING RECORDINGS AS EVIDENCE**

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
  - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
  - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
  - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

# Medical Marihuana

## 425.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marihuana under Texas's medical marihuana laws.

### 425.1.1 DEFINITIONS

Definitions related to this policy include (Tex. Occ. Code § 169.001; Tex. Health & Safety Code § 487.001):

**Dispensing organization** - An organization licensed by the Texas Department of Public Safety (DPS) to cultivate, process, and dispense low-tetrahydrocannabinol (THC) cannabis to a patient under a prescription.

**Low-THC cannabis** - Marihuana and any part of that plant or any compound, manufacture, salt, derivative, mixture, preparation, resin, or oil of that plant that contains not more than one percent by weight of THC.

## 425.2 POLICY

It is the policy of the Aransas Pass Police Department to prioritize resources to avoid making arrests related to marihuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

Texas medical marihuana laws are intended to provide protection from prosecution to those who use or possess marihuana in the form of low-THC cannabis by prescription. However, Texas medical marihuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marihuana. The Aransas Pass Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Texas law and the resources of the Department.

## 425.3 INVESTIGATION

Investigations involving the possession, delivery, production or use of marihuana generally fall into one of two categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a person with a prescription.

### 425.3.1 INVESTIGATIONS WITH NO MEDICAL CLAIM

In any investigation involving the possession, delivery, production or use of marihuana or drug paraphernalia where no person claims that the marihuana is used for medicinal purposes, the officer should proceed with a criminal investigation. A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marihuana was possessed or produced for medicinal purposes.

#### 425.3.2 INVESTIGATIONS INVOLVING A PERSON WITH A PRESCRIPTION

A patient for whom low-THC cannabis is prescribed or the patient's legal guardian shall not be arrested for possession of low-THC cannabis obtained under a valid prescription from a dispensing organization (Tex. Health & Safety Code § 481.111).

Reasonable effort should be taken to confirm a person has a prescription for low-THC cannabis if it is not in the person's possession.

#### 425.3.3 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marihuana possession, delivery, production or use:

- (a) Officers may obtain information from the Compassionate-Use Registry for the purpose of verifying whether a patient has a prescription for low-THC cannabis and whether it has been filled (37 Tex. Admin. Code § 12.41).
- (b) Before proceeding with enforcement related to a licensed dispensing organization, officers should consider conferring with appropriate legal counsel (Tex. Health & Safety Code § 487.101).

#### 425.4 FEDERAL LAW ENFORCEMENT

Officers should provide information regarding a marihuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

#### 425.5 PROPERTY AND EVIDENCE SECTION SUPERVISOR RESPONSIBILITIES

The Property and Evidence Section supervisor should ensure that marihuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marihuana is not destroyed. The Property and Evidence Section supervisor is not responsible for caring for live marihuana plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property and Evidence Section supervisor should as soon as practicable return to the person from whom it was seized any useable marihuana, plants, drug paraphernalia or other related property.

The Property and Evidence Section supervisor should not destroy marihuana that was alleged to be for medical purposes except upon receipt of a court order.

The Property and Evidence Section supervisor may release marihuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Criminal Investigations Division supervisor.

# Medical Aid and Response

## 426.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

## 426.2 POLICY

It is the policy of the Aransas Pass Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

## 426.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so (Tex. Code of Crim. Pro. art. 2.35).

Prior to initiating medical aid, the member should contact Dispatch and request response by Emergency Medical Services (EMS) as the member deems appropriate (Tex. Code of Crim. Pro. art. 2.35).

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide Dispatch with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
  - 1. Signs and symptoms as observed by the member.
  - 2. Changes in apparent condition.
  - 3. Number of patients, sex, and age, if known.
  - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
  - 5. Whether the person is showing signs of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain (commonly referred to as excited delirium).

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

#### *Medical Aid and Response*

---

Members should not direct EMS personnel whether to transport the person for treatment.

#### **426.4 TRANSPORTING ILL AND INJURED PERSONS**

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

#### **426.5 PERSONS REFUSING EMS CARE**

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive medical care or be transported.

However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with an emergency detention in accordance with the Emergency Detentions Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment or forms accepting financial responsibility for treatment. However, the member may sign as a witness to the patient's refusal of care.

#### **426.6 MEDICAL ATTENTION RELATED TO USE OF FORCE**

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Conducted Energy Device policies.

#### **426.7 AIR AMBULANCE**

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are

victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Patrol Division Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members shall follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during the landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

#### **426.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE**

##### **426.8.1 AED USER RESPONSIBILITY**

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Coordinator who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact Dispatch as soon as possible and request response by EMS (Tex. Health & Safety Code § 779.004).

#### **426.8.2 AED REPORTING**

Any member using an AED will document its use.

#### **426.8.3 AED TRAINING AND MAINTENANCE**

The Training Coordinator should ensure appropriate training is provided to members authorized to use an AED.

The Patrol Commander is responsible for ensuring AED devices are appropriately maintained and tested consistent with the manufacturer's guidelines, a monthly inspection is conducted, and records of all maintenance and testing are retained in accordance with the established records retention schedule (Tex. Health & Safety Code § 779.003).

#### **426.9 SICK OR INJURED ARRESTEE**

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

#### **426.10 ADMINISTRATION OF EPINEPHRINE**

Members who have received training approved by TCOLE may administer epinephrine in accordance with the standing order issued by the physician, or other individual with prescriptive authority, who prescribed the medication for use by the member (Tex. Occ. Code § 1701.702; Tex. Occ. Code § 1701.703).

##### **426.10.1 EPINEPHRINE USER RESPONSIBILITIES**

Members who are qualified to administer epinephrine should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not

Any member administering epinephrine should detail its use in an appropriate report.

The Training Coordinator will ensure that the Records Manager is provided enough information to meet applicable state reporting requirements including the required reporting to the physician or person who prescribed the epinephrine as required by Tex. Occ. Code § 1701.705.

#### **426.10.3 EPINEPHRINE TRAINING**

The Training Coordinator should ensure that training is provided to members authorized to administer epinephrine.

#### **426.11 FIRST AID TRAINING**

Subject to available resources, the Training Coordinator should ensure officers receive periodic first aid training appropriate for their position.

# First Amendment Assemblies

## 427.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

## 427.2 POLICY

The Aransas Pass Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

## 427.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills, leafleting, loitering and funeral service disruptions. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential.

The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and to prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

##### **427.3.1 PHOTOGRAPHS, VIDEO RECORDINGS AND OTHER INFORMATION**

Photographs, video recordings and other information may be collected at assemblies and demonstrations as they can serve a number of purposes, such as support of criminal prosecutions, assistance in evaluating department performance, serving as training material, recording the use of dispersal orders and facilitating a response to allegations of improper law enforcement conduct.

Photographs, video recordings and other information shall not be maintained on the political, religious or social activities, views or associations of any individual, group or organization unless those activities, views or associations directly relate to an investigation of criminal activity and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

##### **427.4 UNPLANNED EVENTS**

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to:

- Location.
- Number of participants.
- Apparent purpose of the event.
- Leadership (whether it is apparent and/or whether it is effective).
- Any initial indicators of unlawful or disruptive activity.
- Indicators that lawful use of public facilities, streets or walkways will be impacted.
- Ability and/or need to continue monitoring the incident.

Initial assessment information should be promptly communicated to Dispatch, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

##### **427.5 PLANNED EVENT PREPARATION**

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

##### **427.5.1 INFORMATION GATHERING AND ASSESSMENT**

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.
- The potential time, duration, scope, and type of planned activities.

- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

#### 427.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (helmets, shields, etc.).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) An established liaison with demonstration leaders and external agencies.
- (h) An established liaison with City government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.

- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

#### **427.5.3 MUTUAL AID AND EXTERNAL RESOURCES**

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

#### **427.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS**

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear, standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

#### **427.7 USE OF FORCE**

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and the Conducted Energy Device policies).

---

Force or control devices, including oleoresin capsicum (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

#### **427.8 ARRESTS**

The Aransas Pass Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been or reasonably appear likely to be unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Citation Releases Policy).

#### **427.9 MEDIA RELATIONS**

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media, to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

#### **427.10 DEMOBILIZATION**

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

##### **427.11 POST EVENT**

The Incident Commander should designate a member to assemble full documentation of the event, to include:

- (a) Operational plan.
- (b) Any incident logs.
- (c) Any assignment logs.
- (d) Vehicle, fuel, equipment and supply records.
- (e) Incident, arrest, use of force, injury and property damage reports.
- (f) Photographs, audio/video recordings, Dispatch records/tapes.
- (g) Media accounts (print and broadcast media).

##### **427.11.1 AFTER-ACTION REPORTING**

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used, to include:

- (a) Date, time and description of the event.
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests, costs).
- (c) Problems identified.
- (d) Significant events.
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

##### **427.12 TRAINING**

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

## Civil Disputes

### 428.1 PURPOSE AND SCOPE

This policy provides members of the Aransas Pass Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Family Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Texas law.

### 428.2 POLICY

The Aransas Pass Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

### 428.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While the following is not intended to be an exhaustive list, members should give consideration to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice; however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

#### **428.4 COURT ORDERS**

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

##### **428.4.1 STANDBY REQUESTS**

Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

##### **428.4.2 JUSTICE COURT WRITS**

Officers shall accompany and assist a person who has been issued a writ by a justice court pursuant to Tex. Prop. Code § 24A.002 (Tex. Prop. Code § 24A.003). The officer must provide the occupant, if present at the time of entry, with a copy of the writ.

Prior to the removal of property from the location, officers must create an inventory list of the items taken from the residence and then return the items to the person for removal. A copy of the inventory list shall be provided to the person removing property and to the current occupant, or left in a conspicuous place if the occupant is not present. Officers shall ensure that the Records Division receives the original inventory list so that it may be filed with the court that issued the writ (Tex. Prop. Code § 24A.003).

#### **428.5 VEHICLES AND PERSONAL PROPERTY**

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

#### **428.6 REAL PROPERTY**

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

## **Chapter 5 - Traffic Operations**

# Traffic

## 500.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for improving public safety through education and enforcement of traffic-related laws.

## 500.2 POLICY

It is the policy of the Aransas Pass Police Department to educate the public on traffic-related issues and to enforce traffic laws. The efforts of the Department will be driven by such factors as the location and/or number of traffic collisions, citizen complaints, traffic volume, traffic conditions, and other traffic-related needs. The ultimate goal of traffic law enforcement and education is to increase public safety.

## 500.3 DEPLOYMENT

Enforcement efforts may include such techniques as geographic/temporal assignment of department members and equipment, the establishment of preventive patrols to deal with specific categories of unlawful driving and a variety of educational activities. These activities should incorporate methods that are suitable to the situation; timed to events, seasons, past traffic problems, or locations; and, whenever practicable, preceded by enforcement activities.

Several factors will be considered in the development of deployment schedules for department members. State and local data on traffic collisions are a valuable resource. Factors for analysis include but are not limited to:

- Location.
- Time.
- Day.
- Violation factors.
- Requests from the public.
- Construction zones.
- School zones.
- Special events.

Department members assigned to uniformed patrol or traffic enforcement functions will emphasize the enforcement of violations that contribute to traffic collisions, and also will consider the hours and locations where traffic collisions tend to occur. Members will take directed enforcement action on request, and random enforcement action when appropriate. Members shall maintain high visibility while working general enforcement, especially in areas where traffic collisions frequently occur.

#### **500.4 ENFORCEMENT**

Traffic enforcement will be consistent with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas. The number of arrests or citations issued by any member shall not be used as the sole criterion for evaluating member overall performance (Tex. Transp. Code § 720.002).

##### **500.4.1 WARNINGS**

Warnings are a non-punitive option that may be considered by the member when circumstances warrant, such as when a minor violation was inadvertent.

##### **500.4.2 CITATIONS**

Citations should be issued when a member believes it is appropriate. When issuing a citation for a traffic violation, it is essential that the rights and requirements imposed on motorists be fully explained. At a minimum, motorists should be provided with:

- (a) An explanation of the violation or charge.
- (b) The court appearance procedure, including the optional or mandatory appearance by the motorist.
- (c) A notice of whether the motorist can enter a plea and pay the fine by mail or at the court.

An officer shall issue a citation and give the person an opportunity to sign the citation for the offense of speeding, using a wireless communication device under Tex. Transp. Code § 545.4251 or a violation of the open container law. If the person refuses to sign the citation, an arrest may be made in accordance with this policy (Tex. Transp. Code § 543.004).

##### **500.4.3 PHYSICAL ARREST**

Physical arrest can be made on a number of criminal traffic offenses. These cases usually deal with but are not limited to:

- (a) Vehicular manslaughter.
- (b) Felony and misdemeanor driving under the influence (DUI or DWI) of alcohol or drugs.
- (c) Felony or misdemeanor hit-and-run.
- (d) Refusal to sign a notice to appear.
- (e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances.

While state law permits officers to make an arrest for most class C traffic offenses, prior to doing so, officers should obtain supervisor approval.

#### **500.5 SUSPENDED OR REVOKED LICENSES**

If an officer contacts a traffic violator who is also driving on a suspended or revoked license, the officer should issue a traffic citation or make an arrest as appropriate.

#### **500.6 HIGH-VISIBILITY VESTS**

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic or by maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601).

##### **500.6.1 REQUIRED USE**

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn when increased visibility would improve the safety of the department member or when the member will be exposed to the hazards of passing traffic or will be maneuvering or operating vehicles, machinery, and equipment.

Examples of when high-visibility vests should be worn include traffic control duties, traffic collisions investigations, lane closures, and disaster scenes.

When emergency conditions preclude the immediate donning of the vest, members should retrieve and wear the vest as soon as conditions reasonably permit.

Use of the vests shall also be mandatory when directed by a supervisor.

##### **500.6.2 CARE AND STORAGE**

High-visibility vests shall be maintained in the trunk of each patrol and investigation vehicle, in the side box of each police motorcycle and in the gear bag of each patrol bicycle. Each vest should be stored inside a resealable plastic bag to protect and maintain the vest in a serviceable condition. Before going into service, each member shall ensure that a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained and made available for replacement of damaged or unserviceable vests. The Training Coordinator should be promptly notified whenever the supply of vests needs replenishing.

# Traffic Collisions

## 501.1 PURPOSE AND SCOPE

This policy provides guidelines for responding to and investigating traffic collisions.

## 501.2 POLICY

It is the policy of the Aransas Pass Police Department to respond to traffic collisions and render or summon aid to injured victims as needed. The Department will investigate and prepare reports according to the established minimum reporting requirements with the goal of reducing the occurrence of collisions by attempting to identify the cause of the collision and through enforcing applicable laws. Unless restricted by law, traffic collision reports will be made available to the public upon request.

## 501.3 RESPONSE

Upon arriving at the scene, the responding member should assess the need for additional resources and summon assistance as appropriate. Generally, the member initially dispatched to the scene will be responsible for the investigation and report, if required, unless responsibility is reassigned by a supervisor.

A supervisor should be called to the scene when the incident:

- (a) Is within the jurisdiction of this department and there is:
  - 1. A life-threatening injury.
  - 2. A fatality.
  - 3. A City vehicle involved.
  - 4. A City official or employee involved.
  - 5. Involvement of an on- or off-duty member of this department.
- (b) Is within another jurisdiction and there is:
  - 1. A City of Aransas Pass vehicle involved.
  - 2. A City of Aransas Pass official involved.
  - 3. Involvement of an on-duty member of this department.

### 501.3.1 MEMBER RESPONSIBILITIES

Upon arriving at the scene, the responding member should consider and appropriately address:

- (a) Traffic direction and control.
- (b) Proper placement of emergency vehicles, cones, roadway flares or other devices if available to provide protection for members, the public and the scene.
- (c) First aid for any injured parties if it can be done safely.

- (d) The potential for involvement of hazardous materials.
- (e) The need for additional support as necessary (e.g., traffic control, emergency medical services, fire department, hazardous materials response, tow vehicles).
- (f) Clearance and cleanup of the roadway.

#### **501.4 NOTIFICATION**

If a traffic collision involves a life-threatening injury or fatality, the responding officer shall notify a supervisor or, if unavailable, the Shift Supervisor. The Shift Supervisor or any supervisor may assign a traffic investigator or other appropriate personnel to investigate the incident. The Shift Supervisor will ensure notification is made to the Patrol Commander, department command staff, and City Manager in accordance with the Major Incident Notification Policy.

##### **501.4.1 NOTIFICATION OF FAMILY**

In the event of a life-threatening injury or fatality, the supervisor responsible for the incident should ensure notification of the victim's immediate family or coordinate such notification with the Medical Examiner, department chaplain, or another suitable person. Notification should be made as soon as practicable following positive identification of the victim.

The identity of any person seriously injured or deceased in a traffic collision should not be released until notification is made to the victim's immediate family.

#### **501.5 MINIMUM REPORTING REQUIREMENTS**

A collision report shall be taken when:

- (a) A fatality, any injury (including complaint of pain), driving while intoxicated, or hit-and-run is involved.
- (b) An on-duty member of the City of Aransas Pass is involved.
- (c) The collision results in any damage to any City-owned or leased vehicle.
- (d) The collision involves any other public agency driver or vehicle.
- (e) There is damage to public property.
- (f) There is damage to any vehicle to the extent that towing is required.
- (g) Prosecution or follow-up investigation is contemplated.
- (h) Directed by a supervisor.

##### **501.5.1 PRIVATE PROPERTY**

Reports may be taken for collisions occurring on private property when the collision results in injury to or death of any person or total apparent property damage of \$1,000 or more. This does not apply to privately owned residential parking areas or a privately owned parking lot where a fee is charged for parking or storing a vehicle (Tex. Transp. Code § 550.041).

#### 501.5.2 TRAFFIC COLLISIONS DAMAGING FENCES

An officer who responds to, or investigates, an incident involving a fence that the officer reasonably believes is intended to enclose livestock or other animals is required to immediately notify a landowner who has registered to receive notifications pursuant to Tex. Local Gov't Code § 370.004.

#### 501.5.3 CITY VEHICLE INVOLVED

A traffic collision report shall be taken when a City vehicle is involved in a traffic collision that results in property damage or injury.

A general information report may be taken in lieu of a traffic collision report at the direction of a supervisor when the incident occurs entirely on private property or does not involve another vehicle.

Whenever there is damage to a City vehicle, a vehicle damage report shall be completed and forwarded to the appropriate Division Commander. The traffic investigator or supervisor at the scene should determine what photographs should be taken of the scene and the vehicle damage.

#### 501.5.4 INJURED ANIMALS

Department members should refer to the Animal Control Policy when a traffic collision involves the disposition of an injured animal.

### 501.6 INVESTIGATION

When a traffic collision meets minimum reporting requirements, the investigation should include, at a minimum:

- (a) Identification and interview of all involved parties.
- (b) Identification and interview of any witnesses.
- (c) A determination of whether a violation of law has occurred and the appropriate enforcement action.
- (d) Identification and protection of items of apparent evidentiary value.
- (e) Documentation of the incident as necessary (e.g., statements, measurements, photographs, collection of evidence, reporting) on the appropriate forms.

#### 501.6.1 INVESTIGATION BY OUTSIDE LAW ENFORCEMENT AGENCY

The Patrol Commander or on-duty Shift Supervisor should request that the Texas Department of Public Safety or other outside law enforcement agency investigate and complete a traffic collision investigation when a life-threatening injury or fatal traffic collision occurs within the jurisdiction of the Aransas Pass Police Department and involves:

- (a) An on- or off-duty member of the Department.
  - 1. The involved member shall complete the department traffic collision form. If the member is unable to complete the form, the supervisor shall complete it.
- (b) An on- or off-duty official or employee of the City of Aransas Pass.

Department members shall promptly notify a supervisor when any department vehicle is involved in a traffic collision. The collision investigation and report shall be completed by the agency having jurisdiction.

#### **501.7 ENFORCEMENT ACTION**

After a thorough investigation in which physical evidence or independent witness statements indicate that a violation of a traffic law contributed to the collision, authorized members may issue a citation as appropriate (Tex. Transp. Code § 550.041).

More serious violations, such as driving under the influence of drugs or alcohol, vehicular manslaughter, or other felonies, shall be enforced. If a driver who is subject to enforcement action is admitted to a hospital, a supervisor shall be contacted to determine the best enforcement option.

#### **501.8 REPORTS**

Department members shall utilize forms provided by the Texas Department of Transportation (TXDOT) for the reporting of traffic collisions. All such reports shall be forwarded to the Patrol Division for approval and filing (Tex. Transp. Code § 550.063).

##### **501.8.1 REPORT MODIFICATION**

A change or modification of a written report that alters a material fact in the report may be made only by the member who prepared the report, and only prior to its approval and distribution. Once a report has been approved and distributed, corrections shall only be made by way of a written supplemental report. A written supplemental report may be made by any authorized member (Tex. Transp. Code § 550.068).

##### **501.8.2 PATROL COMMANDER RESPONSIBILITIES**

The responsibilities of the Patrol Commander include but are not limited to:

- (a) Ensuring the monthly and quarterly reports on traffic collision information and statistics are forwarded to the Patrol Division Commander or other persons as required.
- (b) All collision reports taken by members of this department involving injury, death, or more than \$1,000 in property damage must be submitted to TXDOT no later than the 10th day after the collision (Tex. Transp. Code § 550.062).

## Vehicle Towing

### 502.1 PURPOSE AND SCOPE

This policy provides guidance related to vehicle towing. Nothing in this policy shall require a member of this department to tow a vehicle.

### 502.2 POLICY

The Aransas Pass Police Department will tow vehicles when appropriate and in accordance with the law.

### 502.3 REMOVAL OF VEHICLES DUE TO HAZARD

When a vehicle should be towed because it presents a hazard, the owner or operator should arrange for the towing. Department members may assist by communicating requests through Dispatch to expedite the process.

If the owner or operator is unable to arrange for towing and the vehicle presents a hazard, the vehicle may be towed at the direction of the department member (Tex. Transp. Code § 545.305).

Vehicles that are not the property of the City should not be driven by department members unless it is necessary to move the vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or comply with posted signs.

### 502.4 ARREST SCENES

Whenever the owner or operator of a vehicle is arrested, the arresting officer should provide reasonable safekeeping by leaving the vehicle secured and lawfully parked at the scene or, when appropriate, by having the vehicle towed, such as when the vehicle presents a traffic hazard or the vehicle would be in jeopardy of theft or damage if left at the scene.

Officers are not required to investigate whether alternatives to towing a vehicle exist after an arrest. However, a vehicle should not be towed if reasonable alternatives exist. When considering whether to leave a vehicle at the scene, officers should take into consideration public safety as well as the reasonable safety of the vehicle and its contents.

The following are examples of situations where a vehicle should not be towed:

- The vehicle can be legally parked, left in a reasonably secure and safe location and is not needed as evidence.
- The vehicle is parked on private property, on which the arrestee or owner is legally residing, or the property owner does not object to the vehicle being parked at that location.
- The arrestee or owner of the vehicle requests that it be released to a person who is present, willing and able to legally take control of the vehicle.

- The vehicle is legally parked and the arrestee or owner requests that it be left at the scene. In such cases the requester should be informed that the Department will not be responsible for theft or damages.

#### **502.5 VEHICLES RELATED TO CRIMINAL INVESTIGATIONS**

Officers should tow vehicles that are needed for the furtherance of an investigation or prosecution of a case, or that are otherwise appropriate for seizure as evidence. Officers should make reasonable efforts to return a recovered stolen vehicle to its owner rather than have it towed, so long as the vehicle is not needed for evidence.

#### **502.6 RECORDS**

Records Division members shall ensure that pertinent data regarding a towed vehicle is promptly entered into the appropriate database.

##### **502.6.1 VEHICLE STORAGE REPORT**

Department members towing a vehicle shall complete a vehicle tow report. The report should be submitted to the Records Division as soon as practicable after the vehicle is towed.

##### **502.6.2 NOTICE OF TOW**

The vehicle storage facility holding a vehicle that has been impounded by this department is required to provide the registered owner or operator of the vehicle with formal notice of his/her right to a court hearing on whether probable cause existed for the removal of the vehicle (Tex. Occ. Code § 2303.151, Tex. Occ. Code § 2308.454).

If an owner or operator of an impounded vehicle contacts the Department to dispute an impound and it is determined that he/she has not received formal notice from the vehicle storage facility, the Records Division Manager should refer the owner or operator to the vehicle storage facility so that he/she may obtain a copy of such notice.

To ensure that the owner or operator of an impounded vehicle has a basic understanding of the remedies available, the Records Division Manager may advise the owner or operator of their right to submit a written request for a hearing to the justice court in accordance with Tex. Occ. Code § 2308.456.

If the impounded vehicle was abandoned as defined by Tex. Transp. Code § 683.002, the Records Division Manager should attempt to determine the names and addresses of any individuals having an interest in the vehicle as soon as practicable. The Records Division Manager shall send notice to all such individuals by certified mail within 10 days of the impound (Tex. Transp. Code § 683.012).

#### **502.7 TOWING SERVICES**

Members shall not show preference among towing services that have been authorized for use by the Department. A rotation or other system established by the Department for tow services should be followed.

#### **502.8 VEHICLE INVENTORY**

The contents of all vehicles towed at the request of department members shall be inventoried and listed on the inventory report. When reasonably practicable, photographs or body camera footage may be taken to assist in the inventory.

- (a) An inventory of personal property and the contents of open containers will be conducted throughout the passenger and engine compartments of the vehicle including, but not limited to, any unlocked glove box, other accessible areas under or within the dashboard area, any pockets in the doors or in the back of the front seat, in any console between the seats, under any floor mats and under the seats.
- (b) In addition to the passenger and engine compartments as described above, an inventory of personal property and the contents of open containers will also be conducted in any other type of unlocked compartments that are a part of the vehicle, including unlocked vehicle trunks and unlocked car top containers.
- (c) Any locked compartments including, but not limited to, locked glove compartments, locked vehicle trunks, locked hatchbacks and locked car-top containers should be inventoried, provided the keys are available and released with the vehicle to the third-party towing company or an unlocking mechanism for such compartment is available within the vehicle.
- (d) Closed containers located either within the vehicle or any of the vehicle's compartments will not be opened for inventory purposes except for the following: wallets, purses, coin purses, fanny packs, personal organizers, briefcases or other closed containers designed for carrying money, small valuables or hazardous materials.

Members should ask the occupants whether the vehicle contains any valuables or hazardous materials. Responses should be noted in the inventory report. If the occupant acknowledges that any closed container contains valuables or a hazardous material, the container shall be opened and inventoried. When practicable and appropriate, such items should be removed from the vehicle and given to the owner, or booked into property for safekeeping.

Any cash, jewelry or other small valuables located during the inventory process will be held for safekeeping, in accordance with the Property and Evidence Section Policy. A copy of the property receipt should be given to the person in control of the vehicle or, if that person is not present, left in the vehicle.

A copy of the vehicle inventory will be given to the tow truck operator.

These inventory procedures are for the purpose of protecting the vehicle owner's property, providing for the safety of department members and protecting the Department against fraudulent claims of lost, stolen or damaged property.

Towing a vehicle in order to perform an inventory should not be used as a pretext for an evidence search. Nothing in this policy prevents the towing of a vehicle that would occur for reasons independent of any suspicion that the vehicle may contain evidence if it is otherwise justified by law or this policy.

##### **502.9 SECURITY OF VEHICLES AND RETRIEVAL OF PROPERTY**

If the search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, the department member conducting the search shall take such steps as are reasonably necessary to secure or protect the vehicle or property from such hazards.

Unless it would cause an unreasonable delay in towing the vehicle or create an issue of officer safety, reasonable accommodations should be made to permit the owner, operator or occupant to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

Members who become aware that a vehicle may have been towed by the Department in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the owner or his/her agent to request a hearing to contest the tow.

## Impaired Driving

### 503.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving while intoxicated (DWI).

### 503.2 POLICY

The Aransas Pass Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Texas's impaired driving laws.

### 503.3 INVESTIGATIONS

Officers should not enforce DWI laws to the exclusion of their other duties unless specifically assigned to DWI enforcement. All officers are expected to enforce these laws with due diligence.

The Patrol Commander will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DWI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in Texas or another jurisdiction.

### 503.4 FIELD TESTS

The Patrol Commander should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DWI laws.

### 503.5 CHEMICAL TESTS

A person implies consent under Texas law to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Tex. Transp. Code § 724.011):

- (a) The person is arrested by an officer having reasonable grounds to believe the person is DWI.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

### *Impaired Driving*

---

- (b) The person is under 21 years of age and is arrested by an officer for operating a motor vehicle in a public place while having any detectable amount of alcohol in the person's system.

If a person withdraws this implied consent, or is unable to withdraw consent (*e.g.*, the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

#### 503.5.1 STATUTORY NOTIFICATIONS

Before requesting that a person submit to the taking of a breath or blood sample, whether or not consent has been given, the officer shall inform the person orally and in writing of the required information contained in Tex. Transp. Code § 724.015.

#### 503.5.2 BREATH SAMPLES

The Patrol Commander should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Patrol Commander.

#### 503.5.3 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Tex. Transp. Code § 724.017). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test shall not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

#### 503.5.4 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample.

### *Impaired Driving*

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

#### 503.5.5 ADDITIONAL TESTING

A person who submits to a chemical test at the request of an officer may, on request and within a reasonable time (not to exceed two hours after arrest), have a qualified medical professional of the person's own choosing take an additional specimen of the person's blood for analysis. While the person must be provided with a reasonable opportunity to contact a professional to respond and administer an additional sample, officers are not required to transport the person for testing (Tex. Transp. Code § 724.019).

#### 503.6 REFUSALS

When an arrestee refuses to provide a chemical sample, officers should:

- (a) Advise the arrestee of the requirement to provide a sample (Tex. Transp. Code § 724.011).
- (b) Audio- and/or video-record the admonishment and the response when it is practicable.
- (c) Document the refusal in the appropriate report.

#### 503.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of license suspension or denial upon the person (Tex. Transp. Code § 724.032).

#### 503.6.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses to submit to a chemical test when any of the following conditions exist (Tex. Transp. Code § 724.012):

- (a) A search warrant has been obtained.
- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts, such as a lengthy time delay resulting from a collision investigation or medical treatment of the person.

#### 503.6.3 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes, a viable form of testing in a timely manner.

- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer), and attempt to persuade the individual to submit to providing such a sample without physical resistance.
  - 1. This dialogue should be recorded on audio and/or video when practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure that the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
  - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
  - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
  - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform the duties of a supervisor, as set forth above.

#### **503.7 ARREST AND INVESTIGATION**

##### **503.7.1 OFFICER RESPONSIBILITIES**

If a person refuses to submit to a chemical test, the officer shall request that the person sign a statement of refusal (Tex. Transp. Code § 724.031). In addition, the officer shall make a written report of the refusal (Tex. Transp. Code § 724.032).

The officer shall forward a copy of the refusal report and notice of suspension or denial to the Department of Public Safety (DPS) on the prescribed forms within five business days (Tex. Transp. Code § 724.032).

##### **503.7.2 REPORTING**

The Patrol Commander shall ensure that this department complies with all state reporting requirements pursuant to (Tex. Gov't. Code § 411.049).

#### **503.8 RECORDS DIVISION RESPONSIBILITIES**

The Records Manager will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

Upon request of a person stopped or arrested for DWI, the Records Manager shall supply a copy of any video recordings related to the stop or arrest as required by Tex. Code of Crim. Pro. art. 2.1396.

##### **503.9 ADMINISTRATIVE HEARINGS**

The Records Manager will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to the DPS.

Any officer who receives notice of required attendance at an administrative license suspension hearing should promptly notify the prosecuting attorney.

An officer called to testify at an administrative hearing should document the hearing date and the DPS file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

## Traffic and Parking Citations

### 504.1 PURPOSE AND SCOPE

This policy outlines the responsibilities for issuing, correcting, voiding and dismissing traffic and parking citations.

### 504.2 POLICY

It is the policy of the Aransas Pass Police Department to enforce traffic laws fairly and equally. Authorized members may issue a traffic citation, parking citation, or written or verbal warning based upon the circumstances of the contact and in the best interest of the motoring public and community safety.

### 504.3 RESPONSIBILITIES

The Records Division shall be responsible for the supply and accounting of all traffic and parking citations issued to members of this department. Citations will be kept in a secure location and issued to members by the Records Division staff. Members will sign for the citation books when issued or upon return of unused citations.

Members of the Aransas Pass Police Department shall only use department-approved traffic and parking citation forms.

#### 504.3.1 WRITTEN WARNINGS

Written warnings may be issued when the department member believes it is appropriate. The Records Division should maintain information relating to traffic stops in which a written warning is issued. Written warnings are retained by this department in accordance with the established records retention schedule. Officers are required to issue either a written citation or warning for all motor vehicle stops made.

### 504.4 TRAFFIC CITATIONS

#### 504.4.1 CORRECTION

When a traffic citation is issued but is in need of correction, the member issuing the citation shall submit the citation and a letter to his/her immediate supervisor requesting a specific correction. Once approved, the citation and letter shall then be forwarded to the Records Division. The Records Manager or the authorized designee shall prepare a letter of correction to the court having jurisdiction and notify the citation recipient in writing.

#### 504.4.2 VOIDING

Voiding a traffic citation may occur when the citation has not been completed or when it is completed but not issued. All copies of the voided citation shall be presented to a supervisor for approval. The citation and copies shall then be forwarded to the Records Division.

#### 504.4.3 DISMISSAL

Members of this department do not have the authority to dismiss a traffic citation once it has been issued and forwarded to the courts. Only the court has that authority. Any request from a recipient to dismiss a citation shall be referred to the Patrol Commander. Upon a review of the circumstances involving the issuance of the traffic citation, the Patrol Commander may request the Patrol Division Commander to recommend dismissal. If approved, the citation will be forwarded to the appropriate prosecutor with a request for dismissal. All recipients of traffic citations whose request for dismissal has been denied shall be referred to the appropriate court.

Prior to a court hearing, a member may submit a request for dismissal of a traffic citation to his/her supervisor. The request must be in writing and should include the reason for dismissal (i.e., in the interest of justice, prosecution is deemed inappropriate). Upon a review of the circumstances involving the issuance of the traffic citation, the supervisor may forward the request to the Patrol Division Commander to recommend dismissal. If approved, the citation will be forwarded to the appropriate prosecutor with a request for dismissal.

Should a member determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate, the member may request the court to dismiss the citation. Upon such dismissal, the member shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required, and forward it to the Patrol Division Commander for review.

#### 504.4.4 DISPOSITION

The court and file copies of all traffic citations issued by members of this department shall be forwarded to the member's immediate supervisor for review by the end of each shift. The citation copies shall then be filed with the Records Division.

Upon separation from appointment or employment with this department, all members who were issued traffic citation books shall return any unused citations to the Records Division.

#### 504.4.5 JUVENILE CITATIONS

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency and the type of offense should be considered before issuing a juvenile a citation.

#### 504.4.6 DATA COLLECTION

For data collection requirements related to racial profiling laws, see the Bias-Based Policing policy.

## Disabled Vehicles

### 505.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for department members who provide assistance to motorists in disabled vehicles within the primary jurisdiction of the Aransas Pass Police Department.

### 505.2 POLICY

It is the policy of the Aransas Pass Police Department to assist motorists with disabled vehicles until those vehicles are safely removed from the roadway. Members should take appropriate action to mitigate potential problems when a vehicle constitutes a traffic hazard or the safety of the motorist is a concern.

### 505.3 RESPONSIBILITIES

When an on-duty member of this department sees a disabled vehicle on the roadway, the member should make a reasonable effort to provide assistance. If this is not reasonably possible, the telecommunications operator should be advised of the location of the disabled vehicle and the need for assistance. The telecommunications operator should then assign another department member to respond as soon as practicable.

### 505.4 ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department members will be contingent on the time of day, the location, the availability of department resources and the vulnerability of the disabled motorist.

#### 505.4.1 MECHANICAL REPAIRS

Department members shall not make mechanical repairs to a disabled vehicle. The use of push bumpers, with consent of the owner, to relocate vehicles to a position of safety is not considered a mechanical repair.

#### 505.4.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

#### 505.4.3 RELOCATION OF MOTORISTS

The relocation of a motorist with a disabled vehicle should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the motorist or transport him/her to a safe area to await pickup.

## License Plate Reader Program

### 506.1 POLICY

The Aransas Pass Police Department will utilize Automated License Plate Readers (ALPR) to assist in providing safety to the residents of the City. This policy establishes the use of ALPR technology.

### 506.2 PURPOSE

The primary purpose of the Aransas Pass Police Department Automated License Plate Readers (ALPR) system is to provide a tool for use by Patrol and Criminal Investigations personnel. This tool assists in the detection and apprehension of vehicles and/or persons traveling through the jurisdiction of the Aransas Pass Police Department in a vehicle that has license plates that have been entered either into the National Crime Index Computer or on the APPD ALPR Hotlist. The ALPR system can also be utilized by APPD Detectives to assist in the development of leads that can eventually identify suspects who have committed crimes within the City.

### 506.3 PROCEDURES

This document establishes procedures for the lawful and proper use of ALPR technology. It provides for the best use of ALPR technology while at the same time protecting the rights of residents and motorists traveling on public roadways while in the Aransas Pass Area of Jurisdiction.

- A. General - The ALPR Program will be managed by the Command staff of the department to ensure that the equipment is being effectively utilized and maintained. The Chief of Police, Patrol, and CID Commanders will be responsible for determining the locations for the placement of ALPR system equipment. Locations will be determined based on maximum captures of license plates at points of ingress and egress into the City, natural choke points where vehicle traffic must pass before entering sections of the City, and/or locations based on criminal activity.
  - 1. Through a grant, the APPD has been authorized and funded for a total of 8 ALPR systems.  
Seven fixed locations and one mobile application. Additional cameras may be installed in the future.
- B. Communications Responsibilities - The Communications section of the APPD shall be responsible for monitoring the ALPR system. All hits received will sound an alert in the Communications dispatch center. Upon receiving an alert, on-duty dispatch personnel will immediately verify the captured plate (photo) with the wanted/suspect plate number displayed as the wanted plate from either NCIC, TCIC, or the APPD Hotlist. Upon visual verification of the plate/tag, the dispatcher will manually verify the wanted plate with NCIC to determine if it is still outstanding as wanted.
  - 1. Wanted/stolen plates that are verified will result in an immediate dispatch of an officer as a

priority event.

- (a) Stolen License Plates – On all stolen license plate hits, dispatch personnel will check the stolen plate through MVD. Should the stolen plate come back to a vehicle with the same make, model, and color of the vehicle that the stolen plate is currently being displayed on, the dispatched units shall be immediately advised of that fact. Officers should note that the plate may be a secondary license plate and not stolen.
  2. Hotlist Alerts may include specific instructions to field personnel. Those instructions will also be relayed to on-duty personnel during the dispatch. i.e. "stop only with probable cause and ID occupants."
  3. APPD dispatch personnel shall be responsible for notification of the NCIC/TCIC information submitting jurisdiction of the recovery of wanted stolen vehicles and the status of any arrests. The notification shall be as per NCIC/TCIC protocols.
- C. Patrol Responsibilities - Upon being notified of an ALPR notification, on-duty personnel will respond to the area of the capture and look for the suspect vehicle. If the vehicle is located, proper traffic stop procedures shall be followed based on the type of hit, officer observations, and other factors present. The first officer identifying the wanted vehicle should wait for appropriate backup before initiating a traffic stop or engaging the vehicle. High-Risk Vehicle Stops, if conducted, will be properly documented.
1. CID may be requested to assist with any felony in-custody arrest(s) as needed.
  2. The District Attorney's Office may be contacted to assist in determining what if any, charges are appropriate.
  3. ALPR notifications and results will be included in daily passdown reports.
  4. Call dispositions where the ALPR system played a role shall indicate the disposition "flock" as a secondary or tertiary disposition.
- D. Criminal Investigations Responsibilities
1. CID personnel shall utilize ALPR data to assist in identifying suspects involved in criminal activity in the Aransas Pass area.
  2. CID personnel shall have search access enabling them to search the database for vehicles, persons, or animals.
  3. When CID personnel utilize ALPR data to assist in identifying a suspect or vehicle linked to criminal activity, the ALPR data shall be downloaded from the system and attached to the investigative report as evidence.

#### E. Supervisory Responsibilities

1. The on-duty Supervisor shall respond to all ALPR hits that result in any use of force, including the display of a firearm.
2. Should a vehicle fail to stop for a marked unit with all emergency equipment activated, the on-duty Supervisors shall determine if the reason for the vehicle being in the ALPR database warrants that the pursuit be allowed to continue. When appropriate, pursuit termination devices and techniques shall be considered before attempting to stop any wanted violent crime ALPR suspects vehicle. The department pursuit & PIT policy shall apply should the vehicle fail to stop.

#### **506.4 ALPR DATA**

The APPD ALPR system database and capture information will be used for official law enforcement

purposes only. Personnel shall only access the database for investigative/administrative purposes only and treat all data as confidential. Utilizing the ALPR system for any other reason will require the approval of the Chief of Police.

- A. Personnel will not enter any license plates into the APPD "Hotlist" unless the vehicle is currently wanted/suspected in/of criminal activity. All hotlist vehicles shall include a case/cad number and reason for the vehicle being in the system. All hotlist vehicles shall have an expiration date.
- B. ALPR capture data shall be purged after 30 days unless it is evidence or necessary for an ongoing case.
- C. When personnel becomes aware of invalid data being contained within the state NCIC/TCIC database, APPD personnel shall notify the contributing agency and document who was notified by name and title on the CAD report.
- D. APPD may enter into data-sharing agreements with other law enforcement agencies as determined by the Chief of Police.

#### **506.5 PRIVATELY OWNED/FUNDED ALPR SYSTEMS**

The APPD recognizes that residents may want to purchase privately owned ALPR systems and link them

to the APPD network of systems. All private systems linked to the APPD system must be approved by

the Chief of Police. All data received by the APPD shall become APPD data and subject to all provisions

of this policy. The APPD must be provided search capabilities to any linked ALPR system. The APPD

shall not be responsible for any costs associated with a privately funded ALPR system.

- A. Privately owned ALPR systems must meet all local government right-of-way ordinances, rules, and regulations.
- B. The APPD will not actively monitor any privately-owned ALPR or Video system.

any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of an officer shall be requested.

#### **600.4 CUSTODIAL INTERROGATION REQUIREMENTS**

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

##### **600.4.1 AUDIO/VIDEO RECORDINGS**

Any custodial interrogation of an individual who is suspected of having committed any felony offense listed in Tex. Code of Crim. Pro. art. 2.32 shall be recorded (audio or video with audio as available) in its entirety when conducted at the Aransas Pass Police Department, jail, or any other law enforcement facility unless (Tex. Code of Crim. Pro. art. 2.32):

- (a) The suspect refuses to respond or cooperate while being recorded.
  - 1. A refusal by a suspect to provide a recorded statement should be recorded when possible.
  - 2. The refusal should be documented in the associated report.
- (b) There is an equipment malfunction.
- (c) Exigent circumstances exist.
- (d) The person was not suspected of one of the listed offenses when the interrogation began.

Any custodial interrogation of any other violent felony offense should also be recorded in its entirety. Regardless of where the interrogation occurs, reasonable efforts should be made to secure functional recording equipment to accomplish such recordings. If the person expresses the desire to provide a voluntary oral statement during the course of the interrogation, officers should ensure that the requirements of Tex. Code of Crim. Pro. art 38.22 are satisfied to facilitate the admissibility of the statement.

Consideration should also be given to recording any investigative interview when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered until a final conviction is obtained, all direct appeals are exhausted or prosecution is barred by law (Tex. Code of Crim. Pro. art 38.22). Written authorization from the prosecuting attorney and the Criminal Investigations Division supervisor should be obtained and placed in the related case file. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete, and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

##### **600.5 DISCONTINUATION OF INVESTIGATIONS**

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, there is no reasonable belief that the person who committed the crime can be identified and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
  - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
  - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor; charges have been filed; further investigation is not reasonable, warranted or requested; and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.
- (f) Investigation has proved that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Family Violence, Child Abuse, Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

##### **600.6 COMPUTERS AND DIGITAL EVIDENCE**

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

##### **600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES**

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment,

the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the Internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and Criminal Organizations policies).

##### **600.7.1 ACCESS RESTRICTIONS**

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any Internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an Internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

##### **600.7.2 INTERCEPTING ELECTRONIC COMMUNICATION**

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

##### **600.8 MODIFICATION OF CHARGES FILED**

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Division Commander or the Chief of Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

# Sexual Assault Investigations

## 601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

### 601.1.1 DEFINITIONS

Definitions related to this policy include:

**Sexual assault** - Any crime or attempted crime of a sexual nature, to include, but not limited to, offenses defined in Title 5, Chapter 21 (Sexual Offenses) and Chapter 22 (Assaultive Offenses) of the Texas Penal Code and in Tex. Penal Code § 25.02 (Prohibited Sexual Conduct).

**Sexual Assault Response Team (SART)** - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

## 601.2 POLICY

It is the policy of the Aransas Pass Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

## 601.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies, and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates, and support for the victim.
- (f) Participate in or coordinate with SART or other multidisciplinary investigative teams as applicable.
- (g) Ensure relevant information is included in the FBI's Violent Criminal Apprehension Program (ViCAP) as required by Tex. Gov't Code § 420.036.

##### **601.4 REPORTING**

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

##### **601.5 VICTIM INTERVIEWS**

The primary considerations in sexual assault investigations, which begin with the initial call to Dispatch, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of the SART or the multidisciplinary response team should be included in the initial victim interviews.

An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded should be included in a report.

Officers conducting an investigative interview with an adult victim shall offer the victim an opportunity to have a trained sexual assault program advocate present, or if not available, a crime victim liaison (all APPD detectives shall serve as crime victim liaisons) or other properly trained officer from the Department or victim's assistance counselor, provided such support would not unreasonably delay the interview process (Tex. Code of Crim. Pro. art. 56A.3515).

##### **601.5.1 POLYGRAPH EXAMINATIONS**

Members of the Aransas Pass Police Department may not request or require a victim of a sexual assault to submit to a polygraph examination, nor take a polygraph examination of a victim of certain crimes specified by law (34 USC § 10451; Tex. Code of Crim. Pro. art. 15.051).

##### **601.5.2 VICTIM CONFIDENTIALITY**

Officers investigating or receiving a report of an alleged sex offense may keep the identity of the victim confidential by providing the victim with a pseudonym form as provided to this department by the Sexual Assault Prevention and Crisis Services program of the Texas Office of the Attorney General. The victim may choose a pseudonym to be used instead of his/her name (Tex. Code of Crim. Pro. art. 58.102).

Once the pseudonym form has been completed by the victim and returned to this department, the Department may not be required to disclose the victim's name, address, and telephone number. The Department shall also (Tex. Code of Crim. Pro. art. 58.103):

- (a) Remove the victim's name and substitute the pseudonym for the name on all reports, files, and records in the Department's possession.

---

- (b) Notify the attorney for the state of the pseudonym and that the victim has elected to be designated by the pseudonym.
- (c) Maintain the form in a manner that protects the confidentiality of the information.

#### 601.5.3 VICTIM'S RIGHTS

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

#### **601.6 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE**

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

Subject to the requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

#### 601.6.1 COLLECTION AND TESTING REQUIREMENTS

Members investigating sexual assaults or handling related evidence are required to do the following (Tex. Gov't Code § 420.041; Tex. Gov't Code § 420.042):

- (a) Use an evidence collection kit provided by the Attorney General (Tex. Gov't Code § 420.031)
- (b) Upon notice from a health care facility or other entity that performs a medical examination, take possession of the evidence collected within the time frame specified in Tex. Gov't Code § 420.035
- (c) Enter required information into the ViCAP database (Tex. Gov't Code § 420.036)
- (d) Submit the evidence to an accredited crime laboratory for analysis within 30 days from the date the evidence was received
  - 1. If evidence is not timely submitted, the Chief of Police or the authorized designee shall submit a written explanation within 30 days of discovering the delay.
- (e) Provide any additional information requested by the crime laboratory within five business days of the request when a match between the biological evidence and a profile contained in a DNA database has been identified by the laboratory (Tex. Gov't Code § 420.0431)

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

### *Sexual Assault Investigations*

- (f) Acknowledge the receipt of notice of a case-to-case match identified between the biological evidence and a profile contained in a DNA database within five business days of receipt (Tex. Gov't Code § 420.0431)
- (g) Within 30 business days after receiving notice from the crime laboratory that a verified match has identified a suspect, make reasonable attempts to collect a biological sample from the suspect and submit it to the laboratory for DNA analysis (Tex. Gov't Code § 420.0431)

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Section Policy.

#### 601.6.2 DNA TEST RESULTS

No later than five business days after receiving notice that a profile contained in a DNA database has been identified as a match to the biological evidence, the member investigating a sexual assault case shall notify the victim of the match, or, if disclosing the match would interfere with the case, the estimated date in which the match will be disclosed (Tex. Gov't Code § 420.0432). If requested, upon receipt of any other results from the DNA analysis, investigating member shall, as soon as reasonably practicable, notify the victim of the results, or, if disclosing the results would interfere with the case, the estimated date in which the results will be disclosed (Tex. Code of Crim. Pro. art. 56A.052).

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in by the Victim and Witness Assistance policy.

Members investigating sexual assaults cases should ensure that DNA results are entered into databases when appropriate and as soon as practicable.

#### 601.6.3 PROHIBITED USE OF FORENSIC MEDICAL EVIDENCE

The Aransas Pass Police Department will not use forensic medical evidence collected from a sexual assault victim to investigate a misdemeanor offense, or any offense that falls under the Texas Controlled Substances Act alleged to have been committed by the victim (Tex. Code of Crim. Pro. art. 38.435).

#### 601.6.4 REQUESTS FOR FORENSIC MEDICAL EXAMINATIONS

Officers shall refer victims for a forensic medical examination when a sexual assault is reported within 120 hours of the offense or when the victim is a minor, regardless of the amount of time that has passed between the offense and report of the offense. If a sexual assault is not reported within 120 hours of the offense and the victim is not a minor, officers should still refer the victim for a forensic medical examination when it would further the investigation (Tex. Code of Crim. Pro. art. 56A.303).

#### *Sexual Assault Investigations*

---

##### **601.7 DISPOSITION OF CASES**

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Criminal Investigations Division supervisor.

Classification of a sexual assault case as unfounded requires the Criminal Investigations Division supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

##### **601.8 CASE REVIEW**

The Criminal Investigations Division supervisor should ensure cases are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART or multidisciplinary response team and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police.

##### **601.9 RELEASING INFORMATION TO THE PUBLIC**

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Criminal Investigations Division supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

##### **601.10 TRAINING**

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
  1. Initial response to sexual assaults.
  2. Legal issues.
  3. Victim advocacy.
  4. Victim's response to trauma.
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
  1. Interviewing sexual assault victims.

## Asset Forfeiture

### 602.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses.

#### 602.1.1 DEFINITIONS

Definitions related to this policy include:

**Fiscal agent** - The person designated by the Chief of Police to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings. This includes any time the Aransas Pass Police Department seizes property for forfeiture or when the Aransas Pass Police Department is acting as the fiscal agent pursuant to a multi-agency agreement.

**Forfeiture** - The process by which legal ownership of an asset is transferred to a government or other authority.

**Forfeiture reviewer** - The department member assigned by the Chief of Police who is responsible for reviewing all forfeiture cases and acting as the liaison between the Department and the assigned forfeiture attorney.

**Property subject to forfeiture** - Also referred to as contraband, is property of any nature, including real, personal, tangible, or intangible property that is either used or intended to be used in the commission/facilitation of certain offenses, or that has been acquired directly or indirectly through the commission of certain offenses as specified in Tex. Code of Crim. Pro. art. 59.01(2) and Tex. Civ. Prac. & Rem. Code § 140B.102. Contraband may also include proceeds gained from the commission of offenses as specified in Tex. Code of Crim. Pro. art. 59.01(2). However, contraband as defined by Tex. Code of Crim. Pro. art. 59.01(2)(B)(v) related to the Texas Litter Abatement Act only applies to a municipality with a population of 250,000 or more (Tex. Code of Crim. Pro. art. 59.02).

Property subject to forfeiture may also include items associated with a conviction related to gambling, an offense involving a criminal instrument (specially designed, made, or adapted for use in the commission of an offense), possession of an obscene device or material, child pornography, or for an offense involving a scanning device or a re-encoder (Tex. Code of Crim. Pro. art. 18.18).

**Seizure** - The act of law enforcement officials taking property, cash, or assets that have been used in connection with or acquired by specified illegal activities.

### 602.2 POLICY

The Aransas Pass Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential of revenue shall not be allowed to jeopardize the effective investigation and prosecution

of criminal offenses, officer safety, the integrity of ongoing investigations or any person's due process rights.

It is the policy of the Aransas Pass Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeitures.

#### **602.3 ASSET SEIZURE**

Property may be seized for forfeiture as provided in this policy.

##### **602.3.1 PROPERTY SUBJECT TO SEIZURE**

The following property may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer (Tex. Code of Crim. Pro. art. 59.03; Tex. Civ. Prac. & Rem. Code § 140B.105):

- (a) Property subject to forfeiture seized under the authority of a search warrant or other court order.
- (b) Property subject to forfeiture may be seized without warrant under any of the following circumstances:
  - 1. The owner, operator, or agent in charge of the property knowingly consents to the seizure.
  - 2. The owner, operator, or agent in charge of the property knowingly consented to a search that led to the discovery of the property subject to forfeiture and the seizing officer has a reasonable belief that a substantial connection exists between the property and the criminal activity.
  - 3. The seizure was incident to a lawful arrest, lawful search, or lawful search incident to arrest and the seizing officer has a reasonable belief that a substantial connection exists between the property and the criminal activity.

Whenever practicable, obtaining a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

##### **602.3.2 PROPERTY NOT SUBJECT TO SEIZURE**

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the forfeiture attorney's current minimum forfeiture thresholds
- (b) Property when it is reasonably known to the officer that a third party may be an "innocent owner" as defined by Texas law (Tex. Code of Crim. Pro. art. 59.02).

If there is a question as to whether a third party might be an innocent owner, the officer should seek guidance from the forfeiture reviewer or the assigned attorney.

#### 602.3.3 CONTRABAND LOCATED OUT OF STATE

If property subject to seizure is located out of state, the officer making such discovery shall provide the forfeiture attorney with a sworn statement that identifies the contraband and reasons it is subject to seizure so that a notice of intended forfeiture may be filed in the appropriate state court (Tex. Code of Crim. Pro. art. 59.022).

#### 602.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS

When property or cash subject to this policy is seized, the officer making the seizure should ensure compliance with the following:

- (a) Complete the applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.
- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The officer will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere; the whereabouts of the property is unknown; it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

#### 602.4.1 DOCUMENTATION AND FOLLOW UP

An officer who seizes property subject to forfeiture shall (Tex. Code of Crim. Pro. art. 59.03):

- (a) Provide the forfeiture attorney with a sworn statement containing a list of the property seized, an acknowledgement that the officer has seized the property and an explanation of the officer's reasons for the seizure.
- (b) Document an assertion of an interest in, or right to, the property by the person in possession of the property at the time of seizure.

No member may request, require or in any manner induce any person, including a person who asserts an interest in, or right to, the property, to execute a document purporting to waive the person's interest in, or rights to, property seized under this chapter (Tex. Code of Crim. Pro. art. 59.03).

Within 72 hours after the seizure, the officer shall place the property under seal, remove the property to a place ordered by the court or have the property taken into custody by another agency having jurisdiction.

#### **602.4.2 DOCUMENTATION IN SUITS FOR PROCEEDS**

An officer who identifies proceeds gained from the commission of an offense specified in Tex. Code of Crim. Pro. art 59.01(2) shall provide the forfeiture attorney for the state with an affidavit identifying the amount of the proceeds and the officer's basis for probable cause to believe the proceeds are contraband subject to forfeiture (Tex. Code of Crim. Pro. art. 59.023).

#### **602.5 MAINTAINING SEIZED PROPERTY**

The Property and Evidence Section supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.
- (b) All property received for forfeiture is checked to determine whether the property has been stolen.
- (c) All property received for forfeiture is retained in the same manner as evidence until forfeiture is finalized or the property is returned to the claimant or the person with an ownership interest.
- (d) Property received for forfeiture is not used unless the forfeiture action has been completed.
- (e) Forfeitable property is retained until such time as its use as evidence is no longer required.

#### **602.6 FORFEITURE REVIEWER**

The Chief of Police will appoint a forfeiture reviewer. Prior to assuming duties, or as soon as practicable thereafter, the forfeiture reviewer should attend a course approved by the Department on asset forfeiture.

The responsibilities of the forfeiture reviewer include:

- (a) Remaining familiar with forfeiture laws, particularly the Tex. Code of Crim. Pro. art. 59.01 et seq., Tex. Code of Crim. Pro. art. 18.18, Tex. Civ. Prac. & Rem. Code § 140B.101 et seq., and the forfeiture policies of the forfeiture attorney's office.
- (b) Serving as the liaison between the Department and the forfeiture attorney and ensuring prompt legal review of all seizures.
- (c) Making reasonable efforts to obtain annual training that includes best practices in pursuing, seizing, and tracking forfeitures.
- (d) Reviewing each seizure-related case and deciding whether the seizure is more appropriately made under state or federal seizure laws. The forfeiture reviewer should contact federal authorities when appropriate.

  - 8. Current minimum forfeiture thresholds are communicated appropriately to officers.
  - 9. This policy and any related policies are periodically reviewed and updated to reflect current federal and state statutes and case law.

Forfeiture proceeds should be maintained in a separate fund or account subject to appropriate accounting control, with regular reviews or audits of all deposits and expenditures (Tex. Code of Crim. Pro. art. 59.06).

Forfeiture reporting and expenditures should be completed in the manner prescribed by the law and City financial directives (Tex. Code of Crim. Pro. art. 59.06).

#### **602.7 DISPOSITION OF FORFEITED PROPERTY**

No member of this department may use property that has been seized for forfeiture until the forfeiture action has been completed and the Chief of Police has given written authorization to retain the property for official use. No department member involved in the decision to seize property should be involved in any decision regarding the disposition of the property.

##### **602.7.1 PROHIBITIONS**

Proceeds or property received under Tex. Code of Crim. Pro. art. 59.01 et seq. will not be used to (Tex. Code of Crim. Pro. art. 59.06):

- (f) Make any expenditure not approved by the proper authority.
- (g) Increase a salary, expense or allowance for an employee of the law enforcement agency, a forfeiture attorney who is budgeted by the commissioner's court or the governing body of the municipality, unless the commissioner's court or the governing body first approves the increase.

# Informants

## 603.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

### 603.1.1 DEFINITIONS

Definitions related to this policy include:

**Informant** - A person who covertly interacts with other individuals or suspects at the direction or request of, or by agreement with, the Aransas Pass Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Aransas Pass Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

## 603.2 POLICY

The Aransas Pass Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

## 603.3 USE OF INFORMANTS

### 603.3.1 INITIAL APPROVAL

Before using an individual as an informant, an officer must receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

### 603.3.2 JUVENILE INFORMANTS

The use of informants under the age of 13 is prohibited.

In all cases, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

- (b) The juvenile's attorney, if any
- (c) The court in which the juvenile's case is being handled, if applicable
- (d) The Chief of Police or the authorized designee

#### **603.3.3 INFORMANT AGREEMENTS**

All informants are required to sign and abide by the provisions of the designated department informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

#### **603.4 INFORMANT INTEGRITY**

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police, Division Commander, Narcotics Unit supervisor or their authorized designees.
  - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Criminal activity by informants shall not be condoned.
- (c) Informants shall be told they are not acting as police officers, employees or agents of the Aransas Pass Police Department, and that they shall not represent themselves as such.
- (d) The relationship between department members and informants shall always be ethical and professional.
  - 1. Members shall not become intimately involved with an informant.
  - 2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the Narcotics Unit supervisor.
  - 3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
- (e) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the Narcotics Unit supervisor.
  - 1. Officers may meet informants alone in an occupied public place, such as a restaurant.
- (f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.
- (g) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

### *Informants*

---

#### **603.4.1 UNSUITABLE INFORMANTS**

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this department to further criminal objectives.
- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

#### **603.5 INFORMANT FILES**

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

Informant files shall be maintained in a secure area within the Narcotics Unit. The Narcotics Unit supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police, Division Commander, Narcotics Unit supervisor or their authorized designees.

The Criminal Investigations Division Commander should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Narcotics Unit supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure

compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

#### **603.5.1 FILE SYSTEM PROCEDURE**

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

- (a) Name and aliases
- (b) Date of birth
- (c) Physical description: sex, race, height, weight, hair color, eye color, scars, tattoos or other distinguishing features
- (d) Photograph
- (e) Current home address and telephone numbers
- (f) Current employers, positions, addresses and telephone numbers
- (g) Vehicles owned and registration information
- (h) Places frequented
- (i) Briefs of information provided by the informant and his/her subsequent reliability
  - 1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (j) Name of the officer initiating use of the informant
- (k) Signed informant agreement
- (l) Update on active or inactive status of informant

#### **603.6 INFORMANT PAYMENTS**

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The Narcotics Unit supervisor will discuss the above factors with the Patrol Division Commander and recommend the type and level of payment, subject to approval by the Chief of Police.

#### 603.6.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

- (a) Payments of \$500 and under may be paid in cash from a Narcotics Unit buy/expense fund.
  - 1. The Narcotics Unit supervisor shall sign the voucher for cash payouts from the buy/expense fund.
- (b) Payments exceeding \$500 shall be made by issuance of a check, payable to the officer who will be delivering the payment.
  - 1. The check shall list the case numbers related to and supporting the payment.
  - 2. A written statement of the informant's involvement in the case shall be placed in the informant's file.
  - 3. The statement shall be signed by the informant verifying the statement as a true summary of his/her actions in the case.
  - 4. Authorization signatures from the Chief of Police and the City Manager are required for disbursement of the funds.
- (c) To complete the payment process for any amount, the officer delivering the payment shall complete a cash transfer form.
  - 1. The cash transfer form shall include:
    - (a) Date.
    - (b) Payment amount.
    - (c) Aransas Pass Police Department case number.
    - (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
  - 2. The cash transfer form shall be signed by the informant.
  - 3. The cash transfer form will be kept in the informant's file.

#### 603.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as “other income” and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant’s file.

#### 603.6.3 AUDIT OF PAYMENTS

The Narcotics Unit supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, the Chief of Police or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

# Eyewitness Identification

## 604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques.

### 604.1.1 DEFINITIONS

Definitions related to this policy include:

**Eyewitness identification process** - Any field identification, live lineup or photographic identification.

**Field identification** - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

**Live lineup** - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

**Photographic lineup** - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

## 604.2 POLICY

The Aransas Pass Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

## 604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers (Tex. Code of Crim. Pro. art. 38.20).

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

## 604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Criminal Investigations Division supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications (Tex. Code of Crim. Pro. art. 38.20).

The process should include appropriate forms or reports that provide:

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

### *Eyewitness Identification*

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.

The process and related forms should be reviewed at least annually and modified when necessary.

#### **604.5 EYEWITNESS IDENTIFICATION**

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

#### **604.6 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS**

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness. Techniques to achieve this include randomly numbering photographs, shuffling folders or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably

stand out (Tex. Code. of Crim. Pro. art. 38.20). In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding (Tex. Code of Crim. Pro. art. 38.20).

#### **604.7 FIELD IDENTIFICATION CONSIDERATIONS**

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identification. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
  - 1. The length of time the witness observed the suspect.
  - 2. The distance between the witness and the suspect.
  - 3. Whether the witness could view the suspect's face.
  - 4. The quality of the lighting when the suspect was observed by the witness.
  - 5. Whether there were distracting noises or activity during the observation.
  - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
  - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.

# Aransas Pass Police Department

## Aransas Pass Police Policy Manual (new)

Aransas Pass Police Policy Manual (new)

### *Eyewitness Identification*

---

- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of a show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow-up, if necessary.

#### **604.8 DOCUMENTATION**

A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

#### **604.9 TRAINING**

The Training Coordinator shall ensure that an eyewitness identification education and training program established by the Texas Commission on Law Enforcement (TCOLE) is provided to officers (Tex. Code of Crim. Pro. art. 2.1386).

## Brady Information

### 605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

#### 605.1.1 DEFINITIONS

Definitions related to this policy include:

**Brady information** - Information known or possessed by the Aransas Pass Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

### 605.2 POLICY

The Aransas Pass Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Aransas Pass Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

### 605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the department case file.

### *Brady Information*

---

#### **605.4 BRADY PROCESS**

The Chief of Police shall select a member of the Department to coordinate requests for *Brady* information. This person shall be directly responsible to the Administration Division Commander or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the appropriate prosecutors' offices and the City Attorney's office to establish systems and processes to determine what constitutes *Brady* information and the method for notification and disclosure.
- (b) Maintaining a current list of members who have *Brady* information in their files or backgrounds.
  - 1. Updating this list whenever potential *Brady* information concerning any department member becomes known to the Department or is placed into a personnel or internal affairs file.

#### **605.5 DISCLOSURE OF REQUESTED INFORMATION**

If *Brady* information is located, the following procedure shall apply:

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member whose file is related to the motion shall be notified of the potential presence of *Brady* information.
- (b) The prosecuting attorney or City Attorney should be requested to file a motion in order to initiate an in-camera review by the court.
  - 1. If no motion is filed, the Custodian of Records should work with the appropriate counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The Custodian of Records shall accompany all relevant personnel files during any in-camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (d) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
  - 1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in a member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

#### **605.6 INVESTIGATING BRADY ISSUES**

If the Department receives information from any source that a member may have issues of credibility or dishonesty or has been engaged in an act of moral turpitude or criminal conduct,

the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

#### **605.7 SUBPOENA PROCESSING**

The individual processing subpoenas (or the supervisor of the subpoenaed member) shall check the subpoenaed member's name against the current list of those who are known to have *Brady* information in their files or background, and shall alert the coordinator if a person on the list is subpoenaed.

#### **605.8 TRAINING**

Department personnel should receive periodic training on the requirements of this policy.

# Unmanned Aerial System

## 606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS.

### 606.1.1 DEFINITIONS

Definitions related to this policy include:

**Image** - Any capturing of sound waves, thermal, infrared, ultraviolet, visible light, or other electromagnetic waves, odor, or other conditions existing on or about real property in this state or an individual located on that property (Tex. Gov't Code § 423.001).

**Unmanned aerial system (UAS)** - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording, or any other means.

## 606.2 POLICY

A UAS may be utilized to enhance the department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

## 606.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

## 606.4 PROGRAM COORDINATOR

The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations, and best practices and will have the following additional responsibilities (Tex. Gov't Code § 423.007):

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current, and/or coordinating compliance with FAA Part 107 Remote Pilot Certificate, as appropriate for department operations, where applicable.

### 607.1 PURPOSE & MISSION

The purpose of this policy is to provide the Aransas Pass Police Department Canine Unit with an internal set of guidelines for the use of police service canines. The decision to use a police service canine in accordance with this policy shall be deemed an act of discretion and shall be reviewed considering all the information reasonably available to the officer(s) at the time the decision was made.

The Canine Unit is committed to the highest ethical standards of the law enforcement profession through professional utilization of the police service canine to enhance the safety of officers and the quality of life for the citizens served.

### 607.2 POLICY

In such circumstances, it will be necessary for the handler to evaluate the conditions and ability of the canine to determine the feasibility and reasonableness of such an application.

- A. Absent a change in circumstances that present an immediate threat to officers, the canine or the public, such applications should be conducted on a leash or under conditions that the canine will not bite or otherwise injure the individual if located.
- B. Throughout the deployment of the canine in such circumstances, the handler should give periodic verbal assurances that the canine will not bite or hurt the person.
- C. Unless otherwise directed by a supervisor, assisting personnel should take direction from the canine handler to minimize interference with the canine.

Documentation of the return shall be acknowledged by the signature of a supervisor.

#### 700.3.1 MEMBER RESPONSIBILITIES

Members shall be responsible for the safekeeping, serviceable condition, proper care, use and replacement of department property assigned or entrusted to them.

- (a) Members shall promptly report, through their chain of command, any loss, damage to, or unserviceable condition of any department-issued property or equipment.
- (b) The use of damaged or unserviceable property should be discontinued as soon as practicable, and the item replaced with a comparable item as soon as available.
- (c) Except when otherwise directed by a supervisor or when exigent circumstances exist, department-issued property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.
- (d) Department-issued property shall not be thrown away, sold, traded, donated, destroyed or otherwise disposed of without prior approval.
- (e) Members should obtain a supervisor's approval before any attempt to repair damaged or unserviceable property, unless the repair is of a minor or temporary nature.

### 700.4 PERSONAL PROPERTY

Carrying and/or using personal property or equipment on-duty requires prior written approval by the Chief of Police or appropriate Division Commander. The member should submit a request that includes a description of the property, and the reason and length of time it will be used. Personal property of the type routinely carried by persons not performing law enforcement duties, and that is not a weapon, is excluded from this requirement.

The Department will not replace or repair items (e.g., jewelry, expensive watches) that are not reasonably required as part of work.

#### **700.4.1 FILING CLAIMS FOR PERSONAL PROPERTY**

A member requesting reimbursement for damage to, or loss of, personal property must submit the request in writing to the member's immediate supervisor. The supervisor may require a separate written report.

Upon review by command staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police, who will then forward the claim to the City department responsible for issuing payments.

#### **700.5 SUPERVISOR RESPONSIBILITIES**

The supervisor receiving a report that property, including personal property authorized for use, has been damaged should conduct an investigation and direct a memo to the appropriate Division Commander. The memo should include the result of the investigation and whether reasonable care was taken to prevent the loss, damage or unserviceable condition.

Cases where the supervisor has reason to believe that misconduct or negligence was involved in the loss, damage or unserviceable condition of property should be handled in accordance with the Standards of Conduct and Personnel Complaints policies.

#### **700.6 DAMAGE TO PROPERTY OF ANOTHER PERSON OR ENTITY**

Members who intentionally or unintentionally damage or cause to be damaged the real or personal property of another person or entity while performing any law enforcement function shall promptly report the damage through his/her chain of command.

##### **700.6.1 DAMAGE BY PERSONNEL OF ANOTHER AGENCY**

- (a) A verbal report shall be made to the member's immediate supervisor as soon as circumstances permit.
- (b) A written report shall be submitted before the member goes off-duty or as otherwise directed by the supervisor.

## Personal Communication Devices

### 701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

### 701.2 POLICY

The Aransas Pass Police Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

### 701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed within any department-provided software and/or apps contained within the PCD issued or funded by the Department and shall have no expectation of privacy in their location should these apps or software be equipped with location detection capabilities (see the Information Technology Use Policy for additional guidance).

### 701.4 DEPARTMENT-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief of Police or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

---

There is no expectation of privacy anywhere within a department issued PCD.

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

#### **701.5 PERSONALLY OWNED PCD**

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications) or when utilizing department-provided software and apps accessed by or otherwise installed onto the device. Members have no expectation of privacy with regard to any department business-related communication.
  - (a) Members may use personally owned PCDs on-duty for routine administrative work as authorized by the Chief of Police
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief of Police or the authorized designee.
- (f) If a personally owned PCD is carried on-duty, members will provide the Department with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings, or other public records created or received on a member's personally owned PCD should be transferred to the Aransas Pass Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior expressed authorization from their supervisors, members are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, memorandum of understanding, or if the member has prior express authorization from his/her supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-

related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

#### **701.6 USE OF PCD**

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief of Police or the authorized designee, may result in discipline.
- (f) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

#### **701.7 SUPERVISOR RESPONSIBILITIES**

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
  - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
  - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

#### **701.8 USE WHILE DRIVING**

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the

Except in an emergency, members who are operating vehicles that are not equipped with lights and siren should not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. Hands-free use should be restricted to business-related calls or calls of an urgent nature.

Members using a vehicle shall remove any trash or debris at the end of their shifts. Confidential material should be placed in a designated receptacle that has been provided for shredding this material.

## Vehicle Use

### 703.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the City of Aransas Pass to provide assigned take-home vehicles.

### 703.2 POLICY

The Aransas Pass Police Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments and other considerations.

### 703.3 USE OF VEHICLES

#### 703.3.1 SHIFT ASSIGNED VEHICLES

The Shift Supervisor shall ensure a copy of the shift assignment roster, indicating member assignments and vehicle numbers, is completed for each shift and retained in accordance with the established records retention schedule. If a member exchanges vehicles during his/her shift, the new vehicle number shall be documented on the roster.

#### 703.3.2 OTHER USE OF VEHICLES

Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Shift Supervisor. A notation will be made on the shift assignment roster indicating the member's name and vehicle number.

This subsection does not apply to those who are assigned to transport vehicles to and from the maintenance yard or car wash.

#### 703.3.3 INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any suspect, prisoner or arrestee, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

#### *Vehicle Use*

---

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

#### 703.3.4 SECURITY AND UNATTENDED VEHICLES

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

#### 703.3.5 MOBILE DATA TERMINAL

Members assigned to vehicles equipped with a Mobile Data Terminal (MDT) shall log onto the MDT with the required information when going on-duty. If the vehicle is not equipped with a working MDT, the member shall notify the Dispatch. Use of the MDT is governed by the Mobile Data Terminal Use Policy.

#### 703.3.6 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Chief of Police, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that the system is not functioning properly at any time during the shift, he/she should exchange the vehicle for one with a working system, if available.

System data may be accessed by supervisors at any time. However, access to historical data by other than supervisors will require Division Commander approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

#### 703.3.7 KEYS

Members approved to operate marked patrol vehicles should be issued a copy of the key as part of their initial equipment distribution. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys. The loss of a key shall be promptly reported in writing through the member's chain of command.

#### **703.3.8 AUTHORIZED PASSENGERS**

Members operating department vehicles shall not permit persons other than City personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Alongs Policy.

#### **703.3.9 ALCOHOL**

Members who have consumed alcohol are prohibited from operating any department vehicle unless it is required by the duty assignment (e.g., task force, undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

#### **703.3.10 PARKING**

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

All marked, authorized emergency vehicles shall be backed into parking spaces or otherwise parked so they are ready for rapid deployment.

#### **703.3.11 ACCESSORIES AND/OR MODIFICATIONS**

There shall be no modifications, additions or removal of any equipment or accessories without written permission from the assigned vehicle program manager.

#### **703.3.12 CIVILIAN MEMBER USE**

Civilian members using marked emergency vehicles shall ensure that all weapons have been removed before going into service. Civilian members shall prominently display the "out of service" placards or light bar covers at all times. Civilian members shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor.

### **703.4 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES**

Department vehicles may be assigned to individual members at the discretion of the Chief of Police. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform his/her regular assignment.

#### **703.4.1 ON-DUTY USE**

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief of Police or the authorized designee.

#### 703.4.2 UNSCHEDULED TAKE-HOME USE

Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of a supervisor and shall meet the following criteria:

- (a) The circumstances are unplanned and were created by the needs of the department.
- (b) Other reasonable transportation options are not available.
- (c) The member lives within a reasonable distance (generally not to exceed a 60-minute drive time) of the Aransas Pass City limits.
- (d) Off-street parking will be available at the member's residence.
- (e) The vehicle will be locked when not attended.
- (f) All firearms, weapons and control devices will be removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

#### 703.4.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence; the nature of the member's duties, job description and essential functions; and the member's employment or appointment status. Residence in the City of Aransas Pass is a prime consideration for assignment of a take-home vehicle. Members who reside outside the City of Aransas Pass may be required to secure the vehicle at a designated location or the Department at the discretion of the Chief of Police.

Department members shall sign a take-home vehicle agreement that outlines certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a City vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Chief of Police or a Division Commander gives authorization.
- (b) Vehicles may be used to transport the member to and from the member's residence for work-related purposes.
- (c) Vehicles will not be used when off-duty except:
  - 1. In circumstances when a member has been placed on call by the Chief of Police or Division Commanders and there is a high probability that the member will be called back to duty.

  2. All weapons shall be secured while the vehicle is unattended.
  3. All department identification, portable radios and equipment should be secured.
- (g) Vehicles are to be parked off-street at the member's residence unless prior arrangements have been made with the Chief of Police or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and kinetic impact weapons shall be removed and properly secured in the residence (see the Firearms Policy regarding safe storage of firearms at home).
- (h) Vehicles are to be secured at the member's residence or the appropriate department facility, at the discretion of the Department, when a member will be away (e.g., on vacation) for periods exceeding one week.
1. If the vehicle remains at the residence of the member, the Department shall have access to the vehicle.
  2. If the member is unable to provide access to the vehicle, it shall be parked at the Department.
- (i) The member is responsible for the care and maintenance of the vehicle.

#### 703.4.4 ENFORCEMENT ACTIONS

When driving a take-home vehicle to and from work outside of the jurisdiction of the Aransas Pass Police Department or while off-duty, an officer shall not initiate enforcement actions except

in those circumstances where a potential threat to life or serious property damage exists (see the Off-Duty Law Enforcement Actions and Law Enforcement Authority policies).

Officers may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Officers driving take-home vehicles shall be armed and appropriately attired and shall carry their department-issued identification. Officers should also ensure that department radio communication capabilities are maintained to the extent feasible.

#### **703.4.5 MAINTENANCE**

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.
- (b) It is the member's responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department supervisor in charge of vehicle maintenance.
- (d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.
- (e) When leaving the vehicle at the maintenance facility, the member will complete a vehicle repair card explaining the service or repair, and leave it on the seat or dash.
- (f) All weapons shall be removed from any vehicle left for maintenance.
- (g) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

#### **703.5 UNMARKED VEHICLES**

Unmarked vehicles are assigned to various divisions and their use is restricted to the respective division and the assigned member, unless otherwise approved by a supervisor. Any member operating an unmarked vehicle shall record vehicle usage on the sign-out log maintained in the division for that purpose. Any use of unmarked vehicles by those who are not assigned to the division to which the vehicle is assigned shall also be recorded with the Shift Supervisor on the shift assignment roster.

#### **703.6 DAMAGE, ABUSE, AND MISUSE**

When any department vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic collision report shall be filed with the agency having jurisdiction (see the Traffic Collisions Policy).

Damage to any department vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered and documented in memorandum format, which shall be forwarded to the Shift Supervisor. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

#### **703.7 TOLL ROAD USAGE**

Law enforcement vehicles are exempt from incurring toll road charges (Tex. Transp. Code § 228.054; Tex. Transp. Code § 366.178; Tex. Transp. Code § 370.177). The Administration Division Commander should contact the proper toll road authority to confirm whether additional information, such as license plate numbers, is required by the toll road authority to facilitate the use of this exemption.

#### **703.8 ATTIRE AND APPEARANCE**

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever a member is in public view or has contact with the public, his/her attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

# Cash Handling, Security and Management

## **704.1 PURPOSE AND SCOPE**

This policy provides guidelines to ensure department members handle cash appropriately in the performance of their duties.

This policy does not address cash-handling issues specific to the Property and Evidence Section and Informants policies.

## **704.2 POLICY**

It is the policy of the Aransas Pass Police Department to properly handle and document cash transactions and to maintain accurate records of cash transactions in order to protect the integrity of department operations and ensure the public trust.

## **704.3 PETTY CASH FUNDS**

The Chief of Police shall designate a person as the fund manager responsible for maintaining and managing petty cash funds.

Each petty cash fund requires the creation and maintenance of an accurate and current transaction ledger and the filing of invoices, receipts, cash transfer forms and expense reports by the fund manager.

## **704.4 PETTY CASH TRANSACTIONS**

The fund manager shall document all transactions on the ledger and any other appropriate forms. Each person participating in the transaction shall sign or otherwise validate the ledger, attesting to the accuracy of the entry. Transactions should include the filing of an appropriate receipt, invoice or cash transfer form. Transactions that are not documented by a receipt, invoice or cash transfer form require an expense report.

## **704.5 PETTY CASH AUDITS**

The fund manager shall perform an audit no less than once every six months. This audit requires that the fund manager and at least one command staff member, selected by the Chief of Police, review the transaction ledger and verify the accuracy of the accounting. The fund manager and the participating member shall sign or otherwise validate the ledger attesting to the accuracy of all documentation and fund accounting. A discrepancy in the audit requires documentation by those performing the audit and an immediate reporting of the discrepancy to the Chief of Police.

Transference of fund management to another member shall require a separate petty cash audit and involve a command staff member.

A separate audit of each petty cash fund should be completed on a random date, approximately once each year, by the Chief of Police or the City.

---

When a call for services is received, the telecommunications operator will reasonably and quickly attempt to determine whether the call is an emergency or non-emergency, and shall quickly ascertain the call type, location and priority by asking four key questions:

- Where?
- What?
- When?
- Who?

If the telecommunications operator determines that the caller has a hearing and/or speech impairment or disability, he/she shall immediately initiate a connection with the individual via available TDD/TTY equipment or Telephone Relay Service (TRS), as mandated by the Americans with Disabilities Act (ADA).

If the telecommunications operator determines that the caller is a limited English proficiency (LEP) individual, the telecommunications operator should quickly determine whether sufficient information can be obtained to initiate an appropriate response. If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in Dispatch, the telecommunications operator should immediately connect the LEP caller to the authorized interpreter.

If no authorized interpreter is available or the telecommunications operator is unable to identify the caller's language, the telecommunications operator will contact the contracted telephonic interpretation service and establish a three-party call connecting the telecommunications operator, the LEP individual and the interpreter.

Telecommunications Operators should be courteous, patient and respectful when dealing with the public.

#### **800.5.1 EMERGENCY CALLS**

A call is considered an emergency when there is an immediate or potential threat to life or serious property damage, and the timely arrival of public safety assistance is of the utmost importance. Emergency calls should be dispatched immediately. The Shift Supervisor shall be notified of pending emergency calls for service when department members are unavailable for dispatch.

#### **800.5.2 NON-EMERGENCY CALLS**

A call is considered a non-emergency call when there is no immediate or potential threat to life or property. A person reporting a non-emergency may be placed on hold, if necessary, to allow the telecommunications operator to handle a higher priority or emergency call.

Telecommunications Operators shall identify themselves on the radio with the appropriate station name or number, and identify the department member by his/her call sign. Members should use their call signs when initiating communication with the telecommunications operator. Members initiating communication with other law enforcement or support agencies shall use their entire radio call sign, which includes the department station name or number.

#### **800.7 NCIC / TCIC**

#### **804.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION**

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Manager for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. # Animal Control

## 805.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for interacting with animals and responding to calls for service that involve animals.

## 805.2 POLICY

It is the policy of the Aransas Pass Police Department to be responsive to the needs of the community regarding animal-related issues. This includes enforcing local, state and federal laws relating to animals and appropriately resolving or referring animal-related problems, as outlined in this policy.

## 805.3 ANIMAL CONTROL RESPONSIBILITIES

Animal control services are generally the primary responsibility of Animal Control and include the following:

- (a) Animal-related matters during periods when Animal Control is available.
- (b) Ongoing or persistent animal nuisance complaints. Such complaints may be scheduled, if reasonable, for handling during periods that Animal Control is available for investigation and resolution.
- (c) Follow-up on animal-related calls, such as locating owners of injured animals.
- (d) The responsibilities of rabies control as outlined in Chapter 826 of the Texas Health and Safety Code.

## 805.4 MEMBER RESPONSIBILITIES

Members who respond to or assist with animal-related calls for service should evaluate the situation to determine appropriate actions to control the situation.

Due to the hazards of handling animals without proper training and equipment, responding members generally should not attempt to capture or pick up any animal, but should keep the animal under observation until the arrival of appropriate assistance.

Members may consider acting before the arrival of such assistance when:

- (a) There is a threat to public safety.
- (b) An animal has bitten someone. Members should take measures to confine the animal and prevent further injury.
- (c) An animal is creating a traffic hazard.
- (d) An animal is seriously injured.
- (e) The owner/handler of an animal has been arrested or is incapacitated. In such circumstances, the member should find appropriate placement for the animal.

1. This is only necessary when the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animal.
2. With the owner's consent, locating appropriate placement may require contacting relatives or neighbors to care for the animal.
3. If no person can be found or the owner does not or cannot give consent, the animal should be taken to a designated animal care facility.

#### **805.5 ANIMAL CRUELTY COMPLAINTS**

Laws relating to the cruelty to animals should be enforced, including but not limited to animal cruelty offenses under Chapter 42, Texas Penal Code.

#### **805.6 ANIMAL BITE REPORTS**

Members investigating an animal bite should obtain as much information as possible for follow-up with the appropriate health or animal authorities. Efforts should be made to capture or otherwise have the animal placed under control. Members should attempt to identify and notify the owner of the final disposition of the animal.

#### **805.7 STRAY DOGS**

If the dog has a license or can otherwise be identified, the owner should be contacted, if possible. If the owner is contacted, the dog should be released to the owner and a citation may be issued, if appropriate. If a dog is taken into custody, it shall be transported to the appropriate shelter/holding pen.

Members shall provide reasonable treatment to animals in their care (e.g., food, water, shelter).

#### **805.8 DANGEROUS ANIMALS**

In the event responding members cannot fulfill a request for service because an animal is difficult or dangerous to handle, the Shift Supervisor will be contacted to determine available resources, including requesting the assistance of animal control services from an allied agency.

#### **805.9 PUBLIC NUISANCE CALLS RELATING TO ANIMALS**

Members should diligently address calls related to nuisance animals (e.g., barking dogs), because such calls may involve significant quality-of-life issues.

#### **805.10 DECEASED ANIMALS**

When a member becomes aware of a deceased animal, all reasonable attempts should be made to preliminarily determine if the death of the animal is related to criminal activity.

The officer should promptly notify the Shift Supervisor of any conditions that may warrant immediate medical attention or other appropriate action. The Shift Supervisor shall determine whether the individual will be placed in a cell, immediately released or transported to jail or another facility.

## Temporary Custody of Juveniles

### 901.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Aransas Pass Police Department (34 USC § 11133).

#### 901.1.1 DEFINITIONS

Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for the juvenile's own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for the juvenile's protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

**Juvenile offender** - A juvenile 10 to 16 years of age who is alleged to have committed an offense that would subject an adult to arrest, or a 17-year-old in custody for such an offense committed before 17 years of age (a non-status offense) (Tex. Fam. Code § 51.02).

**Non-secure custody** - When a juvenile is held in the presence of an officer or other department member at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication, is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

**Safety checks** - Direct visual observation by a member of this department performed at random intervals, within time frames prescribed in this policy, to provide for the health and welfare of juveniles in temporary custody.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.
- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.

## Aransas Pass Police Policy Manual (new)

### *Temporary Custody of Juveniles*

---

- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

**Sight and sound separation** - Located or arranged to prevent physical, visual, or auditory contact.

**Status offender** - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender (Tex. Fam. Code § 51.02). Examples may include running away and underage possession of tobacco. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This term also includes any juvenile in custody for an offense that would not subject an adult to arrest but qualifies as delinquent conduct or conduct indicating a need for supervision (CINS) under Tex. Fam. Code § 52.01.

#### **901.2 POLICY**

The Aransas Pass Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and to keeping juveniles safe while in temporary custody at the Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

#### **901.3 JUVENILES WHO SHOULD NOT BE HELD**

Juveniles who exhibit certain behaviors or conditions should not be held at the Aransas Pass Police Department. These include:

- (a) Unconsciousness or having been unconscious while being taken into custody or transported.
- (b) Serious injuries or a medical condition requiring immediate medical attention.
- (c) A suspected suicide risk or showing obvious signs of severe emotional or mental disturbance (see the Emergency Detentions Policy).
  - 1. If the officer taking custody of a juvenile believes that he/she may be a suicide risk, the officer shall ensure continuous direct supervision until evaluation, release or transfer to an appropriate facility is completed.
- (d) Significant intoxication or showing signs of having ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.
- (e) Extremely violent or continuously violent behavior.
- (f) Afflicted with, or displaying symptoms of, a communicable disease that poses an unreasonable exposure risk.

Officers taking custody of a juvenile exhibiting any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and should notify a supervisor of the

situation. These juveniles should not be held at the Department unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

#### **901.4 CUSTODY OF JUVENILES**

Officers should take custody of a juvenile and temporarily hold the juvenile at the Aransas Pass Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile who is suspected of being a victim.

No juvenile should be held in temporary custody at the Department without authorization of the arresting officer's supervisor or the Shift Supervisor. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent, legal guardian, or other responsible adult, or transferred to a juvenile custody facility or to other authority as soon as practicable. In no event shall a juvenile be held beyond six hours from the time of his/her entry into the Department (34 USC § 11133).

Officers may issue a warning notice to a juvenile for offenses according to Department disposition guidelines (Tex. Fam. Code § 52.01). If a juvenile offender or status offender will not be released from custody, the officer shall transport the juvenile to the designated juvenile processing office for disposition according to the Department disposition guidelines.

##### **901.4.1 CUSTODY OF JUVENILE NON-OFFENDERS**

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Aransas Pass Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders may not be held in secure custody (34 USC § 11133).

##### **901.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS**

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

Officers who take a juvenile into temporary custody for violation of compulsory school attendance may return the juvenile to his/her school (Tex. Fam. Code § 52.01).

##### **901.4.3 CUSTODY OF JUVENILE OFFENDERS**

Juvenile offenders should be held in non-secure custody while at the Aransas Pass Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

#### *Temporary Custody of Juveniles*

Generally, a juvenile offender may be taken into custody under the authority of a juvenile court order for a criminal offense or when the juvenile has committed an offense that would subject an adult to arrest (Tex. Fam. Code § 52.01).

  - 1. In cases of Class C misdemeanors occurring on school property or any vehicle owned by the school, a citation may not be issued but officers may proceed, according to Tex. Educ. Code § 37.145 or Tex. Code of Crim. Pro. art. 45.058, as applicable.
- (b) Transport the juvenile to one of the following:
  - 1. An office, official or facility designated by the county juvenile board

  - 4. The juvenile's school, if in session, if a designated authority at the location will assume responsibility for the juvenile for the remainder of the school day
- (c) Release the juvenile without court referral under county juvenile board guidelines (Tex. Fam. Code § 52.03).

Officers taking a juvenile into custody for an alleged offense shall ensure the case is referred to the juvenile court unless another disposition is authorized under county juvenile board guidelines, and the custody was properly documented (Tex. Fam. Code § 52.03).

#### 901.4.4 JUVENILE OFFENDERS DRIVING UNDER THE INFLUENCE

Officers who take a juvenile into custody on reasonable grounds that the juvenile has been operating a motor vehicle in a public place while having any detectable amount of alcohol in the juvenile's system may (Tex. Fam. Code § 52.02):

- (a) Take the juvenile to a place to obtain a specimen of his/her breath or blood under the implied consent law of this state.
- (b) Have breath alcohol testing and video recording of the juvenile done in an adult processing office (Tex. Fam. Code § 52.02). If the breath testing equipment is located in the Temporary Holding Facility, adult offenders should be locked down while the juvenile is being processed. The juvenile may only remain in the Temporary Holding Facility for as long as it takes to satisfy the mandatory 15-minute observation period and to administer the test.

#### 901.4.5 JUVENILE PROCESSING OFFICE

A juvenile processing office is restricted to facilitating (Tex. Fam. Code § 52.025):

Fam. Code § 52.025; Tex. Fam. Code § 61.103; Tex. Code of Crim. Pro. art. 45.058).

#### **901.4.6 NOTIFICATION TO PROBATE COURT**

Officers should make a reasonable attempt to determine whether a juvenile who has been taken into custody pursuant to Tex. Fam. Code § 52.01(a)(2) or (3) is a juvenile for whom a guardian has been appointed (i.e., ward of the state) and notify the probate court with jurisdiction over the juvenile's guardianship as soon as practicable but no later than one business day after taking the juvenile into custody (Tex. Fam. Code § 52.011).

#### **901.5 ADVISEMENTS**

Officers who take a juvenile into custody shall promptly advise the juvenile's parent, guardian or custodian, as well as the office or official designated by the county juvenile board, of the reason for taking the juvenile into custody (Tex. Fam. Code § 52.02).

#### 903.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS

No individual in custody who alleges sexual abuse shall be required to submit to a polygraph examination or other truth telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

#### **903.5.5 CONCLUSIONS AND FINDINGS**

All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the City Manager. #### **903.6 RETALIATION PROHIBITED**

All individuals in custody and department members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other person who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that person.

The Shift Supervisor or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for individuals in custody or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

A member of the Department shall be identified by the Shift Supervisor or the authorized designee to monitor the conduct and treatment of individuals in custody or members who have reported sexual abuse, and of those who were reported to have suffered sexual abuse. # Performance Evaluations

## 1001.1 PURPOSE AND SCOPE

This policy provides guidelines for the Aransas Pass Police Department performance evaluation system.

## 1001.2 POLICY

The Aransas Pass Police Department shall use a performance evaluation system to measure, document, and recognize work performance. The performance evaluation will serve as an objective guide for the recognition of good work and the development of a process for improvement.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

This policy is applicable in accordance with City Policy or when the ongoing assessment of department staff via the Guardian Tracking system and Axon body cam review is halted.

## 1001.3 TYPES OF EVALUATIONS

The Department shall use the following types of evaluations:

**Regular** - An evaluation completed at regular intervals by the employee's immediate supervisor. Employees who have been promoted should be evaluated as established by the Human Resources Department or, minimally, on the anniversary of the date of the last promotion.

When an employee transfers to a different assignment in the middle of an evaluation period and less than six months has transpired since the transfer, the evaluation should be completed by the current supervisor with input from the previous supervisor.

**Special** - An evaluation that may be completed at any time the supervisor and Division Commander or the authorized designee determine an evaluation is necessary to address less than standard performance. The evaluation may include a plan for follow-up action (e.g., performance improvement plan (PIP), remedial training, retraining).

### 1001.3.1 PERFORMANCE IMPROVEMENT PLAN

Employees who receive an unsatisfactory rating may be subject to a PIP. The PIP shall delineate areas that need improvement, any improvement measures and a timetable in which to demonstrate improvement. The issuing supervisor shall meet with the employee to review his/her performance and the status of the PIP at least monthly.

## 1001.4 EVALUATION PROCESS

Supervisors should meet with the employees they supervise at the beginning of the evaluation period to discuss expectations and establish performance standards. Each supervisor should

discuss the tasks of the position, standards of expected performance and the evaluation criteria with each employee.

Performance evaluations cover a specific period and should be based upon documented performance dimensions that are applicable to the duties and authorities granted to the employee during that period. Evaluations should be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the evaluating supervisor for input.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise and to acknowledge good work. Periodic discussions with the employee during the course of the evaluation period are encouraged. Supervisors should document all discussions in the prescribed manner.

Non-probationary employees demonstrating substandard performance shall be notified in writing as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days' written notice prior to the end of the evaluation period.

All supervisors shall receive training on performance evaluations within one year of a supervisory appointment.

#### **1001.5 EVALUATION FREQUENCY**

Supervisors shall ensure that all employees they supervise are evaluated at least once every year on the anniversary of the employee's date of appointment or hire.

Those employees who are required to successfully complete a probationary period should be evaluated monthly.

#### **1001.6 EVALUATION INTERVIEW**

When the supervisor has completed his/her evaluation, a private discussion of the evaluation should be scheduled with the employee. The supervisor should discuss the evaluation ratings and respond to any questions the employee may have. The supervisor should provide relevant counseling regarding advancement, specialty positions and training opportunities. Any performance areas in need of improvement and goals for reaching the expected level of performance should be identified and discussed. If the employee has reasonable objections to any of the ratings, the supervisor may make appropriate adjustments to the evaluation. The reason for such adjustments shall be documented.

Employees may write comments in an identified section of the evaluation. The supervisor and employee will sign and date the evaluation.

##### **1001.6.1 DISCRIMINATORY HARASSMENT FORM**

At the time of each employee's annual evaluation, the supervisor shall provide access to and require the employee to read the City harassment and discrimination policies and the

- (d) Whether the employee has been the subject of, or witness to, any unreported conduct that may violate the discrimination or harassment policies.

The completed form should be returned to the supervisor (or other authorized individual if the employee is uncomfortable returning the form to the presenting supervisor) within one week. If the employee has expressed any questions or concerns, the receiving supervisor or other authorized individual shall ensure that appropriate follow-up action is taken.

#### **1001.7 APPEAL**

An employee who disagrees with his/her evaluation may provide a formal written response that will be attached to the evaluation, or may request an appeal.

To request an appeal, the employee shall forward a written memorandum within three days to the evaluating supervisor's Division Commander or the authorized designee. The memorandum shall identify the specific basis for the appeal and include any relevant information for the reviewer to consider.

#### **1001.8 CHAIN OF REVIEW**

The Division Commander or the authorized designee should evaluate the supervisor on the quality of ratings given.

#### **1001.9 RETENTION AND DISTRIBUTION**

The original performance evaluation and any original correspondence related to an appeal shall be maintained by the Department in accordance with the Personnel Records Policy.

A copy of the evaluation and any documentation of a related appeal shall be provided to the employee and also forwarded to the Aransas Pass Human Resources Department.

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see the Outside Employment and Outside Overtime Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

# Communicable Diseases

## 1008.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

### 1008.1.1 DEFINITIONS

Definitions related to this policy include:

**Communicable disease** - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

**Exposure** - When an eye, the mouth, a mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Aransas Pass Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

## 1008.2 POLICY

The Aransas Pass Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

## 1008.3 EXPOSURE CONTROL OFFICER

The Chief of Police has assigned the division commanders/supervisors as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that department members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) that is appropriate for each member's position and risk of exposure.
- (d) Evaluation of persons in custody for any exposure risk and measures to separate them.
- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:
  - 1. Minimum standards for bloodborne pathogens as established by the Department of State Health Services (DSHS). These include (Tex. Health & Safety Code § 81.303 et seq.; 25 Tex. Admin. Code § 96.201 et seq.):

#### **1008.3.1 EXPOSURE CONTROL OFFICER TO SERVE AS INFECTION CONTROL OFFICER**

The ECO shall serve as the department's Infection Control Officer unless another member is selected for the role by the Chief of Police. The Chief of Police shall also designate a member to serve as the alternate Infection Control Officer. The Infection Control Officer shall (Tex. Health & Safety Code § 81.012):

- (d) Investigate and evaluate an exposure incident using current evidence-based information on the possible risks of communicable diseases presented by the exposure incident.
- (e) Monitor all follow-up treatment provided to an exposed member, in accordance with applicable federal, state and local law.

The primary and alternate infection control officers must meet the qualifications and training established by the commissioner of state health services (Tex. Health & Safety Code § 81.012).

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area or department vehicles, as applicable.

- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing, portable radio) as soon as possible if the equipment is a potential source of exposure.
  - 1. Clothing that has been contaminated by blood or other potentially infectious materials should be removed immediately or as soon as feasible and stored/decontaminated appropriately.

- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

#### 1008.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost. Members should be offered, at no cost, other appropriate immunization for any diseases to which the member may be exposed (Tex. Gov't Code § 607.004).

### 1008.5 POST EXPOSURE

#### 1008.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practical.

#### 1008.5.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented:

- (a) Name of the member exposed
- (b) Date and time of incident
- (c) Location of incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease, Work-Related Injury and Death Reporting, and Illness and Injury Prevention policies).

#### 1008.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

#### 1008.5.4 COUNSELING

The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure.

#### 1008.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Requesting a health authority to order testing and seeking a subsequent court order when necessary (Tex. Health & Safety Code § 81.050; Tex. Health & Safety Code § 81.151; 25 Tex. Admin. Code § 97.12).
- (c) Receipt of a notice from a hospital indicating testing is warranted (Tex. Health & Safety Code § 81.048; Tex. Gov't Code § 607.102; 25 Tex. Admin. Code § 97.11).
- (d) Court order after an exposure from an arrestee (Tex. Code of Crim. Pro. art 18.22).
- (e) Receipt of medical or epidemiological information released to the department's Infection Control Officer by a health care facility (Tex. Health & Safety Code § 81.046).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

#### 1008.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

#### 1008.7 TRAINING

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training:

- (a) Should be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Should be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

## Smoking and Tobacco Use

### 1009.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Aransas Pass Police Department facilities or vehicles.

### 1009.2 POLICY

Smoking and tobacco use by members is prohibited any time members are in public view representing the Aransas Pass Police Department and when it is clear or should be clear that such activity will be found offensive given the time, location, and circumstances afoot

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes any tobacco product inside City facilities and vehicles.

Use of mouth tobacco is prohibited in view of the public. Containers used to discard mouth tobacco shall not be left in plain view of anyone, and mouth tobacco shall not be openly discarded onto any city or privately owned improved surface.

# Personnel Complaints

## 1010.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Aransas Pass Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

## 1010.2 POLICY

The Aransas Pass Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law and municipal and county rules and the requirements of any collective bargaining agreements or memorandum of understanding.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

## 1010.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

### 1010.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

**Informal** - A matter in which the Shift Supervisor is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

**Formal** - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Administration Division, depending on the seriousness and complexity of the investigation.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Administration Division, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

##### 1010.4.3 ACCEPTANCE OF COMPLAINTS AGAINST PEACE OFFICER

Complaints against an officer must be in writing and signed by the person making the complaint (Tex. Gov't Code § 614.022). Nothing in this section is intended to preclude a supervisor from serving as the complainant to satisfy the requirements of Tex. Gov't Code § 614.022 if the original complainant does not want to appear in person and/or reduce the complaint to writing.

### **1010.6 ADMINISTRATIVE INVESTIGATIONS**

Allegations of misconduct will be administratively investigated as follows.

#### 1010.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
  - 1. The original complaint form will be directed to the Shift Supervisor of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
  - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Division Commander or the Chief of Police, who will initiate appropriate action.
- (b) Responding to all complaints in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
  - 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.

- (g) Any employee refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
  - 1. An employee should be given an order to answer questions in an administrative investigation that might incriminate the employee in a criminal matter only after the employee has been given a *Garrity* advisement. Administrative investigators should consider the impact that compelling a statement from the employee may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
  - 2. No information or evidence administratively coerced from an employee may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of employees and witnesses. The employee may also record the interview. If the employee has been previously interviewed, a copy of that recorded interview should be provided to the employee prior to any subsequent interview.
- (i) All employees subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved employees shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All employees shall provide complete and truthful responses to questions posed during interviews.

**Conclusion** - A recommendation regarding further action or disposition should be provided.

**Exhibits** - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

#### 1010.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

**Unfounded** - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

**Exonerated** - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

**Not sustained** - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

**Sustained** - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

#### 1010.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation.

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

#### 1010.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

#### 1010.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department,

the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

#### **1010.9 CRIMINAL INVESTIGATION**

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be provided with all rights afforded to a civilian. The member should not be administratively ordered to provide any information in the criminal investigation.

The Aransas Pass Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

#### **1010.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES**

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review the report and include their comments in writing before forwarding the report. ##### **1010.10.1 DIVISION COMMANDER RESPONSIBILITIES**

Upon receipt of any completed personnel investigation, the Division Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Division Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Division Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Division Commander for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a written notice and the following:

- (b) An opportunity to respond orally or in writing to the Chief of Police within five days of receiving the notice.
  - 1. Upon a showing of good cause by the member, the Chief of Police may grant a reasonable extension of time for the member to respond.

Once the member has completed his/her response, or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

#### **1010.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT**

The Chief of Police or the authorized designee should ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint.

#### **1010.11 PRE-DISCIPLINE EMPLOYEE RESPONSE**

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

#### **1010.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE**

## Seat Belts

### 1011.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

#### 1011.1.1 DEFINITIONS

Definitions related to this policy include:

**Child restraint system** - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and regulations set forth in 49 CFR 571.213 (Tex. Transp. Code § 545.412).

### 1011.2 POLICY

It is the policy of the Aransas Pass Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

### 1011.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained (Tex. Transp. Code § 545.413).

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

### 1011.4 TRANSPORTING CHILDREN

All children younger than 8 years of age shall be transported using a child restraint system unless the child is taller than 4 feet 9 inches (Tex. Transp. Code § 545.412).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side air bag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

### 1011.5 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES

Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is

not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

#### **1011.6 INOPERABLE SEAT BELTS**

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

#### **1011.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS**

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

#### **1011.8 VEHICLE AIRBAGS**

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

- (e) Officers may be excused from wearing body armor when they are involved in undercover or plainclothes work that their supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.
  - 1. In those instances when body armor is not worn, officers should have reasonable access to their body armor.

  - 1. Body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer.
  - 2. Failure to follow manufacturer's care instructions may damage the ballistic performance capabilities of the body armor. If care instructions for the body armor cannot be located, the manufacturer should be contacted to request the instructions.
- (d) Body armor should be replaced in accordance with the manufacturer's recommended replacement schedule, or when its effectiveness or functionality has been compromised.

#### 1012.4 FIREARMS INSTRUCTOR RESPONSIBILITIES

The responsibilities of the Firearms Instructor include, but are not limited to:

- (a) Monitoring technological advances in the body armor industry for any appropriate changes to department-approved body armor.
- (b) Assessing the level of weapons and ammunition currently utilized by the public and the suitability of approved body armor to protect against those threats.
- (c) Educating officers about the safety benefits of wearing body armor.

## Meal Periods and Breaks

### 1017.1 PURPOSE AND SCOPE

### 1017.2 POLICY

It is the policy of the Aransas Pass Police Department to provide meal periods and breaks to members of this department in accordance with the applicable collective bargaining agreement, memorandum of understanding and the City personnel manual.

### 1017.3 MEAL PERIODS

Officers and telecommunications operators shall remain on-duty subject to call during meal periods. All other members are not on-call during meal periods unless directed otherwise by a supervisor.

Uniformed patrol and traffic officers shall request clearance from the telecommunications operator prior to taking a meal period. Uniformed officers shall take their meal periods within the City limits and shall monitor the police radio, unless on assignment outside of the City.

The time spent for the meal period shall not exceed the authorized time allowed.

### 1017.4 BREAKS

Each member is entitled to a 15-minute break, near the midpoint, for each four-hour work period. Only one break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of a member's shift unless approved by a supervisor.

Members normally assigned to the police facility shall remain at the police facility for their breaks. This does not prohibit them from taking a break away from the facility if they are on official business.

Members assigned to field duties will take their breaks in their assigned areas, subject to call, and shall monitor the police radio. When such members take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of the telecommunications operator.

## Lactation Breaks

### 1018.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to members desiring to express breast milk for the member's infant child (Tex. Gov't Code § 619.003).

### 1018.2 POLICY

Admin. Code § 31.1).

### 1018.3 LACTATION BREAK TIME

A rest period should be permitted each time the member has the need to express breast milk (29 USC § 207; Tex. Gov't Code § 619.004). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid.

Members desiring to take a lactation break shall notify the telecommunications operator or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations.

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

### 1018.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. ## Payroll Records

### **1019.1 PURPOSE AND SCOPE**

This policy provides the guidelines for completing and submitting payroll records of department members who are eligible for the payment of wages.

### **1019.2 POLICY**

The Aransas Pass Police Department maintains timely and accurate payroll records.

### **1019.3 RESPONSIBILITIES**

Members are responsible for the accurate completion and timely submission of their payroll records for the payment of wages.

Supervisors are responsible for approving the payroll records for those under their commands.

### **1019.4 TIME REQUIREMENTS**

Members who are eligible for the payment of wages are paid on a scheduled, periodic basis, generally on the same day or date each period, with certain exceptions, such as holidays. Payroll records shall be completed and submitted to Administration as established by the City payroll procedures.

### **1019.5 RECORDS**

The Chief of Police or designee shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of four years (29 CFR 516.5; 40 Tex. Admin. Code § 815.106).

# Overtime Compensation

## 1020.1 PURPOSE AND SCOPE

This policy establishes guidelines and procedures regarding overtime for employees, in conformance with the Fair Labor Standards Act (FLSA) (29 USC § 201 et seq.).

## 1020.2 POLICY

The Aransas Pass Police Department will compensate nonexempt employees who work authorized overtime either by payment of wages or by the accrual of compensatory time (29 CFR 553.22). Employees who are salary exempt from FLSA are not compensated for overtime worked.

## 1020.3 COMPENSATION

Payment of wages to nonexempt employees for overtime, or accrual of compensatory time in lieu of compensation for overtime worked, shall be at the rate of not less than one and one-half hours for each hour of employment for which overtime compensation is required (29 USC § 207(k)(2); 29 USC § 207(o)(1)).

Short periods of overtime worked at the end of the normal duty day (e.g., less than one hour in duration) may be handled informally by an agreement between the supervisor and the employee. In such cases, the supervisor shall document the overtime worked and schedule a subsequent shift adjustment within the same work period that the overtime was worked, rather than submit a request for overtime compensation (29 USC § 207(k)).

Salary exempt employees may be eligible for administrative leave, which may be granted at the discretion of the exempt employee's immediate supervisor.

## 1020.4 REQUESTS FOR OVERTIME COMPENSATION

### 1020.4.1 EMPLOYEE RESPONSIBILITIES

Generally, no employee is authorized to work overtime without the prior approval of a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of the shift in which the overtime is worked.

Nonexempt employees shall:

- (a) Obtain supervisory approval, verbal or written.
- (b) Not work in excess of 16 hours, including regularly scheduled work time, overtime and extra-duty time, in any consecutive 24-hour period without supervisory approval.
- (c) Record the actual time worked in an overtime status using the department-approved form or method. Informal notations on reports, logs or other forms not approved for overtime recording are not acceptable.
- (d) Submit the request for overtime compensation to their supervisors by the end of shift or no later than the next calendar day.

#### 1020.4.2 SUPERVISOR RESPONSIBILITIES

Supervisors shall:

- (a) Prior to authorizing an employee to work overtime, evaluate the need for the overtime.
  - 1. Supervisors should not authorize any request to work overtime if the overtime would not be an appropriate use of department resources.
- (b) Upon receipt of a request for overtime compensation, confirm that the overtime was authorized and then verify the actual time worked.
  - 1. Supervisors identifying any unauthorized overtime or discrepancy shall initiate an investigation consistent with the Personnel Complaints Policy.
- (c) After verifying and approving the overtime amount, promptly forward the request for compensation to the employee's Division Commander for final approval.
  - 1. After the Division Commander has authorized compensation, the request shall be submitted to Administration as soon as practicable.

Supervisors may not authorize or approve their own overtime.

#### 1020.5 ACCOUNTING FOR PORTIONS OF AN HOUR

Authorized overtime work shall be accounted in the increments as listed:

<u>TIME WORKED</u>	<u>INDICATE ON CARD</u>
Up to 15 minutes	.25 hour
16 to 30 minutes	.50 hour
31 to 45 minutes	.75 hour
46 to 60 minutes	1 hour

##### 1020.5.1 VARIATION IN TIME REPORTED

When two or more employees are assigned to the same activity, case or court trial, and the amount of time for which overtime compensation is requested varies among the officers, the Shift Supervisor or other approving supervisor may require each employee to include the reason for the variation on the overtime compensation request.

#### 1020.6 REQUESTING USE OF COMPENSATORY TIME

Employees who have accrued compensatory time shall be allowed to use that time for time off within a reasonable period after making a request, if the request does not unduly disrupt department operations. Requests to use compensatory time will be submitted to the employee's supervisor at least 24 hours in advance of its intended use. Supervisors may make exceptions in unusual or extraordinary circumstances.

Compensatory time may not be used for time off for a date and time when the employee is required to appear in court on department-related matters. Supervisors shall not unreasonably deny employee requests to use compensatory time (29 CFR 553.25).

##### 1021.4.4 REVIEW OF FINANCIAL RECORDS

Prior to approving outside employment, the Department may request that a member provide his/her personal financial records for review if the Chief of Police determines that a conflict of interest may exist. Failure or refusal by the member to provide such records may result in denial of the outside employment.

If, after approving a request for outside employment, the Department obtains information that a financial conflict of interest exists, the Department may request that the member provide his/her personal financial records for review. Failure or refusal by the member to provide such records may result in revocation or suspension of approval of the outside employment pursuant to this policy.

##### 1021.4.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If a member terminates his/her outside employment, the member shall promptly submit written notification of such termination to the Chief of Police through the chain of command. In the event that the Chief of Police determines that the outside employment should be discontinued, or if the member fails to promptly notify his/her supervisor of his/her intention regarding outside employment, a notice revoking approval of the outside employment will be forwarded to the member and a copy attached to the original outside employment request form.

Criteria for revoking approval due to leave or restricted duty status include, but are not limited to:

# Occupational Disease, Work-Related Injury and Death Reporting

## 1022.1 PURPOSE AND SCOPE

### 1022.1.1 DEFINITIONS

Definitions related to this policy include:

**Occupational disease or work-related injury** - Any injury or disease that causes damage or harm to the physical structure of the body and that arises out of and in the course and scope of employment with the Aransas Pass Police Department. This includes damage or harm occurring as the result of repetitious, physically traumatic activities (Tex. Labor Code § 401.011).

## 1022.2 POLICY

The Aransas Pass Police Department will address occupational diseases, work-related injuries and deaths appropriately, and will comply with applicable state workers' compensation requirements (Tex. Labor Code § 409.005 et seq.).

## 1022.3 RESPONSIBILITIES

### 1022.3.1 MEMBER RESPONSIBILITIES

Any member sustaining any occupational disease or work-related injury shall report such event as soon as practicable, but within 24 hours to a supervisor, and shall seek medical care when appropriate.

### 1022.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any work-related injury or occupational disease should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers' compensation are completed and forwarded promptly. Any related City-wide injury- or disease-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

### 1022.3.3 DIVISION COMMANDER RESPONSIBILITIES

The Division Commander who receives a report of an occupational disease or work-related injury should review the report for accuracy and determine what additional action should be taken. The report shall then be forwarded to the Chief of Police, the City's risk management entity and the Administration Division Commander to ensure any required Texas Department of Insurance

reporting is made as required in the illness and injury prevention plan identified in the Illness and Injury Prevention Policy.

#### 1022.3.4 CHIEF OF POLICE RESPONSIBILITIES

The Chief of Police shall review and forward copies of the report to the Human Resources Department. Copies of the report and related documents retained by the Department shall be filed in the member's confidential medical file.

#### 1022.4 OTHER DISEASE OR INJURY

Diseases and injuries caused or occurring on-duty that do not qualify for workers' compensation reporting shall be documented on the designated report of injury form, which shall be signed by a supervisor. A copy of the completed form shall be forwarded to the appropriate Division Commander through the chain of command and a copy sent to the Administration Division Commander.

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating that he/she desired no medical attention at the time of the report. By signing, the member does not preclude his/her ability to later seek medical attention.

##### 1022.4.1 FIREARM INJURIES OR DEATHS

If a member is injured or killed by a firearm discharged by another person, the Division Commander shall ensure that reporting required by the Attorney General is submitted (Tex. Code of Crim. Pro. art. 2.1395).

#### 1022.5 SETTLEMENT OFFERS

When a member sustains an occupational disease or work-related injury that is caused by another person and is subsequently contacted by that person, his/her agent, insurance company or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to his/her supervisor as soon as possible.

##### 1022.5.1 NO SETTLEMENT WITHOUT PRIOR APPROVAL

In no case shall the member accept a settlement without first providing written notice to the Chief of Police. The purpose of such notice is to permit the City to determine whether the offered settlement will affect any claim the City may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the disease or injury, and to protect the City's right of subrogation, while ensuring that the member's right to receive compensation is not affected.

#### 1022.6 FIRST RESPONDER LIAISON ACCESS

Members shall have unrestricted access to contact a first responder liaison at any time regarding their workers' compensation claim (Tex. Labor Code § 404.1525; Tex. Labor Code § 404.153).

# Temporary Modified-Duty Assignments

## 1027.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules or current collective bargaining agreements or memorandums of understanding. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

## 1027.2 POLICY

Subject to operational considerations, the Aransas Pass Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

## 1027.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the Texas Commission on Human Rights Act (TCHRA) shall be treated equally, without regard to any preference for a work-related injury (Tex. Labor Code § 21.001 et seq.).

No position in the Aransas Pass Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

## 1027.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

The Department may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

##### **1027.7 PREGNANCY**

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)). # Performance History Audits

## 1028.1 PURPOSE AND SCOPE

This policy provides guidance for the use of performance history audits. Performance history audits can help identify commendable performance as well as provide early recognition of training needs and other potential issues. This policy addresses the responsibilities, performance indicators and components of the audit, and handling of collected data.

## 1028.2 POLICY

The Aransas Pass Police Department collects data to assist supervisors with evaluating the performance of their employees. While it is understood that the statistical compilation of data may be helpful to supervisors, the Department recognizes that it cannot account for, and must carefully balance such data with, the many variables in law enforcement, such as:

- Ability to detect crime.
- Work ethic.
- Assignment and shift.
- Physical abilities (ability to perform the job-related physical tasks).
- Randomness of events.

## 1028.3 RESPONSIBILITIES

Under the authority of the Administration Division Commander, the Administration Division is responsible for collecting performance indicators and other relevant data. The data will be compiled to generate annual performance history audit reports that will be provided to the appropriate Division Commander. The Administration Division will utilize confidential methods to compile and track information regarding performance indicators for each officer during each quarter in order to prepare the report. Though generated quarterly, each report should contain data from a one-year time period.

The Administration Division Commander should forward a copy of each performance history audit report to the City Attorney for review and retention as attorney work product and confidential personnel information.

## 1028.4 COMPONENTS OF PERFORMANCE HISTORY AUDITS

Performance history audits should include the following components:

- Performance indicators
- Data analysis
- Employee review
- Follow-up monitoring

- (h) Prosecuting Attorney case rejections and the reasons.
- (i) Intentional or unintentional firearm discharges (regardless of injury).
- (j) Vehicle collisions.
- (k) Missed court appearances.
- (l) Documented counseling.

#### 1028.4.2 DATA ANALYSIS

The Administration Division Commander will review each performance history audit report and determine whether it should be provided to the officer's immediate supervisor for further consideration.

#### 1028.4.3 EMPLOYEE REVIEW

Upon receipt of a performance history audit report, the supervisor will carefully review the report with the officer to assess any potential trends or other issues that may warrant informal counseling, additional training or a recommendation for other action, including discipline. The officer shall date and sign the report and should be provided with a copy of the report upon request.

If a supervisor determines that an officer's performance warrants action beyond informal counseling, the supervisor shall advise the Division Commander of such recommendation. If the Division Commander concurs with the recommendation of the supervisor, he/she shall take steps to initiate the appropriate action.

If discipline or other adverse action is initiated against an officer as a result of a performance history audit, the officer shall be entitled to all rights and processes set forth in the Personnel Complaints Policy.

##### **1028.4.4 FOLLOW-UP MONITORING**

Depending upon the results of each performance history audit, a determination should be made by the Administration Division Commander, after discussion with the officer's immediate supervisor, about the need, type and duration of any follow-up. Performance indicators and data analysis will generally provide the basis upon which such decisions should be made.

##### **1028.5 CONFIDENTIALITY OF DATA**

Information, data and copies of material compiled to develop performance history audit reports shall be considered confidential as part of the employee's personnel file and will not be subject to discovery or release except as provided by law. Access to performance history audit reports will be governed under the same process as access to an officer's personnel file, as outlined in the Personnel Records Policy.

Access to the underlying data will be governed by the process for access to the original records (such as police reports).

##### **1028.6 RETENTION**

Performance history audit reports and associated records shall be retained in accordance with the established records retention schedule.

# Speech, Expression and Social Networking

## 1029.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with the use of social networking sites, and provides guidelines for the regulation and balancing of member speech and expression with the needs of the Aransas Pass Police Department.

This policy applies to all forms of communication including, but not limited to, film, video, print media, public or private speech and use of all internet services, including the Web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file-sharing sites.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit a member from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, about matters of public concern, such as misconduct or corruption.

Members are encouraged to consult with their supervisors regarding any questions arising from the application or potential application of this policy.

## 1029.2 POLICY

Members of public entities occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of the Aransas Pass Police Department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that members of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Department will carefully balance the individual member's rights against the needs and interests of the Department when exercising a reasonable degree of control over its members' speech and expression.

## 1029.3 SAFETY

Members should carefully consider the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of Aransas Pass Police Department members, such as posting personal information in a public forum or posting a photograph taken with a GPS-enabled camera, can result in compromising a member's home address or family ties. Members should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any member, a member's family or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an officer who is working undercover.
- Disclosing the address of a fellow department member.

- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment or appointment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee (Tex. # Line-of-Duty Deaths

## 1031.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Aransas Pass Police Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief of Police may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

### 1031.1.1 DEFINITIONS

Definitions related to this policy include:

**Line-of-duty death** - The death of a sworn member during the course of performing law enforcement-related functions while on- or off-duty, or a civilian member during the course of performing their assigned duties.

**Survivors** - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

## 1031.2 POLICY

It is the policy of the Aransas Pass Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

## 1031.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Shift Supervisor and Dispatch.
  - 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Shift Supervisor should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Shift Supervisor or the designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

### *Line-of-Duty Deaths*

- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

#### **1031.4 NOTIFYING SURVIVORS**

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Shift Supervisor or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department Chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting childcare or other immediate needs.

- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Aransas Pass Police Department members may be apprised that survivor notifications are complete.

#### **1031.4.1 OUT-OF-AREA NOTIFICATIONS**

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief of Police.

#### **1031.5 NOTIFYING DEPARTMENT MEMBERS**

Supervisors or members designated by the Chief of Police are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support group, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

#### 1033.3.2 CJIS SECURITY INCIDENT HANDLING, RESPONSE PLAN

TLETS Security Incident Response Plan - There has been an increase in the number of accidental or malicious computer attacks against both government and private agencies, regardless of whether the systems are high or low profile. The following establishes an operational incident handling procedure for The Aransas Pass Police Department CJIS, TCIC/NCIC, and TLETS information systems that includes adequate preparation, detection, analysis, containment, recovery, and user response activities; track, document, and report incidents to appropriate Police Department personnel, TCIC agency officials and/or authorities. The LASO is the department's point-of-contact for security-related issues and will ensure the incident response reporting procedures are initiated at the local level.

As the criminal justice community becomes more dependent on global network technology, the reasons for the attacks can be accidental or malicious. The effects of these intrusions can range from embarrassment, to causing the inability to function, to the loss of human life. Because incidents can have many possible consequences that range from slight to catastrophic, priorities must be considered when evaluating and processing incidents. The following five priorities should be evaluated when an incident occurs:

Priority 1 - Protect human life and people's safety.

Priority 2 - Protect classified data.

Priority3 - Protect Sensitive But Unclassified data.

Priority 4 - Prevent damage to systems (e.g., loss or alteration of system software and files, damage to disk drives, etc.).

Priority 5 - Minimize disruption of computing resources.

Reporting Information Security Events - The department will promptly report incident information to appropriate authorities. Information security events and weaknesses associated with information systems shall be communicated in a manner allowing timely corrective action to be taken. Formal event reporting and escalation procedures shall be in place. Wherever feasible, the department will use email to expedite the reporting of security incidents. All Dispatchers will be made aware of the procedures for reporting the different types of event and weakness that might have an impact on the security of agency assets and are required to report any information security events and weaknesses as quickly as possible to the Support Services Supervisor. ## **DPS Secure Site Criminal History Record Information (CHRI) Proper Access, Use and Dissemination Procedures**

### **Purpose**

The intent of the following policies is to ensure the protection of the Criminal Justice Information (CJI) and its subset of Criminal History Record Information (CHRI) until such time as the information is purged or destroyed in accordance with applicable record retention rules.

The following policies were developed using the FBI's Criminal Justice Information Services (CJIS) Security Policy. The Aransas Pass Police Department may complement this policy with a local policy; however, the CJIS Security Policy shall always be the minimum standard. The local policy may augment, or increase the standards, but shall not detract from the CJIS Security Policy standards.

### **Scope**

The scope of this policy applies to any electronic or physical media containing FBI CJI while being stored, accessed or physically moved from a secure location from the Aransas Pass Police Department. In addition, this policy applies to any authorized person who accesses, stores, and/or transports electronic or physical media.

### **Criminal Justice Information (CJI) and Criminal History Record Information (CHRI)**

CJI is the term used to refer to all of the FBI CJIS provided data necessary for law enforcement and civil agencies to perform their missions including, but not limited to biometric, identity history, biographic, property, and case/incident history data.

CHRI, is a subset of CJI and for the purposes of this document is considered interchangeable. Due to its comparatively sensitive nature, additional controls are required for the access, use and dissemination of CHRI. In addition to the dissemination restrictions outlined below, Title 28, Part 20, Code of Federal Regulations (CFR), defines CHRI and provides the regulatory guidance for dissemination of CHRI.

### **Proper Access, Use, and Dissemination of CHRI**

Information obtained from the Interstate Identification Index (III) is considered CHRI. Rules governing the access, use, and dissemination of CHRI are found in Title 28, Part 20, CFR. The III shall be accessed only for an authorized purpose. Further, CHRI shall only be used for an authorized purpose consistent with the purpose for which III was accessed. Dissemination to another agency is authorized if (a) the other agency is an Authorized Recipient of such information and is being serviced by the accessing agency, or (b) the other agency is performing noncriminal justice administrative functions on behalf of the authorized recipient and the outsourcing of said functions has been approved by appropriate CJIS Systems Agency (CSA) or State Identification Bureau (SIB) officials with applicable agreements in place.

### **Personnel Security Screening**

Access to CJI and/or CHRI is restricted to authorized personnel. Authorized personnel is defined as an individual, or group of individuals, who have been appropriately vetted through a national fingerprint-based record check and have been granted access to CJI data. Agencies located within states having passed legislation authorizing or requiring civil fingerprint-based background checks for personnel with

## Secure Site Policy

access to CHRI for the purposes of licensing or employment shall submit fingerprint-based record check within 30 days of employment or assignment on all personnel with who have direct access to CJI, those who have direct responsibility to configure and maintain computer systems and networks with direct access to CJI, and any persons with access to physically secure locations or controlled areas containing CJI. Agencies located within states without this authorization or requirement are exempted from the fingerprint-based background check requirement until such time as appropriate legislation has been written into law.

## Security Awareness Training

Basic security awareness training shall be required within six months of initial assignment, and biennially thereafter, for all personnel who have access to CJI.

## Physical Security

A physically secure location is a facility or an area, a room, or a group of rooms within a facility with both the physical and personnel security controls sufficient to protect the FBI CJI and associated information systems. The perimeter of the physically secure location shall be prominently posted and separated from non-secure locations by physical controls.

Only authorized personnel will have access to physically secure non-public locations. The Aransas Pass Police Department will maintain and keep current a list of authorized personnel. All physical access points into the agency's secure areas will be authorized before granting access. The agency will implement access controls and monitoring of physically secure areas for protecting all transmission and display mediums of CJI. Authorized personnel will take necessary steps to prevent and protect the agency from physical, logical and electronic breaches.

## Media Protection

Controls shall be in place to protect electronic and physical media containing CJI while at rest, stored, or actively being accessed. "Electronic media" includes memory devices in laptops and computers (hard drives) and any removable, transportable digital memory media, such as magnetic tape or disk, backup medium, optical disk, flash drives, external hard drives, or digital memory card. "Physical media" includes printed documents and imagery that contain CJI.

The agency shall securely store electronic and physical media within physically secure locations or controlled areas. The agency shall restrict access to electronic and physical media to authorized individuals. If physical and personnel restrictions are not feasible then the data shall be encrypted per Section 5.10.1.2.

## Media Transport

Controls shall be in place to protect electronic and physical media containing CJI while in transport (physically moved from one location to another) to prevent inadvertent or inappropriate disclosure and use. The agency shall protect and control electronic and physical media during transport outside of controlled areas and restrict the activities associated with transport of such media to authorized personnel.

## Media Sanitization and Disposal

When no longer usable, hard drives, diskettes, tape cartridges, CDs, ribbons, hard copies, print-outs, and other similar items used to process, store and/or transmit FBI CJI shall be properly disposed of in accordance with measures established by Aransas Pass Police Department.

Physical media (print-outs and other physical media) shall be disposed of by one of the following methods:

- 1) shredding using Aransas Pass Police Department issued shredders.
- 2) placed in locked shredding bins for an authorized private contractor to come on-site and shred, witnessed by Aransas Pass Police Department personnel throughout the entire process.
- 3) incineration using Aransas Pass Police Department incinerators or witnessed by Aransas Pass Police Department personnel onsite at agency or at contractor incineration site, if conducted by non-authorized personnel.

Electronic media (hard-drives, tape cartridge, CDs, printer ribbons, flash drives, printer and copier Hard-drives, etc.) shall be disposed of by one of the <Agency Name> methods:

- 1) **Overwriting (at least 3 times)** - an effective method of clearing data from magnetic media. As the name implies, overwriting uses a program to write (1s, 0s, or a combination of both) onto the location of the media where the file to be sanitized is located.
- 2) **Degaussing** - a method to magnetically erase data from magnetic media. Two types of degaussing exist: strong magnets and electric degausses. Note that common magnets (e.g., those used to hang a picture on a wall) are fairly weak and cannot effectively degauss magnetic media.
- 3) **Destruction** – a method of destroying magnetic media. As the name implies, destruction of magnetic media is to physically dismantle by methods of crushing, disassembling, etc., ensuring that the platters have been physically destroyed so that no data can be pulled.

IT systems that have been used to process, store, or transmit FBI CJI and/or sensitive and classified information shall not be released from Aransas Pass Police Department 's control until the equipment has been sanitized and all stored information has been cleared using one of the above methods.

## Account Management

The agency shall manage information system accounts, including establishing, activating, modifying, reviewing, disabling, and removing accounts. The agency shall validate information system accounts at least annually and shall document the validation process.

All accounts shall be reviewed at least annually by the designated CJIS point of contact (POC) or his/her designee to ensure that access and account privileges commensurate with job functions, need-to-know, and employment status on systems that contain Criminal Justice Information. The POC may also conduct periodic reviews.

## **Remote Access**

The Aransas Pass Police Department shall authorize, monitor, and control all methods of remote access to the information systems that can access, process, transmit, and/or store FBI CJI. Remote access is any temporary access to an agency's information system by a user (or an information system) communicating temporarily through an external, non-agency controlled network (e.g., the Internet).

The Aransas Pass Police Department shall employ automated mechanisms to facilitate the monitoring and control of remote access methods. The Aransas Pass Police Department shall control all remote accesses through managed access control points. The Aransas Pass Police Department may permit remote access for privileged functions only for compelling operational needs but shall document the rationale for such access in the security plan for the information system.

Utilizing publicly accessible computers to access, process, store or transmit CJI is prohibited. Publicly accessible computers include but are not limited to: hotel business center computers, convention center computers, public library computers, public kiosk computers, etc.

## **Personally Owned Information Systems**

A personally owned information system shall not be authorized to access, process, store or transmit CJI unless the agency has established and documented the specific terms and conditions for personally owned information system usage. A personal device includes any portable technology like camera, USB flash drives, USB thumb drives, DVDs, CDs, air cards and mobile wireless devices such as Androids, Blackberry OS, Apple iOS, Windows Mobile, Symbian, tablets, laptops or any personal desktop computer. When bring your own devices (BYOD) are authorized, they shall be controlled using the requirements in Section 5.13 of the CJIS Security Policy.

## **Reporting Information Security Events**

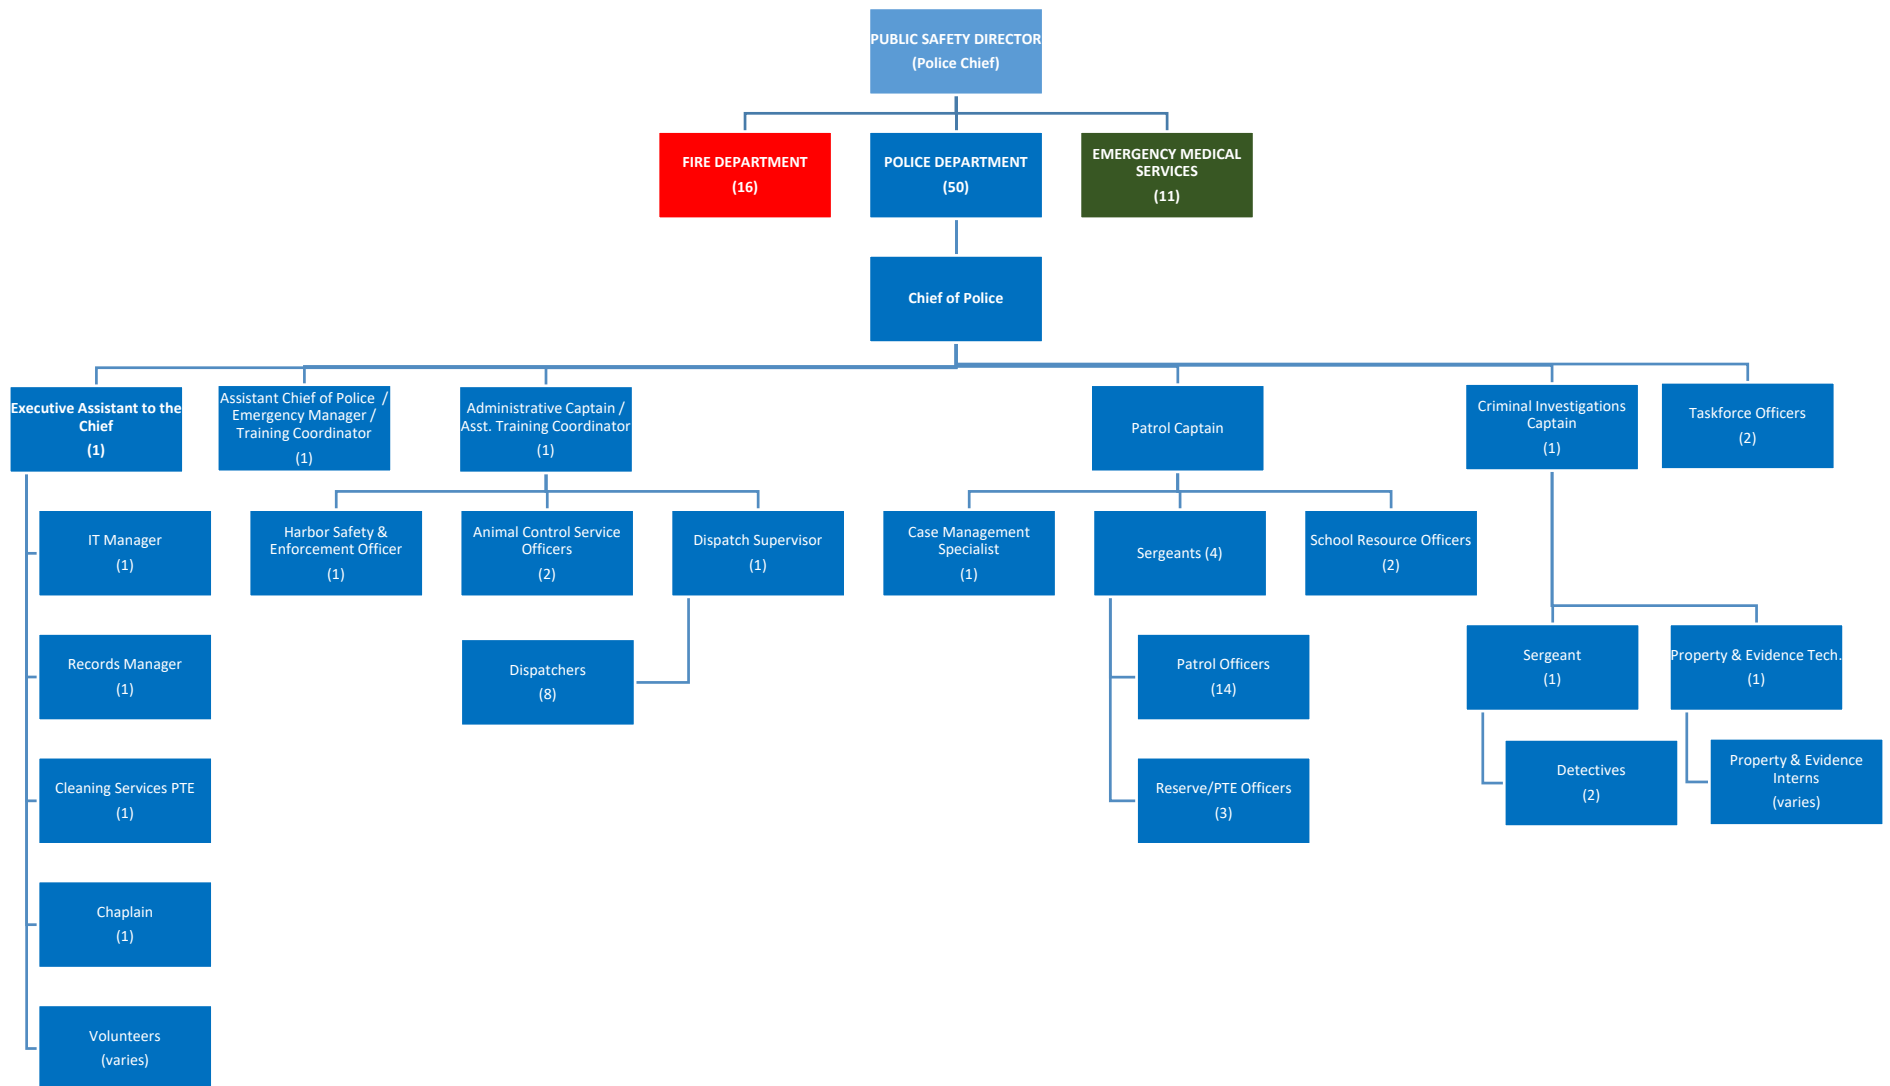

The agency shall promptly report incident information to appropriate authorities to include the state CSA or SIB's Information Security Officer (ISO). Information security events and weaknesses associated with information systems shall be communicated in a manner allowing timely corrective action to be taken. Formal event reporting and escalation procedures shall be in place. Wherever feasible, the agency shall employ automated mechanisms to assist in the reporting of security incidents. All employees, contractors and third party users shall be made aware of the procedures for reporting the different types of event and weakness that might have an impact on the security of agency assets and are required to report any information security events and weaknesses as quickly as possible to the designated point of contact.

## **Policy Violation/Misuse Notification**

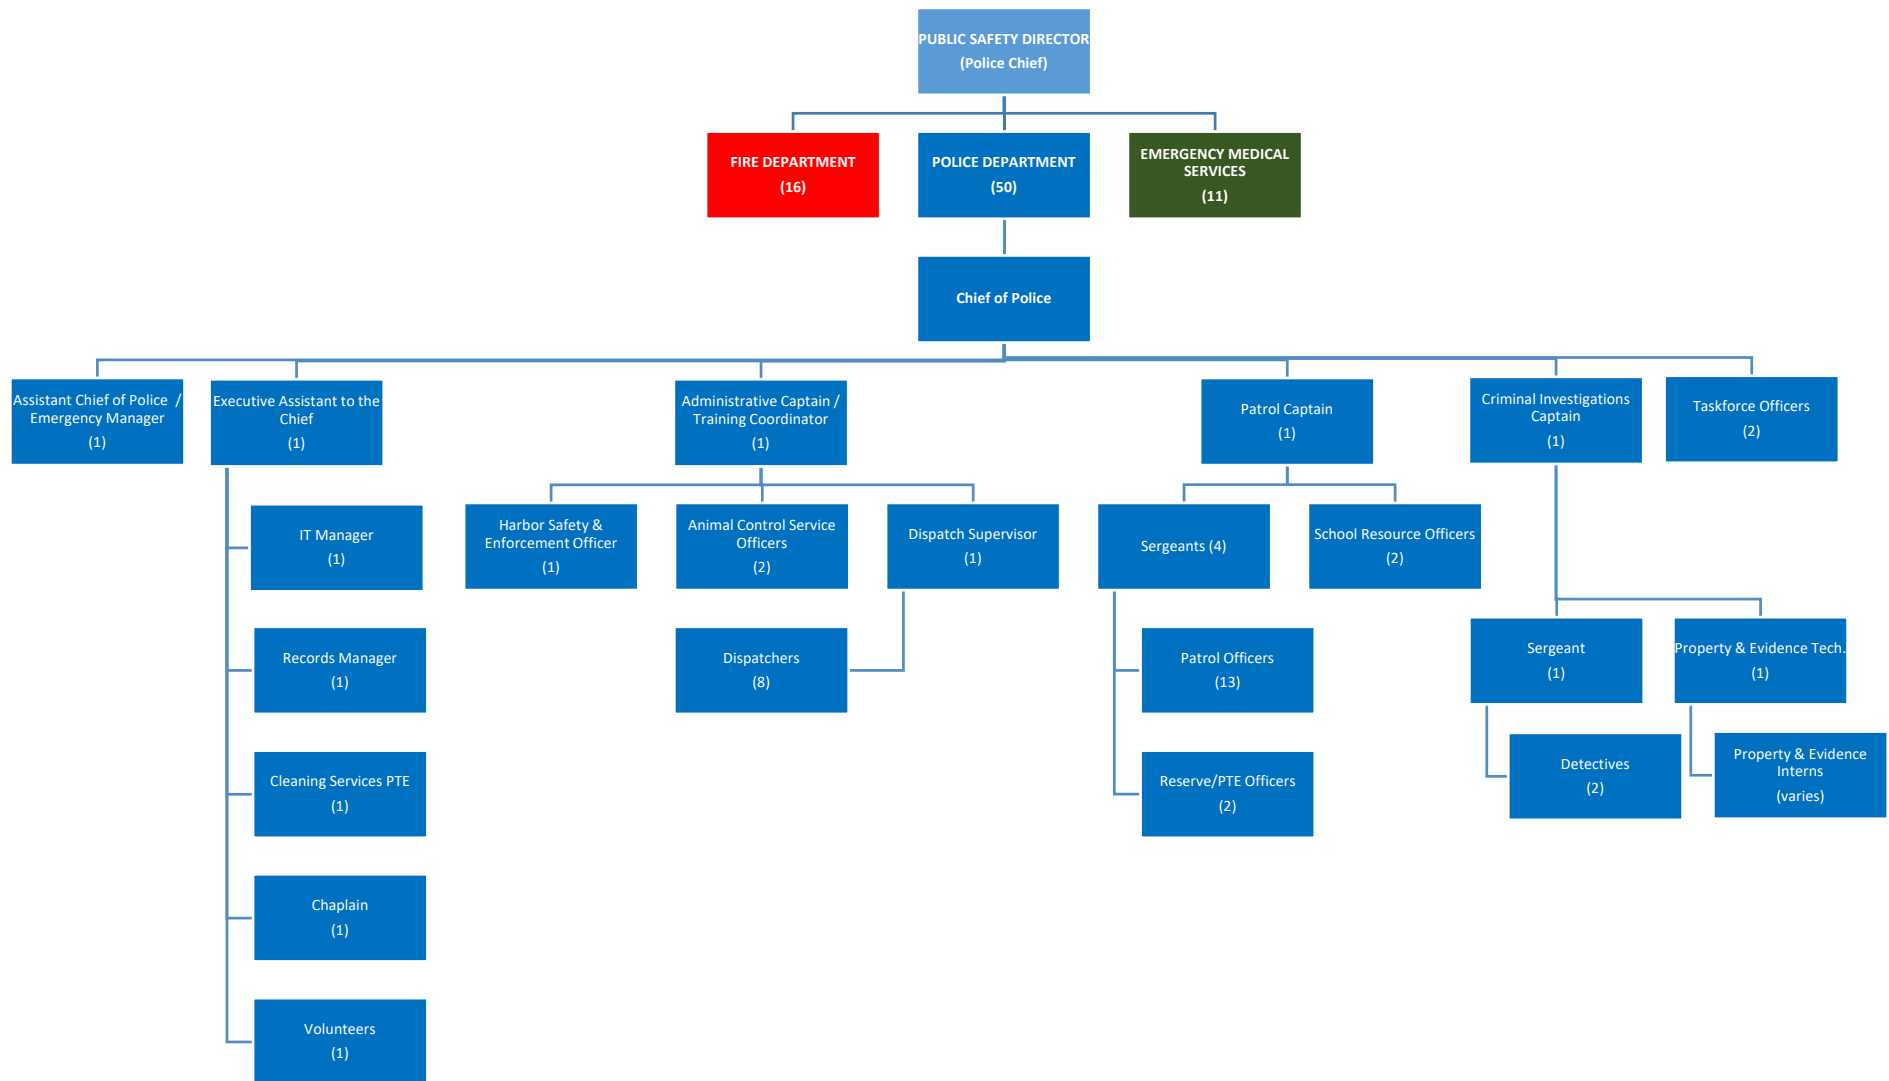

Violation of any of the requirements contained in the CJIS Security Policy or Title 28, Part 20, CFR, by any authorized personnel will result in suitable disciplinary action, up to and including loss of access privileges, civil and criminal prosecution and/or termination.

Likewise, violation of any of the requirements contained in the CJIS Security Policy or Title 28, Part 20, CFR, by any visitor can result in similar disciplinary action against the sponsoring employee, and can also result in termination of services with any associated consulting organization or prosecution in the case of criminal activity.
